7/15/19, 1:23 PM - PDGÂ©: No results
 7/15/19, 1:24 PM - Arnab Goswami: It may appear so now. But the inside story is that they are aware and more will happen later this month.
 7/15/19, 1:25 PM - PDGÂ©: It's late - damage is happening
 7/15/19, 1:25 PM - Arnab Goswami: But since I'm the only one affected and India tv and India today have been wholly unaffected by landing they aren't doing much
 7/15/19, 1:28 PM - Arnab Goswami: Though now there is a large association of channels and networks affected by landing besides these two above who are well organised and are also fighting
 7/15/19, 1:29 PM - PDGÂ©: No impact on the powers that are
 7/15/19, 1:29 PM - Arnab Goswami: The only powers are in Delhi
 7/15/19, 1:29 PM - PDGÂ©: Who are not doing anything
 7/15/19, 1:30 PM - PDGÂ©: Hence the powers of the industry are deciding
 7/15/19, 1:30 PM - PDGÂ©: Who are foolishly gunning for full automation
 7/15/19, 1:30 PM - Arnab Goswami: Of course they are and will. The detailed notes of your board meeting have been circulated. Govt takes some time to act.
 7/15/19, 1:41 PM - Arnab Goswami: I want to give you some feedback for a min when you're free
 7/15/19, 1:41 PM - PDGÂ©: In 90 min pls
 7/15/19, 1:46 PM - Arnab Goswami: Sure.
 7/15/19, 4:17 PM - PDGÂ©: Free now
 7/15/19, 4:30 PM - Arnab Goswami: Will take a breather in just a bit. In a hugely crowded Vatican now
 7/15/19, 4:31 PM - PDGÂ©: Oops ok
 7/15/19, 4:31 PM - PDGÂ©: It's a long walkðŸ™„
 7/15/19, 4:32 PM - Arnab Goswami: You bet. In laws and family
 7/15/19, 4:32 PM - PDGÂ©: ðŸ™ŠðŸ™ŠðŸ™Š
 7/15/19, 9:12 PM - Arnab Goswami: I'm very sorry boss for not calling. After we connected my mom in law fell and had a femur fracture near the Sistine chapel. So I'm at a private hospital trying to organise her evacuation to India in next 36 hours.
 7/15/19, 9:13 PM - Arnab Goswami: Too much happening at one time in my life these days ðŸ™„
 7/15/19, 9:18 PM - PDGÂ©: You should take care of that
 7/15/19, 9:18 PM - PDGÂ©: Our talk can wait

 7/18/19, 10:16 AM - Arnab Goswami: I don't think punit can justify this now .. view in govt was clear on freebasics
 7/18/19, 10:17 AM - PDGÂ©: You deleted this message
 7/18/19, 10:22 AM - PDGÂ©: Things don't work that way - unfortunately
 7/18/19, 10:22 AM - PDGÂ©: Anyways
 7/18/19, 10:38 AM - Arnab Goswami: I meant I don't know why punit is doing this. Makes no sense to fight such a spirited battle with the government...

7/18/19, 10:58 AM - PDGAS: Obviously he is being motivated by some and it has started affecting me now

7/18/19, 10:58 AM - PDGAS: Directly

7/18/19, 1:05 PM - Arnab Goswami: Tv18 is behind this and Tv18 has been built as a leading from a laggard channel. That's what I needed to tell you. Landing in Hindi not being stopped and ranking in Hindi also being kept the same has encouraged them more.

7/18/19, 1:06 PM - Arnab Goswami: Don't trust Rahul Joshi

7/18/19, 1:07 PM - PDGAS: I dont

7/18/19, 1:07 PM - PDGAS: But now I am screwed anyways

7/18/19, 1:08 PM - Arnab Goswami: Tv18 shouldn't have been kept in top in hindi after landing measurement decision. Emboldens them

7/18/19, 1:09 PM - Arnab Goswami: We lost our everything. Industry is divided. Govt distrusts BARC. And only tv18 gains.

7/18/19, 1:16 PM - PDGAS: I had told you long back on what's to be done

7/18/19, 1:16 PM - PDGAS: You didn't take it seriously

7/18/19, 1:17 PM - Arnab Goswami: I've done more than any person has. You know that.

7/18/19, 1:17 PM - PDGAS: Ultimately I am affected

7/18/19, 1:17 PM - Arnab Goswami: Not fair of you to say that

7/18/19, 1:17 PM - PDGAS: Yes you did

7/18/19, 1:17 PM - Arnab Goswami: I've been hit the most.

7/18/19, 1:17 PM - PDGAS: But it didn't have the effect we desired Arnab

7/18/19, 1:17 PM - PDGAS: You did try

7/18/19, 1:18 PM - Arnab Goswami: I was shafted in English. And I e been screwed in hindi

7/18/19, 1:18 PM - Arnab Goswami: Tv 18 has many holes to bring them down in Hindi. I shared with romil. He knows.

7/18/19, 1:18 PM - PDGAS: And people are accusing me of siding with you

7/18/19, 1:18 PM - Arnab Goswami: And India tv and Aajtak are enjoying it because they've been kept constant

7/18/19, 1:19 PM - Arnab Goswami: I've spoken for you when Rahul Joshi was dissing you before the minister

7/18/19, 1:19 PM - Arnab Goswami: Rahul Joshi has targeted you personally in meetings

7/18/19, 1:19 PM - PDGAS: Yes i know

7/18/19, 1:19 PM - Arnab Goswami: I wanted to tell you that day

7/18/19, 1:20 PM - Arnab Goswami: He has managed to get an unfair advantage for Hindi and feels it's now permanent

7/18/19, 1:20 PM - PDGAS: But he can't do much if the board hadn't have had

7/18/19, 1:21 PM - Arnab Goswami: The board is firmly against landing

7/18/19, 1:21 PM - PDGAS: No

7/18/19, 1:21 PM - Arnab Goswami: Because they know the government is against it

7/18/19, 1:21 PM - Arnab Goswami: Yes they are and will be

7/18/19, 1:21 PM - Arnab Goswami: Nobody cares fight the govt

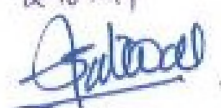

7/18/19, 1:26 PM - Arnab Goswami: The government and you are on the same page. Speak to Shashi and share your views. Don't give in.

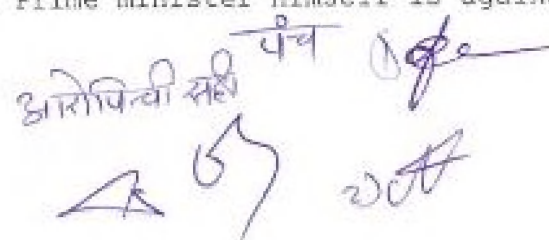

7/18/19, 2:16 PM - PDGAS: Wonder why is Govt not helping me then and letting people run with their opinions - who don't understand implications

7/18/19, 2:16 PM - PDGAS: None in Board understands News

7/18/19, 2:17 PM - Arnab Goswami: Government is 100 percent against landing. It has affected BARC image in a big way.

7/18/19, 2:18 PM - Arnab Goswami: Prime minister himself is against this landing and knows about it.

7/18/19, 2:18 PM - Arnab Goswami: Have no doubt about it.
 7/18/19, 2:18 PM - PDGÂ©: Yes but only i am facing the music - govt not calling and telling anyone anything
 7/18/19, 2:18 PM - Arnab Goswami: Government will act
 7/18/19, 2:18 PM - Arnab Goswami: I am having further meetings next week
 7/18/19, 2:18 PM - PDGÂ©: It may but maybe too late for me
 7/18/19, 2:18 PM - Arnab Goswami: Others have also met
 7/18/19, 2:18 PM - Arnab Goswami: PMC
 7/18/19, 2:18 PM - PDGÂ©: Yes i know
 7/18/19, 2:19 PM - Arnab Goswami: You should make it a matter of principle.
 7/18/19, 2:19 PM - PDGÂ©: But they are not acting on it
 7/18/19, 2:19 PM - Arnab Goswami: They will. Hang in there.
 7/18/19, 2:19 PM - PDGÂ©: I am getting shafted by people who don't know the subject
 7/18/19, 2:19 PM - PDGÂ©: And government is just watching
 7/18/19, 2:19 PM - PDGÂ©: It will affect all but two groups
 7/18/19, 2:19 PM - Arnab Goswami: Government has sent it's first missive.
 7/18/19, 2:20 PM - PDGÂ©: And all will bleed to death
 7/18/19, 2:20 PM - Arnab Goswami: Via Shashi at the board meeting
 7/18/19, 2:20 PM - Arnab Goswami: Speak to tv today. They're very quiet and don't care.
 7/18/19, 2:20 PM - Arnab Goswami: Tv18 as no 2 is bizarre.
 7/18/19, 2:20 PM - PDGÂ©: Am just saying it's too small and got missed - if they have to they should do it decisively
 7/18/19, 2:20 PM - PDGÂ©: They have spoken to minister too i am told
 7/18/19, 2:22 PM - PDGÂ©: No matter what you say - i have seen what people said in Board that day myself - they are not going with your thing
 7/18/19, 2:22 PM - PDGÂ©: I am saying all this since i consider you as a friend
 7/18/19, 2:22 PM - PDGÂ©: I don't even interact as much with other news guys
 7/18/19, 2:23 PM - PDGÂ©: They are saying good things to you but behind your back doing something else
 7/18/19, 2:23 PM - PDGÂ©: Unless govt calls people and asks them to quit nothing will change
 7/18/19, 2:23 PM - PDGÂ©: It will get only bad
 7/18/19, 2:24 PM - Arnab Goswami: Noted. Government will. You must not give up. Please look at TV18 landing markets
 7/18/19, 2:27 PM - Arnab Goswami: I have done such hard work on my fpc. Changed my 9 pm and brought in a wave of formats after 5 pm. We break everything well in advance and Tv18 which does nothing has nothing is no 2.
 7/18/19, 2:28 PM - PDGÂ©: Maybe you should look at your break strategy
 7/18/19, 2:29 PM - Arnab Goswami: Shall take inputs on that.
 7/18/19, 2:29 PM - Arnab Goswami: Have lower inventory.
 7/18/19, 2:29 PM - Arnab Goswami: Further penetrated more networks. Tv 18 is giving up networks they are so confident of landing being measured. They need to be hit not us.
 7/18/19, 2:30 PM - PDGÂ©: Romil and team is following the SOP to the T now - they are also nervous to use judgement with all the negative press and comments in board
 7/18/19, 2:31 PM - PDGÂ©: You need to understand
 7/18/19, 2:31 PM - PDGÂ©: I told this to you long back
 7/18/19, 2:31 PM - PDGÂ©: Barc management has to be independent
 7/18/19, 2:32 PM - Arnab Goswami: Not fair.
 7/18/19, 2:32 PM - Arnab Goswami: Don't let TV18 win like this
 7/18/19, 2:32 PM - PDGÂ©: Nobody is letting that happen

7/18/19, 2:32 PM - Arnab Goswami: Govt doesn't separate. They think BARC is helping tv 18.

7/18/19, 2:33 PM - PDGÂ©: They need to make us independent

7/18/19, 2:33 PM - PDGÂ©: To see how we operate without influence

7/18/19, 2:33 PM - Arnab Goswami: The pmo guys said that yesterday to a channel head. That tv18 is winning like this

7/18/19, 2:33 PM - Arnab Goswami: You moderate tv18 landing

7/18/19, 2:33 PM - Arnab Goswami: They will come down to 7 percent

7/18/19, 2:33 PM - Arnab Goswami: Or less given their content

7/18/19, 2:34 PM - PDGÂ©: One day see the actual numbers of tv18 - you will then decide whether it's moderated or not

7/18/19, 2:34 PM - PDGÂ©: It's severely moderated

7/18/19, 2:34 PM - PDGÂ©: But the larger issue - i have explained

7/18/19, 2:35 PM - Arnab Goswami: The only honest and straight channel shouldn't be shafted

7/18/19, 2:35 PM - Arnab Goswami: As I said I fight for the right thing. And Joshi becomes no 2

7/18/19, 2:35 PM - PDGÂ©: See the numbers and you will know

7/18/19, 2:38 PM - Arnab Goswami: I honestly and diligently showed romil. Atleast ten markets. He knows the landing markets are sharply evident. There should be no nervousness to correct that. They have stayed static for eight weeks now. Please see.

7/18/19, 2:38 PM - Arnab Goswami: You cannot imagine the mountains I have moved against landing.

7/18/19, 2:40 PM - Arnab Goswami: And I will continue to. But please see how horribly I'm hit. Week after week. No respite.

7/18/19, 2:44 PM - Arnab Goswami: I will also review the break strategy

7/18/19, 2:45 PM - PDGÂ©: I have asked Romil to show you or vikas what kind of cuts happen on News18

7/18/19, 2:45 PM - PDGÂ©: Have a look

7/18/19, 2:45 PM - PDGÂ©: Confidential of course

7/18/19, 2:45 PM - PDGÂ©: We don't even talk this level with anyone else

7/18/19, 2:46 PM - Arnab Goswami: I appreciate

7/18/19, 2:46 PM - Arnab Goswami: Will also take the inputs on break strategy

7/18/19, 2:46 PM - PDGÂ©: Ok

7/18/19, 2:47 PM - PDGÂ©: Unless the Government helps - my hands are tied Arnab

7/18/19, 2:47 PM - PDGÂ©: I am fighting back

7/18/19, 2:47 PM - PDGÂ©: But fighting the biggies

7/18/19, 2:48 PM - Arnab Goswami: Yes yes

7/18/19, 2:49 PM - PDGÂ©: And because none in Board understands news nor cares for it - am fighting a lonely battle

7/18/19, 3:05 PM - Arnab Goswami: I'm with you .. I will speak to all and galvanise more support

7/18/19, 3:07 PM - PDGÂ©: Honestly pls don't do that - people are seeing it differently and think you and me are joined in the hips

7/18/19, 3:07 PM - PDGÂ©: Better to raise the principle issues and ensure independence

7/18/19, 3:08 PM - PDGÂ©: Which only government can do

7/18/19, 3:27 PM - Arnab Goswami: I'm soaking to government

7/18/19, 3:27 PM - Arnab Goswami: Not getting into technicalities

7/19/19, 1:31 PM - Arnab Goswami: Part of my stronger digital push. I am penetrating even more networks and have a dramatic strategy there. Along with superb improvements on FPC content and breaks. Determined to challenge Aajtak and dislodge it.

George Bernard Shaw to Winston Churchill.

"Cannot possibly attend first night, I will attend the second...If there is one."

- Winston Churchill, in response.

2. A member of Parliament to Disraeli: "Sir, you will either die on the gallows, or of some unspeakable disease."

That depends, Sir," said Disraeli, "whether I embrace your policies or your mistress."

3. "He had delusions of adequacy." - Walter Kerr

4. "I have never killed a man, but I have read many obituaries with great pleasure."

- Clarence Darrow

5. "He has never been known to use a word that might send a reader to the dictionary."

- William Faulkner (about Ernest Hemingway).

6. "Thank you for sending me a copy of your book; I'll waste no time reading it."

- Moses Hadas

7. "I didn't attend the funeral, but I sent a nice letter saying I approved of it."

- Mark Twain

8. "He has no enemies, but is intensely disliked by his friends.."

- Oscar Wilde

9. "I feel so miserable without you; it's almost like having you here."

- Stephen Bishop

10. "He is a self-made man and worships his creator."

- John Bright

11. "I've just learned about his illness. Let's hope it's nothing trivial."

 7/25/19, 2:36 PM - PDGAG: There is this going around on English news too
 7/25/19, 2:36 PM - Arnab Goswami: An absolute idiot he is
 7/25/19, 2:36 PM - PDGAG: Very close to Punit
 7/25/19, 2:36 PM - PDGAG: Yes Absolute
 7/25/19, 2:36 PM - Arnab Goswami: You can't respond to all these idiots
 7/25/19, 2:36 PM - PDGAG: Yes i dont
 7/25/19, 2:36 PM - PDGAG: But they provoke such views
 7/25/19, 2:37 PM - PDGAG: And soon enough there will be stories
 7/25/19, 2:37 PM - Arnab Goswami: I'm raising an issue with BARC which you can look into.
 7/25/19, 2:37 PM - PDGAG: Ok
 7/25/19, 2:37 PM - Arnab Goswami: Kangana is a massive rating cruncher.
 7/25/19, 2:37 PM - Arnab Goswami: And we got her first when India was burning on her controversy
 7/25/19, 2:37 PM - PDGAG: Didn't rate?.is it?
 7/25/19, 2:37 PM - Arnab Goswami: Huge contradiction. Kangana interview we got first which every channel followed later. Kangana has always delivered high time spent and this time the interview was in the middle of a raging controversy. The interview done by sucherita was very newsy and tracked by media and followed by Aajtak. I don't understand when Aajtak does the same interview later they get the numbers.
 7/25/19, 2:37 PM - Arnab Goswami: We ran at 3.00 pm , 8.00 pm & 11.00 pm & debate at 6.00 on Kangna ke khilaf kaun lobby.
 We got average 2.5 %
 7/25/19, 2:37 PM - Arnab Goswami: 3.00 - 5%
 3.30. 4%
 8.00. 3%
 8.30. 3%
 11.00. 3%
 11.30. 2%
 7/25/19, 2:38 PM - PDGAG: Hmm pls ask someone to send a mail with this
 7/25/19, 2:39 PM - Arnab Goswami: Not didn't rate. Got zero ratings. Now we were ahead of everyone and there was an industry fight over this interview. Very very strange that this happened.
 7/25/19, 2:39 PM - PDGAG: Yes i was watching at the time - remember you were first - after some minutes aaj tak started
 7/25/19, 2:39 PM - PDGAG: Or India Today - one of them
 7/25/19, 2:40 PM - Arnab Goswami: No we were atleast two hours ahead of Aajtak
 7/25/19, 2:41 PM - Arnab Goswami: And Aajtak ran later. India today fan first. So we had an over four hour lead on this blockbuster. Impossible for this to happen

8/21/19, 2:47 PM - PDG&C: Khare closing: with multiple stakeholders, there will be conflicts and overlap of interests...so we need to see if NTO has been +ve overall...like another issue...Landing Page.  9/16/19, 2:08 PM - PDGÂ@: One can see the reason why researchers are essential in mythologicals on GECs, especially on topics that can cause flare-ups; and why one should stay away from distorting facts. Today, the country is in a very volatile state and people are becoming extremely hypersensitive. Ram and Valmiki are touchy subjects.

We need to tread carefully.

â€¢ *2.3% stake sale to Oppenheimer is remaining due to the closure of Insider trading window â€¢ they are the single largest shareholder now except promoters; expect them to honour the balance stake*

â€¢ Current 22% stake â€¢ expect the promoter stake not to go down further and lenders to stick to the agreement

â€¢ *No repayment is due in the next 3months, but expect to resolve by then*

â€¢ Pledging was indirect encumbrance that was created; they could be potentially invoked and sold when needed

â€¢ *VTB can sell the ZEEL shares directly if required, 1 year is remaining for the loan maturity*

â€¢ Standstill agreement has not changed

â€¢ Covenants with VTB â€¢ has any covenant been breached as of now? Will check and come back, in constant dialogue with VTB

â€¢ The *disclosure made by VTB was pertaining to a SEBI circular released on 7th Aug 2019*

â€¢ Debt levels disclosed in Jan donâ€™t stand today; some has been repaid and some have matured

â€¢ Monetisation of the non-media assets â€¢ Still working on the sale, have already paid half the debt so far; confident that we should be able to achieve the timelines put in sight

â€¢ *Open to strategic investors still â€¢ whoever would be looking to participate*

â€¢ Other assets are also there except the ZEEL shares; have options to exercise to repay the debt

â€¢ Securities that local lenders have comprised not just of ZEEL shares but also of other group entities

â€¢ How much of promoter debt is due by March? Donâ€™t have the details, maturity starts from end of Q4FY20 to FY21, but committed to resolve much before the maturity dates

â€¢ Expect some resolution to happen in the next 3 months from the various group asset sale

â€¢ Have a certain timeline that the mgmt is working currently to resolve the debt issue; still willing to work for ZEE if the process allows in case the stake goes down materially

 11/12/18, 5:59 PM - PDG&A: No credit
 11/13/18, 4:08 PM - Romil Ramgaria Barc: Janam tv is no 1 in urban alongwith Asianet. Growth of almost 100% compared to last week

 11/13/18, 5:01 PM - Romil Ramgaria Barc: That has grown only because of Janam
 11/13/18, 5:02 PM - PDG&A: 4-5 percent is reasonable number - people then have switched to Janam and others degrown
 11/13/18, 5:02 PM - PDG&A: That's justifiable
 11/13/18, 5:03 PM - Romil Ramgaria Barc: Yes - people have switched to Janam - reach grown by 30% but ATS has grown significantly

Their objective was that &O'I can&O't fight with this big techno media company who is spending billions in programming&O't. But my feeling is different. He would be the single largest shareholder of Disney with 5 per cent holding and he has the right to choose the successor of Bob Iger. He is a smart businessman. To my mind, he has bought Disney rather than selling.

 11/27/18, 10:30 AM - Romil Ramgaria Barc: Yes
 11/27/18, 11:20 AM - PDG&O: When you talk to Gayatri tell her this is not in the spirit of things we are trying to develop - if legal has so much mistrust in every word every thing
 11/27/18, 11:21 AM - PDG&O: We can then ask their legal to draft a fair usage guideline zero based and see if others agree
 11/27/18, 12:34 PM - PDG&O: Does the metarule4 team or MA have a list of anomalies that they check for in data

 11/27/18, 1:54 PM - Romil Ramgaria Barc: MediaForum is just n organization organized by the Top Corrupted Advertising Media Officials of Bangladesh! They work with Kantar MRB Bangladesh, which has been selling Audience Datas to Bangladesh Media Companies, TV Channels, Advertisers etc, but their service has always been questionable by their clients, which has become a big concern now! So, Media Forum is trying to bring another agency in Bangladesh to make a fake challenge against MRB Bangladesh!

11/27/18, 1:54 PM - Romil Ramgaria Barc: Their intention is to prove MRB is correct, so they shud stay. As the Forum is patroned by the Top Advertising Agencies of Bangladesh, they have been dominating their clients having influenced MRB, so MRB doesnt provide real data hence provide influenced data wished by the Advertising Agencies associated with the Forum.

11/27/18, 1:54 PM - Romil Ramgaria Barc: AND the Advertising Agencys' benefit is that they give LOW rates to the Top Programs, but they arent in the Top Programs' List of MRB!!!!!!!!!!!!!!

 11/28/18, 11:28 PM - PDG&O: Yeah if figures are right and we are talking apples to apples - our definition of reach vs theirs
 11/28/18, 11:29 PM - Romil Ramgaria Barc: Will be some gap there - but 4.5mn is my sense will be discounted by 20-30%. But still itâ€™s a decent number
 11/28/18, 11:29 PM - PDG&O: Yes
 11/28/18, 11:29 PM - Romil Ramgaria Barc: For sidharth or Shantanu we can also look at position of head international

12/4/18, 1:55 PM - PDG&O: Why is Varun Kohli of ITV reaching out to me thru Mubin and not our Partnership team?

12/4/18, 1:55 PM - PDG&O: Do they not know him well

12/4/18, 1:56 PM - Romil Ramgaria Barc: ITV is trying to reach out through everyone. Shantanu also had met the editor earlier. They want to meet up as they feel we are cutting their numbers etc

12/4/18, 1:57 PM - Romil Ramgaria Barc: Separately they have given instructions to lawyers to not go slow on the case and press hard for defamation

12/4/18, 1:57 PM - PDG&O: Ok

12/4/18, 1:57 PM - Romil Ramgaria Barc: Where V6 and TV9 wanted to withdraw but being common lawyers they are also going ahead

12/4/18, 1:57 PM - PDG&O: But I find it strange that Mubin is in circulation more than our team

12/4/18, 1:57 PM - Romil Ramgaria Barc: We have asked to discuss offline with v6 and TV9 if they withdraw will be better

12/4/18, 1:58 PM - PDG&O: Mubin

12/4/18, 1:58 PM - Romil Ramgaria Barc: Since itâ€™s asking for damages

12/4/18, 1:59 PM - PDG&O: Hi Partho. Varun Kohli, Group CEO, ITV Network wanted to meet you. Have sent the following message to Nitika...

Hi Nitika! Mr. Varun Kohli, Group CEO, ITV Network, is in Mumbai on Thursday and would like to have a 15 minute courtesy meeting with Partho. Can you please check and co-ordinate with him if it is possible? His number is +91 98104 06791.

12/4/18, 5:10 PM - Romil Ramgaria Barc: I have switched off the gain theory license since last 4/5 days. They have called to activate

12/4/18, 5:11 PM - Romil Ramgaria Barc: They havenâ€™t paid us anything. They are not using the data responsibly and have made loose comments on outlier mechanism. Also they made a comment in advertiser meeting that we cannot do something which they can. Further IMRB doesnâ€™t help us on any data requests and doesnâ€™t work like partners. Letâ€™s be tough.

12/4/18, 5:11 PM - Romil Ramgaria Barc: These are the points in case someone calls up etc

12/4/18, 5:12 PM - PDG&O: Ok

12/4/18, 5:12 PM - PDG&O: But keep an official mail ready

12/6/18, 4:19 PM - PDG&O: Best to guide them to CESP

12/6/18, 4:19 PM - PDG&O: I told him since EY Florida uses indian manpower it's not safe

12/6/18, 4:19 PM - Romil Ramgaria Barc: I also think so - since they have seen the system will be little more controllable

 12/14/18, 2:30 PM - Romil Ramgaria Barc: She may raise that today also and may ask BARC what is our feeling
 12/14/18, 2:30 PM - Romil Ramgaria Barc: We will say the following - which we had said to MRSI also earlier
 12/14/18, 2:30 PM - Romil Ramgaria Barc: Volatility:
 Since the NCCS could change with the change of just one durable, it was highly volatile
 NCCS of HHs changed between the time the UE study / listing exercise was conducted and approaching them for empanelment
 More critically, empanelled HHs changed NCCS &A" which has potential to create issues with the panel
 This volatility was most apparent in the lower NCCS which were upgrading as durable ownership became more accessible to people across the spectrum

Social Classification:
 Over time, NCCS was becoming increasingly less discriminatory in terms of viewership. Certain &A"niche&A" groups of genres or channel types (e.g. English, HD, Business etc.) were &A"democratic&A" in terms of viewing patterns across NCCS. This demonstrated that discrimination on social parameters was weakening
 As a result, the system was less efficient for use by stakeholders to make adequate programming or advertising decisions

12/14/18, 2:32 PM - PDG&A: Ok
 12/14/18, 6:55 PM - PDG&A: IWM approached Sonali Krishna to moderate a session

1/10/19, 7:00 PM - PDGÂ: do we have an explanation on Zee rise in that period pointed by Sudhanshu

1/10/19, 8:59 PM - PDGÂ: Star Plus declined by 34 GRPs in Wk52â€™18 amongst MF15+ HSM Urban.

Drop is driven by regular viewer : 30K view us every week ; 23K were common to both Wk51 & Wk52.

Drop is not consistent in this group : for 10 K viewership grew (+37GRP) while for 13 K viewership fell (-68 GRP). Resulting in a net fall of 31 GRP.

A small set of individuals is driving the drop : About 2.0 K individuals contribute to 70% of the drop. They are spread across multiple markets. Interestingly these Individuals and even the HHLD continue to be on TV but are not sampling Star Plus.

1/11/19, 3:35 PM - PDG&A: Dear Business Associate,

Two weeks ago, we, at Stratagem Media, mailed you a presentation on the viewership position of 6 leading TV networks, in view of the latest TRAI ruling on channel subscriptions.

Now, we're happy to present a fresh analysis as well as consequent guidelines on

How to buy big ticket programs like
World TV Premiers (WTP&A's) of Bollywood movies

For this exercise, we collated data (and analysed the performance of) 68 WTP&A's of Bollywood titles over the last two years, with the aim of laying down a set of guidelines for media practitioners, (especially TV planners/ buyers & sellers).

We would be happy to have your feedback / suggestions.

We also hope to keep you watching this space for more.

In the meantime, happy reading, &A;. And of course, have a great year ahead.

1/13/19, 11:40 AM - PDG&A: Going by the mails - it's urgent and important that we prove the viewers came to watch and didn't like and moved to other options

1/13/19, 11:40 AM - PDG&A: For star Plus

1/13/19, 2:07 PM - PDG&A: If you are ready - you should now respond to Sumantas mail to say the behaviour is normal and give a couple of weeks behaviour to show that - also that people stepping into shows are moving out

 1/18/19, 11:41 AM - PDG&O: i think good idea in a way
 1/18/19, 11:41 AM - PDG&O: in which case all premium panel homes we should give the UK meter asap
 1/18/19, 11:44 AM - Romil Ramgaria Barc: Yes good idea - will do once we have the reality mine signed
 1/18/19, 11:45 AM - PDG&O: yes - we dont have licenses for trial installations?
 1/18/19, 11:45 AM - PDG&O: only 2000 odd homes right?
 1/18/19, 11:46 AM - Romil Ramgaria Barc: Yes roughly that. We have 200 trial which we have consumed. Can get 50 more and do some trials now. However the agreement should get closed in 2-3 weeks
 1/18/19, 11:47 AM - PDG&O: for 2000 homes you may need about 7000 licenses
 1/18/19, 11:47 AM - PDG&O: but it will be a powerful foot in the door in TV+Digital

The grapevine is that Union Transport Minister Nitin Gadkari gave media baron Subhash Chandra the cold shoulder recently. It appears that several Central road projects awarded to Chandra's Essel Infraprojects were executed shoddily. When Chandra went to meet Gadkari to resolve the issue, the Minister not only made him wait for an hour-and-a-half outside his office, but also warned of confiscating Essel Infraprojects's bank guarantee money, if it did not mend its ways. Gadkari apparently has given a three-month notice to Essel to implement road projects to the satisfaction of his department or face action.

1/22/19, 7:42 AM - PDG&@: Ok

1/22/19, 7:59 AM - Romil Ramgaria Barc: We will inform star that we are pitching to sony and if we get them we will invest behind bettering the methodology

1/22/19, 7:59 AM - PDG&@: Pls tell Vikas that we received no other letter and his letter was too broad based and we already have a policy on this

1/22/19, 8:00 AM - PDG&@: Yes

1/22/19, 8:00 AM - Romil Ramgaria Barc: Hmm ok

1/22/19, 8:01 AM - PDG&@: And now it's too late

1/22/19, 8:24 AM - Romil Ramgaria Barc: <Media omitted>

1/22/19, 8:25 AM - Romil Ramgaria Barc: Received this list yesterday and have sent to Suma and Venkat

1/22/19, 8:25 AM - Romil Ramgaria Barc: Hugh tampering in AP and karanataka by producers

1/22/19, 8:25 AM - Romil Ramgaria Barc: Getting this checked with common names also as per article

1/22/19, 8:26 AM - PDG&@: Ok

1/22/19, 8:26 AM - PDG&@: Got it from some channel?

1/22/19, 8:27 AM - PDG&@: Like Kerala should we propose to meet the biggies and say we will stop ratings in the market?

1/22/19, 8:28 AM - Romil Ramgaria Barc: From a producer who is in pain

1/22/19, 8:28 AM - Romil Ramgaria Barc: Please do something sir & do justice for genuine producers like me ॐ-ॐ

1/22/19, 8:28 AM - Romil Ramgaria Barc: My worry is I invested all my money and took loans for this business and if they stopped my serial I'm totally gone sir

1/22/19, 8:28 AM - PDG&@: Hmmm

1/22/19, 8:28 AM - Romil Ramgaria Barc: I can trust this guy - very honest

1/22/19, 8:29 AM - Romil Ramgaria Barc: We should - and tell itâ€™s an issue and we can double up the sample in these two markets if they can invest more

1/22/19, 8:30 AM - PDG&@: Ok let's think on this

1/22/19, 8:31 AM - PDG&@: Maybe put an advisory this week??

1/22/19, 8:32 AM - Romil Ramgaria Barc: Hmm we can - for both the markets

1/22/19, 8:34 AM - Romil Ramgaria Barc: Or it will look reactive to the article? Most likely I Venkat may also forward or raise in the board meeting - so May be better to put

1/22/19, 8:53 AM - PDG&@: Yes

1/22/19, 11:07 AM - Romil Ramgaria Barc: Checked both pmo and mib: at multiple levels: they say unaware and uninterested in dd being in English genre.

1/22/19, 11:07 AM - Romil Ramgaria Barc: Message From Arnab

1/22/19, 11:07 AM - Romil Ramgaria Barc: Spoke to vikas - they are requesting not to do this -

1/22/19, 11:07 AM - PDG&@: boss cant do much now - we can institute a consultation once we get some more requests - we already have a policy and have to act on it

1/22/19, 11:07 AM - PDG&@: even your letter was asking us to have a policy - which we have

1/22/19, 11:07 AM - PDG&@: trust me - i asked Shashi too - he says you will not be affected in ad sales

1/22/19, 11:07 AM - PDG&@: he also was not supportive of this at this stage - we cant take any risk of antagonising Govt

1/22/19, 11:07 AM - PDG&@: thanks to Madam they already have a weird opinion

1/22/19, 11:08 AM - PDG&@: i got too - this is what i wrote
 1/22/19, 11:08 AM - Romil Ramgaria Barc: He is arranging for revised republic letter and one more from NDTV
 1/22/19, 11:10 AM - Romil Ramgaria Barc: It&e's unlikely letter will come in the next 2-3 hours today- I will not push vikas on the letters anymore - should we go ahead and release it in the genre?
 1/22/19, 11:10 AM - PDG&@: in my view yes
 1/22/19, 11:11 AM - PDG&@: we can still review policy once letters come
 1/22/19, 11:11 AM - Romil Ramgaria Barc: Yes ok
 1/22/19, 11:18 AM - Romil Ramgaria Barc: Venkat has pushed back heavily in last 2 weeks with ETV and ZEE on tampering - hence he feels that if we take this advisory out may impact his version which was very recent -
 1/22/19, 11:19 AM - Romil Ramgaria Barc: The position we are maintaining is that 70% of homes have been changed in the last 6-9 months in AP market
 1/22/19, 11:23 AM - PDG&@: Just had a word with Punit Mishra
 1/22/19, 11:23 AM - PDG&@: Pls call
 1/22/19, 11:35 AM - PDG&@: pls tell him we can take it up for review later but it has to go like what is stated in our present policy - for now
 1/22/19, 11:35 AM - PDG&@: tell him even Shashi doesnt agree to this change till a review is done
 1/22/19, 11:35 AM - PDG&@: they should have woken up when we told them earlier some six months back
 1/22/19, 11:36 AM - PDG&@: and Shashi like me thinks it will not affect their sales
 1/22/19, 11:45 AM - Romil Ramgaria Barc: Yes have told him
 1/22/19, 3:33 PM - PDG&@: For panel representativeness should we not ask TRAI and MIB to give us which channel is available in how many homes and where post NTO?
 1/22/19, 3:33 PM - PDG&@: What do you think
 1/22/19, 3:34 PM - PDG&@: We will otherwise need a BI right? For estimating Universe?
 1/22/19, 3:36 PM - Romil Ramgaria Barc: We can possibly give them a format - let&e's ask from them - ideally they can get this info and push it to us
 1/22/19, 3:37 PM - PDG&@: Yes we should also push them
 1/22/19, 3:37 PM - PDG&@: And write this is fir panel representativeness
 1/22/19, 3:38 PM - Romil Ramgaria Barc: Yes ok
 1/22/19, 3:38 PM - PDG&@: Rathore s comment what we heard was not good
 1/22/19, 3:38 PM - PDG&@: We are just not building relationships there
 1/22/19, 3:38 PM - PDG&@: So we push them hard so that they listen to us
 1/22/19, 3:39 PM - PDG&@: Or we raise questions in public platforms to embarrass
 1/22/19, 3:39 PM - Romil Ramgaria Barc: My sense is neither will help - TRAI and MIB are disconnected
 1/22/19, 3:39 PM - Romil Ramgaria Barc: At least we have a good equation in TRAI
 1/22/19, 3:39 PM - Romil Ramgaria Barc: MIB for us is weak
 1/22/19, 3:40 PM - PDG&@: Yes I agree so we write to MIB - they will refer it to TRAI
 1/22/19, 3:40 PM - Romil Ramgaria Barc: We need to build more equity there - specially with Khare - but now he may also be gone - hence directly with Rathore only
 1/22/19, 3:40 PM - PDG&@: But MIB will also know that they are unaware
 1/22/19, 3:41 PM - PDG&@: Khare news - not sure now - two people told me it's untrue
 1/22/19, 3:41 PM - Romil Ramgaria Barc: We can write to MIB in response to their rating suspension letter to us

1/23/19, 7:03 AM - PDG&@: My exchange with Praveen last night after his chat with vivek

1/23/19, 7:03 AM - PDG&@: From Shashi

1/23/19, 11:27 PM - PDG&@: Wtf is Shantanu and Seema saying??

1/23/19, 11:27 PM - PDG&@: Pls read mails

1/23/19, 11:32 PM - Romil Ramgaria Barc: 60% is basis content duration. For defining regional for the 6 states or 70% threshold is basis viewership

1/23/19, 11:34 PM - PDG&@: Can't we clear on such things

1/23/19, 11:34 PM - PDG&@: Than give a narrative that can lead to doubts?

1/23/19, 11:34 PM - PDG&@: And people asking five more questions

1/23/19, 11:35 PM - PDG&@: Are we working on giving self goals??

1/23/19, 11:38 PM - Romil Ramgaria Barc: It can be more clear but If one reads with above understanding again it is somewhat clear that channel genre is basis duration and regional is basis viewership

1/23/19, 11:40 PM - PDG&@: But why bring in regional issue when in this context it's not required

1/23/19, 11:40 PM - PDG&@: It will simply make people ask more questions

1/23/19, 11:40 PM - PDG&@: And definitely we should amend the policy to be clear too but later

1/23/19, 11:41 PM - Romil Ramgaria Barc: That&@'s in the genre policy. Currently we are only talking about increase in news duration

1/23/19, 11:41 PM - PDG&@: Yes so why bring in viewership as written by Seema

1/23/19, 11:41 PM - PDG&@: It's just about news duration

1/23/19, 11:41 PM - Romil Ramgaria Barc: She cut pasted the entire genre policy

1/23/19, 11:42 PM - PDG&@: Look at her first draft

1/23/19, 11:42 PM - PDG&@: We need to understand context

1/23/19, 11:42 PM - PDG&@: And not Witte something to make people ask more questions

1/23/19, 11:42 PM - PDG&@: Just the way I did - any reader or journo will do that

1/23/19, 11:43 PM - PDG&@: Write

1/23/19, 11:44 PM - Romil Ramgaria Barc: Yes - true. Her response was not direct

1/23/19, 11:46 PM - PDG&@: Pls get this team in line Romil - not proactive - doesn't think thru

1/24/19, 12:17 PM - Romil Ramgaria Barc: Revenue head I think - let me check

1/25/19, 12:39 PM - PDG&@: for all you know - if MSOs go by the books - they may not carry CNBC

1/25/19, 12:39 PM - PDG&@: and advertisers would penalise them and ask for make goods - advertisers will go by what they would have been told

1/25/19, 12:40 PM - PDG&@: and hence that other mail on MSO/DTH tracking from 1st Feb

1/25/19, 12:40 PM - Romil Ramgaria Barc: But other mail you meant base pack?

2/12/19, 1:17 PM - Romil Ramgaria Barc: Yes - we need to think through of replacement there and also core tech comm -

2/12/19, 1:32 PM - PDG&@: Told NP about this

2/12/19, 1:32 PM - PDG&@: Let him nominate

2/12/19, 5:15 PM - PDG&@: Every point mentioned is being done. The attack by barkha along with my response at the zee event has helped as you said increase buzz. Did a tracker of geo launches and saw a reach buildup in 3 weeks but not taking that for granted and initiating the action.

2/12/19, 5:15 PM - PDG&@: From arnab

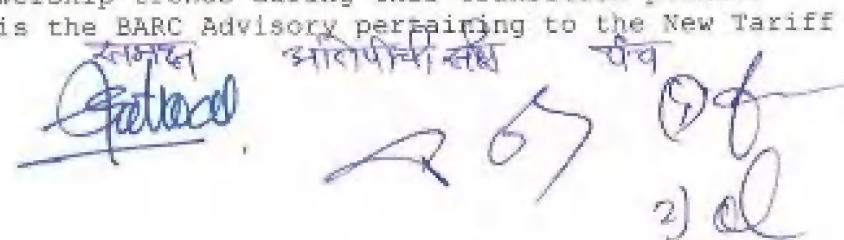

2/12/19, 5:16 PM - PDG&@: See the last point

2/12/19, 6:55 PM - Romil Ramgaria Barc: Dear Subscriber, With the TRAI New Tariff Order taking effect, BARC India will continue to release viewership ratings on every Thursday to subscribers.

However given the changes taking place on ground the viewership numbers will be volatile and unpredictable. So BARC India will temporarily stop publishing viewership numbers to the press and public domain (Website, App, Heads-up, Alpha Club, Kids report, etc) for the transition period till the situation on ground settles down. This will be effective from Week 6 onwards.

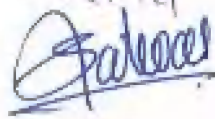

During this period, BARC India will also not be able to answer questions on changes in viewership trends during this transition period.

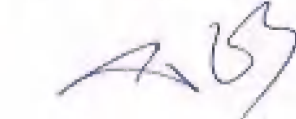

Also attached is the BARC Advisory pertaining to the New Tariff order.

2/13/19, 8:02 PM - PDG&C: When say India today plays DD feed - like republic day - the watermark detected by our Meter is of DD or india today

2/13/19, 8:13 PM - Romil Ramgaria Barc: India today

2/13/19, 8:13 PM - Romil Ramgaria Barc: Because they take the clean feed pre watermark from DD

2/13/19, 8:19 PM - PDG&C: Ok

2/13/19, 8:19 PM - PDG&C: They can get clean feed is it?

2/13/19, 8:19 PM - Romil Ramgaria Barc: Yes

2/13/19, 8:19 PM - PDG&C: But live events ?

2/13/19, 8:19 PM - Romil Ramgaria Barc: There also they take pre uplink

2/13/19, 8:19 PM - PDG&C: How

2/13/19, 8:19 PM - Romil Ramgaria Barc: Because all ratings gets attributed to respective channels

2/13/19, 8:20 PM - PDG&C: Yes numbers show that

2/13/19, 8:20 PM - PDG&C: But I wonder if a clean feed is given

2/13/19, 8:21 PM - PDG&C: I think they take off their normal feed

2/13/19, 8:21 PM - PDG&C: In which case watermark May get overwritten

2/13/19, 8:21 PM - PDG&C: Which is not what we knew

2/13/19, 8:21 PM - Romil Ramgaria Barc: No, WM doesn't get overwritten

2/13/19, 8:21 PM - Romil Ramgaria Barc: Two feeds from the live goes

2/13/19, 8:22 PM - PDG&C: Yes that's what we know

2/13/19, 8:22 PM - Romil Ramgaria Barc: One to uplink and another clean to channels

2/13/19, 8:22 PM - PDG&C: Just double check this once

2/13/19, 8:22 PM - Romil Ramgaria Barc: That's why there is a marginal delay of few seconds between DD and others

2/13/19, 8:22 PM - PDG&C: So many news channels

2/13/19, 8:22 PM - Romil Ramgaria Barc: Have double checked

2/13/19, 8:22 PM - PDG&C: Ok

2/13/19, 8:22 PM - PDG&C: So it would make sense if DD stops giving two feeds

2/13/19, 8:23 PM - PDG&C: For DD

2/13/19, 8:23 PM - Romil Ramgaria Barc: For DD yes - but will be unfair to other channels na

2/13/19, 8:23 PM - PDG&C: Yes

2/13/19, 10:22 PM - Romil Ramgaria Barc: Given the disruption taking place on ground, BARC india requests subscribers to refrain from using data of this period for leadership claims/comparisons or any form of public communications with viewership numbers

2/13/19, 10:22 PM - Romil Ramgaria Barc: I think we should add this line also in tomorrow's info

2/13/19, 10:41 PM - PDG&C: Ok

2/14/19, 11:16 AM - Romil Ramgaria Barc: I think 630 and 730 for MAA we should start controlling slowly

2/14/19, 11:23 AM - PDG&C: Yes let's do

2/14/19, 11:23 AM - PDG&C: Now that we have warned

2/14/19, 3:34 PM - PDG&C: Need a tight deck which says data is not only volatile but inconsistent

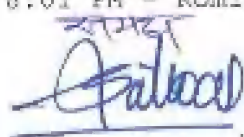

2/14/19, 3:34 PM - PDG&C: This is for clients like Amazon who are doubting agency

2/14/19, 3:34 PM - PDG&C: Can you put this together quickly

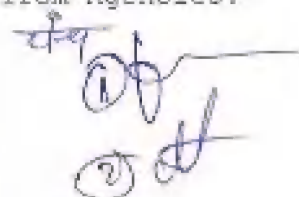

2/14/19, 5:52 PM - PDG&C: Is this being done?

2/21/19, 10:39 AM - Romil Ramgaria Barc: Ok
2/21/19, 10:39 AM - PDG&A: Also pls chase Prashant to get a data flow audit done
2/21/19, 10:40 AM - PDG&A: Either govt or ibf will do a audit
2/21/19, 10:40 AM - PDG&A: We should be ready by doing a dry run by someone else
2/21/19, 10:41 AM - Romil Ramgaria Barc: Activating this
2/21/19, 10:43 AM - PDG&A: Some audit will come sooner than we think
2/21/19, 10:43 AM - PDG&A: So we should finish ours soon
2/21/19, 10:44 AM - Romil Ramgaria Barc: Ok
2/21/19, 11:19 AM - Romil Ramgaria Barc: 3 options:-

a) Take a stake between 10% - 25% in the main entity. It will give us a voice in the board. Will also give us some control over the technology. However, it is an expensive option.

b) Incorporate the JV - JV will focus on meter development, products and playout monitoring. While incorporating the JV, we can incorporate obligation clauses which restricts Sensara from doing competing products for any other entity even through its main entity. BARC Will have a controlling stake in this JV. The JV can incorporate restrictions on Sensara for areas which are of strategic interest to BARC.

c) Exclusivity to BARC by Sensara for meter related activities, playout monitoring and ratings monetization related products.

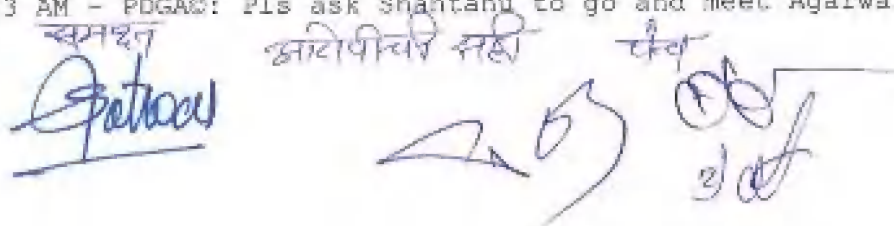

2/21/19, 11:20 AM - Romil Ramgaria Barc: For discussion purposes with sensara - in the same order of priority

2/21/19, 11:22 AM - PDG&A: Ok
2/21/19, 7:35 PM - PDG&A: Gupta will meet me at 5

2/21/19, 7:36 PM - PDG&A: He only called back
2/21/19, 7:36 PM - Romil Ramgaria Barc: It will only boost his confidence thinking its consumer choice
2/21/19, 7:36 PM - PDG&A: Says the next letter will be stern
2/21/19, 7:36 PM - PDG&A: Yes?~S
2/21/19, 7:37 PM - Romil Ramgaria Barc: Will send you the ppt but don't think you should show - keep it s a back up but largely talk out

2/21/19, 7:39 PM - PDG&A: Ok
2/21/19, 7:39 PM - PDG&A: These slides pls
2/21/19, 7:40 PM - Romil Ramgaria Barc: Pointers - 1) Too much feeling of TRAI directions despite self regulation 2) barc may become irrelevant if digital doesn't happen in 2/3 years hence self regulation is key 3) we are with you and absolutely working independently but data that we are releasing is not consumer choice but forced switch offs 4) help us to help you 5) cost issue, hence can govt fund through some funds

2/21/19, 7:40 PM - PDG&A: Ok
2/21/19, 8:33 PM - PDG&A: Itc is interested in TV plus digital
2/21/19, 8:33 PM - PDG&A: Minus Isa

 2/26/19, 3:00 PM - Romil Ramgaria Barc: Accordingly will brief lawyers -
 2/26/19, 3:01 PM - PDGAS: punit feels we should not comply - they should push us to go to court - i was pushing a bit - seems he got irritated

 2/28/19, 12:17 PM - Romil Ramgaria Barc: Ok. Yes resending
 2/28/19, 12:17 PM - PDGAS: News 18 india has moved to a newly created lcn 299 as top 1 in the genre. they have in fact complained to trai against siticable this morning about the move. Being firmly established in the current lcn for over 5 years this results in loss of viewership for them. it will take a week at least for viewers to search and realign with the new lcn at top 1 for news 18 india, while with this upgradation, we get ready sampling of news 18 india on this high news period with neighbourhood of india tv and abp news
 2/28/19, 12:17 PM - PDGAS: Sir I've also done an analysis
 2/28/19, 12:17 PM - PDGAS: also to give an idea.. we did the same exercise in fastway ..upgraded to too 3 replacing zee news..our reach has jumped by 35 lakhs.. going by this..replacing with wwil should result in more than double the benefit of fastway change
 2/28/19, 12:17 PM - PDGAS: Boss we are working day and night on reach now
 2/28/19, 12:18 PM - PDGAS: Arnab's
 2/28/19, 12:18 PM - PDGAS: Nobody has studied BARC like us. If you see my hotel room when the meeting ended at 3 am yesterday it was the most extreme extrapolation of BARC figures. Like 200 pages on each market info.
 2/28/19, 12:19 PM - Romil Ramgaria Barc:
 2/28/19, 12:19 PM - Romil Ramgaria Barc: I think he is on the right track
 2/28/19, 12:19 PM - PDGAS: Yes
 2/28/19, 12:21 PM - Romil Ramgaria Barc: This growth is also because of high activity in the genre last week which will continue this week als

3/14/19, 11:06 AM - Romil Ramgaria Barc: We control newsx in Delhi very heavily

3/14/19, 11:06 AM - PDGAS: asti should be in closer touch and we should not get these surprises on micro things when we are trying to discuss larger objectives - the discussions get hijacked

3/14/19, 11:07 AM - Romil Ramgaria Barc: Yes agree

3/14/19, 11:07 AM - PDGAS: but logically they looked right

3/14/19, 11:07 AM - PDGAS: and the discussion duration on that was too much

3/14/19, 11:08 AM - PDGAS: and most importantly why should we be surprised?

3/14/19, 5:24 PM - PDGAS: R Bharat had v little to do with Abhinandan - clear now. All is Reach on account of Freedish i.e. V V steeply overindexed FDish- One possibility

3/14/19, 5:24 PM - PDGAS: <Media omitted>

3/14/19, 5:24 PM - PDGAS: Overall going down.

3/21/19, 3:49 PM - PDG&@: Elbert didn't send back pdf version of Ashish with my comments

Chat With Romil Ramgaria

3/21/19, 4:03 PM - Romil Ramgaria Barc: Sudhanshu Ppt - harshita had sent it yesterday for PG - Sudhanshu will be abridged version of that

3/21/19, 4:03 PM - Romil Ramgaria Barc: Will get Elbert to sent

3/21/19, 4:03 PM - PDGAS: Ok

3/21/19, 8:47 PM - PDGAS: Are we saying Freedish households is 34 mil?

3/21/19, 8:49 PM - PDGAS: ??

3/21/19, 8:59 PM - Romil Ramgaria Barc: Around 30mn - 40% of rural -

3/21/19, 8:59 PM - Romil Ramgaria Barc: Let me check again

3/21/19, 8:59 PM - PDGAS: What is our last BI figure

3/21/19, 8:59 PM - PDGAS: The ppt shows 34

3/21/19, 9:00 PM - Romil Ramgaria Barc: 26mn

3/21/19, 9:00 PM - PDGAS: How do we justify 34 then?

3/21/19, 9:03 PM - Romil Ramgaria Barc: In our panel right now - 41% of rural and 10% of urban

3/21/19, 9:04 PM - PDGAS: That's ok but to say 34 is too much na

3/21/19, 9:04 PM - PDGAS: From 26 to 34?

3/21/19, 9:05 PM - Romil Ramgaria Barc: In a time of 12-15 months - but the expected no in mind of people is some 90% of rural

3/21/19, 9:05 PM - PDGAS: Are you convinced on this 34 number?

3/21/19, 9:05 PM - PDGAS: We will defend it then

3/21/19, 9:06 PM - Romil Ramgaria Barc: In actual it is much higher. This is after since last 12m we have stopped FD installation. So it looks fine

3/21/19, 9:08 PM - PDGAS: It cannot be about how much Meyers we have - weighting takes care of that - but let's get the numbers right

3/21/19, 9:10 PM - Romil Ramgaria Barc: Weighting is only on state TC NCCS. Currently we have similar viewership from FD and hence looks right. Any other number to defend may become challenging from all angles - and

3/21/19, 9:10 PM - Romil Ramgaria Barc: And also doesn't look high

3/21/19, 9:10 PM - PDGAS: Ok

3/21/19, 9:10 PM - Romil Ramgaria Barc: Overall around 15-16% of total HH

3/21/19, 9:11 PM - Romil Ramgaria Barc: And we should tell PG this is after stopping FD since last 12m

3/21/19, 9:11 PM - Romil Ramgaria Barc: May be we should tell this to all four

3/21/19, 9:15 PM - PDGAS: But that may give an impression that we are not following market but the other way

3/21/19, 9:39 PM - Romil Ramgaria Barc: Hmm - ok

3/21/19, 9:39 PM - PDGAS: Just say it's 34 now by our estimates

3/21/19, 10:09 PM - Romil Ramgaria Barc: Yes ok

3/21/19, 10:32 PM - PDGAS: We should start de installing some now

3/22/19, 7:29 AM - Romil Ramgaria Barc: I have to give you the note on Nielsen for Sunil kataria. Shall give it to you by tomorrow.

3/22/19, 10:39 AM - Romil Ramgaria Barc: For Bhasin - you Elbert and Aaditya are there

3/22/19, 10:39 AM - Romil Ramgaria Barc: For Sudhanshu - only you and Elbert

3/22/19, 10:40 AM - PDGAS: Yes

3/22/19, 10:40 AM - Romil Ramgaria Barc: For PG tomorrow - you me and Elbert. Was thinking of avoiding Rahul

3/22/19, 10:40 AM - PDGAS: Yes I was also thinking - hardly any finance issue

3/22/19, 10:40 AM - PDGAS: But was a good occasion to introduce him

3/22/19, 10:40 AM - Romil Ramgaria Barc: Yes - had included him because you mentioned last time to take him. But in the presentation hardly any issues

3/22/19, 10:41 AM - PDGAS: Also let these newcomers get used to our mad ways of Saturday meetings etc

3/22/19, 10:41 AM - Romil Ramgaria Barc: But may not leave any impact -

 3/29/19, 11:31 PM - Romil Ramgaria Barc: Mostly PE will pick them up - 60-70% is up for sale
 3/29/19, 11:32 PM - Romil Ramgaria Barc: Also BARB is likely to issue a tender in couple of weeks. For multiple things. For certain things we can also throw our hat in the ring - though zero chance but just to disrupt
 3/29/19, 11:32 PM - Romil Ramgaria Barc: Their new table meter is sub 300 dollar and is being tested right now -
 3/29/19, 11:33 PM - Romil Ramgaria Barc: Also they will announce in 2-3 weeks that they have fused RPD to currency for a European country - first in the world
 3/29/19, 11:36 PM - Romil Ramgaria Barc: Have also asked him to work with us on second screen solution
 3/29/19, 11:36 PM - Romil Ramgaria Barc: I think we should market this to Hotstar and ZEE5

 3/30/19, 12:48 AM - PDGAS: K
 4/1/19, 1:19 PM - Romil Ramgaria Barc: The COH data for 16th match is wrong - showing a 4% lift at total TV compared to 1%. I am thinking of pushing it with the set up files without informing specifically -
 4/1/19, 1:20 PM - Romil Ramgaria Barc: If any client asks we will update them verbally
 4/1/19, 1:26 PM - PDGAS: Ok
 4/1/19, 1:26 PM - PDGAS: But these mistakes are happening too many times now
 4/1/19, 1:26 PM - PDGAS: How do we ensure it doesn't happen
 4/1/19, 1:27 PM - PDGAS: Was it a MA failure? Or product
 4/1/19, 3:08 PM - Romil Ramgaria Barc: Yes agree - I think it skipped at multiple levels - also since there was no benchmark - but have told the team -
 4/1/19, 3:08 PM - Romil Ramgaria Barc: Have spoken to Rajiv
 4/1/19, 3:08 PM - Romil Ramgaria Barc: He is coming back in 10-15 mins

 4/1/19, 3:09 PM - PDGAS: 8Y-5
 4/1/19, 3:09 PM - Romil Ramgaria Barc: Am thinking of not calling it a show cause - will just say the subject as fair usage guideline

4/1/19, 3:10 PM - PDG&A: Yes I was about to suggest same
4/1/19, 3:10 PM - PDG&A: Show cause is very Government like
4/1/19, 3:10 PM - Romil Ramgaria Barc: Yes
4/1/19, 3:10 PM - Romil Ramgaria Barc: TRAI has leaked the notice to PTI
4/1/19, 3:10 PM - Romil Ramgaria Barc: Have asked Shantanu to draft a comment
4/1/19, 3:11 PM - Romil Ramgaria Barc: We should comment on it -
4/1/19, 3:11 PM - Romil Ramgaria Barc: On the lines of following MIB guidelines,
we are self regulatory and following board mandate
4/1/19, 3:11 PM - Romil Ramgaria Barc: Since PTI will get carried widely
4/1/19, 3:11 PM - Romil Ramgaria Barc: And also there will be follow up stories
from other publications
4/1/19, 3:25 PM - PDG&A: Hmm was expecting
4/1/19, 4:04 PM - PDG&A: We should get some intelligence on what NBA is reacting
with and what's the discussion
4/1/19, 4:04 PM - Romil Ramgaria Barc: Discussion is around we being prejudiced.
And TRAI May take advantage of this - let me chat
4/1/19, 4:06 PM - PDG&A: Tell Vikas to use their proximity to guide TRAI on barc
4/1/19, 4:06 PM - Romil Ramgaria Barc: Yes doing that
4/1/19, 4:06 PM - PDG&A: Otherwise it may not help them
4/1/19, 4:06 PM - PDG&A: I am encouraging Arnab to work towards dissolving NBA
4/1/19, 4:07 PM - PDG&A: You can follow that line
4/1/19, 4:27 PM - Romil Ramgaria Barc: Yes ok
4/1/19, 8:49 PM - Romil Ramgaria Barc: Apparently Rajat met jaithley recently on
Bharat. He got snubbed there saying itâ€™s professional and you should fight
accordingly
4/1/19, 8:53 PM - PDG&A: Heard this also - but in this case source is interested
party
4/1/19, 8:53 PM - PDG&A: So good if true but we should get more intel
4/1/19, 9:41 PM - Romil Ramgaria Barc: Any feedback on Punitâ€™s conversation on
data suspension?
4/1/19, 9:41 PM - Romil Ramgaria Barc: Else we should write to core tech comm on
decision forward?
4/1/19, 9:42 PM - PDG&A: No but Shashi sir says he sounded tense
4/1/19, 9:42 PM - Romil Ramgaria Barc: Hmm ok
4/1/19, 9:43 PM - PDG&A: He also mentioned to Shashi that he is worried about
NBA allegations on Republic
4/1/19, 9:43 PM - Romil Ramgaria Barc: Hmm
4/1/19, 9:44 PM - PDG&A: I told Shashi sir that we cut down even republic in the
data
4/1/19, 9:44 PM - PDG&A: He was asking if anyone should do a third party audit
on this - Praveen or someone
4/1/19, 9:44 PM - PDG&A: What do you think?
4/1/19, 9:45 PM - Romil Ramgaria Barc: We can get it done through KPMG or
Deloitte
4/1/19, 9:48 PM - PDG&A: Praveen? Will there be complications?
4/1/19, 9:48 PM - Romil Ramgaria Barc: There wonâ€™t be - but people may
question independence na?
4/1/19, 9:51 PM - PDG&A: Yes and he doesn't understand distribution but thinks
he understands ratings
4/1/19, 9:55 PM - Romil Ramgaria Barc: Distribution is not relevant for this.
4/1/19, 9:55 PM - Romil Ramgaria Barc: But we can get a paper prepared from him
to justify this
4/1/19, 10:00 PM - PDG&A: Hmm will you prefer him over KPMG or delloite?

2. Elbert had presented that we will be doing 1,500 meters for OOH last week and hence he would want 1,500 meters to be mentioned and not 1,250 - should we say 1,500 from year 2?
3. Quarterly invoices to be raised on the 1st month of the quarter, rather than one month in advance - I refused this. But seek your advice

4/2/19, 11:44 PM - Romil Ramgaria Barc: But tomorrow morning is better then tonight na - will get it sent before 10am

4/3/19, 10:54 AM - Romil Ramgaria Barc: Thank u sir

4/3/19, 5:57 PM - Romil Ramgaria Barc: <Media omitted>

4/3/19, 5:57 PM - Romil Ramgaria Barc: FCT slide - still republic is less then half of the top channels

4/3/19, 6:15 PM - PDGAS: Ok

4/3/19, 6:15 PM - PDGAS: Forwarded to shashi too

4/3/19, 6:22 PM - Romil Ramgaria Barc: Friday we should respond to the TRAI letter - not before that

4/3/19, 6:23 PM - PDGAS: Yes

4/3/19, 6:23 PM - Romil Ramgaria Barc: We are keeping the modified letter ready with nakulâ€s feedback and also expanding the board minutes point a bit

4/3/19, 6:23 PM - PDGAS: Send the modified letter here

4/3/19, 6:23 PM - Romil Ramgaria Barc: Also TRAI may either refer it back to MIB or move to court

4/3/19, 6:24 PM - Romil Ramgaria Barc: If they move to court(which is the more likely scenario) they will invoke sec 29 or sec 30

4/3/19, 6:25 PM - Romil Ramgaria Barc: Though we should keep our response ready, but we should move to court only after TRAI moves - that what I personally feel

4/3/19, 6:25 PM - PDGAS: Which is what

4/3/19, 6:25 PM - PDGAS: You think so? Pls take DSK view too

4/3/19, 6:26 PM - PDGAS: I don't want to be called to court by magistrate just like that

4/3/19, 6:26 PM - PDGAS: Let the whole board be called

4/3/19, 6:25 PM - Romil Ramgaria Barc: Our response will be ready over the weekend from DSK

4/3/19, 6:27 PM - PDGAS: Ok

4/3/19, 6:27 PM - Romil Ramgaria Barc: Let me chat with DSK - will also speak to Shantanu and try to find what is going inside. Though they will be reluctant to share anything right now - or move them to call entire board

4/3/19, 6:28 PM - PDGAS: Ok

4/3/19, 6:28 PM - PDGAS: Pls keep me informed

4/3/19, 6:28 PM - PDGAS: Also let's get paperwork in order

4/3/19, 6:28 PM - PDGAS: No loose ends

4/4/19, 12:02 PM - Romil Ramgaria Barc: We should send the last board minutes to board before we send the TRAI response. Itâ€s pending with Punit for approval I think I

4/4/19, 12:16 PM - PDGAS: Is it?

4/4/19, 12:16 PM - PDGAS: I have to find

4/4/19, 12:16 PM - PDGAS: Can you talk to roshni to fish it out

4/4/19, 12:16 PM - PDGAS: And she can talk to Punit and send the approval

4/4/19, 12:17 PM - Romil Ramgaria Barc: Ok. Can you forward me the mail which you had sent to him? Or someone will have him?

4/4/19, 12:18 PM - PDGAS: Yes I have to find that

4/4/19, 12:18 PM - PDGAS: No computer here

4/4/19, 12:19 PM - PDGAS: I will try but if one knows around when then one can tell Roshni

4/4/19, 1:00 PM - PDGAS: We should get comms team to collect all articles which say there is a problem of TRAI implementation - for last six weeks

4/4/19, 1:00 PM - PDGAS: May need for legal

4/4/19, 1:52 PM - PDGAS: Important to involve board and chairman

4/4/19, 2:05 PM - Romil Ramgaria Barc: Should I send the changed draft to Punit and Shashi now - or some time later since you would be forwarding the Shantanu mail to them

4/4/19, 2:19 PM - PDGAS: I have forwarded that - addition of techcomm members was a good idea

4/4/19, 2:19 PM - PDGAS: We should push for this with trail

4/4/19, 2:19 PM - PDGAS: Shantanu must get a meeting with gupta Tomorrow

4/4/19, 2:20 PM - PDGAS: Yes you send - saying based on nakuls feedback - also ask clearly which draft to use - earlier one(which got circulated to board members) or this new one

4/4/19, 2:21 PM - PDGAS: Also say in the absence of any other comments we should shoot the reply to TRAI by end of day on 5th

4/4/19, 2:32 PM - PDGAS: Did shantanu call him or he called

4/4/19, 2:33 PM - Romil Ramgaria Barc: Shantanu was there to present for week 13 - and anil met him there

4/4/19, 2:33 PM - PDGAS: Ok

4/4/19, 2:33 PM - PDGAS: Did they get thru the ppt

4/4/19, 2:33 PM - PDGAS: When you meet you should say - we are extending all cooperation

4/4/19, 2:34 PM - PDGAS: And help you with what you want

4/4/19, 2:34 PM - PDGAS: Why is a small issue being blown out of proportion

4/4/19, 2:34 PM - PDGAS: And if so include board and techcomm

4/4/19, 2:34 PM - PDGAS: Who are very much part of the decision

4/4/19, 2:34 PM - PDGAS: Why officers only

4/4/19, 2:35 PM - PDGAS: In a way then it will become a bigger issue and whole industry will be affected and TRAI will lose face

4/4/19, 2:35 PM - PDGAS: With articles like that of India television

4/4/19, 2:35 PM - PDGAS: Can we get ET and Mint to write similar stories? Also BS?

4/4/19, 2:37 PM - Romil Ramgaria Barc: They did not go through the ppt - anil met on the sidelines

4/4/19, 2:37 PM - Romil Ramgaria Barc: For 10 mins

4/4/19, 2:37 PM - Romil Ramgaria Barc: Told him to implicate others - but he didn't sound convinced

4/4/19, 2:37 PM - Romil Ramgaria Barc: Trying for a meeting tomorrow

4/4/19, 2:37 PM - Romil Ramgaria Barc: Let us see if we can get more stories around this

4/4/19, 2:47 PM - Romil Ramgaria Barc: Meeting group m team now on NTO discussion - have PT also with me

4/4/19, 2:47 PM - Romil Ramgaria Barc: Post that for renewal discussion

4/4/19, 3:13 PM - PDGAS: Ok

4/4/19, 3:16 PM - PDGAS: This you need to tell Sunil direct - I can meet him too on Friday - tell him am on a holiday this week

4/4/19, 3:18 PM - Romil Ramgaria Barc: You mean next Friday?

4/4/19, 3:19 PM - PDGAS: Yes

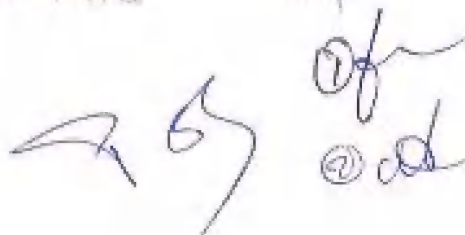

4/4/19, 3:22 PM - Romil Ramgaria Barc: Anyways for us action will happen much before that - currently have checked for a meeting tomorrow

4/4/19, 5:45 PM - PDGAS: With week 13 release - we should have a para drafted on how the numbers are - relative stability/instability - which genres yet to recover to normal levels

4/4/19, 8:48 PM - PDGAS: Say this

4/4/19, 8:49 PM - PDGAS: They should gun for their enemies not us

4/4/19, 9:12 PM - Romil Ramgaria Barc: Yes

4/5/19, 10:35 AM - PDGAS: Another thing you can stress on is that by releasing public data - big broadcasters won't have much to lose - look at Turner, discovery, Disney, bco1 - all small ones will die because with the data even small LCOs and MSOs will hike their carriage demands - it will be chaos

4/5/19, 1:35 PM - PDGAS: Taking a flight - will be down in one and half hours

4/5/19, 1:36 PM - PDGAS: Text once your meeting is done

4/5/19, 1:36 PM - PDGAS: Will call

4/5/19, 3:53 PM - PDGAS: Cool

4/5/19, 4:58 PM - PDGAS: Punit in delhi

4/5/19, 4:58 PM - Romil Ramgaria Barc: Do you want to call him? Rather then waiting for him to see the message

4/5/19, 4:59 PM - PDGAS: I asked roshni to check

4/5/19, 4:59 PM - PDGAS: Yes i will do that

4/5/19, 5:06 PM - PDGAS: Call him after an hour and keep me posted on WhatsApp

4/5/19, 5:06 PM - Romil Ramgaria Barc: Should we send a holding reply or wait?

4/5/19, 5:06 PM - Romil Ramgaria Barc: And send by 7pm?

4/5/19, 5:06 PM - Romil Ramgaria Barc: Will WhatsApp him around 6

4/5/19, 5:06 PM - PDGAS: Emirates flight may have wifi

4/5/19, 5:06 PM - Romil Ramgaria Barc: Ok

4/5/19, 5:08 PM - PDGAS: Call him

4/5/19, 5:11 PM - Romil Ramgaria Barc: Ok

4/5/19, 5:12 PM - PDGAS: Around 615 I would say

4/5/19, 5:12 PM - Romil Ramgaria Barc: Ok

4/5/19, 5:16 PM - PDGAS: If Punit says let's maintain what we are doing then we move court on Monday

4/5/19, 5:17 PM - Romil Ramgaria Barc: Yes. Am on a call only with lawyers.

4/5/19, 5:18 PM - PDGAS: When you talk pls explain to him that TRAI will keep needling us now

4/5/19, 5:18 PM - Romil Ramgaria Barc: Write will be ready by tomorrow evening

4/5/19, 5:18 PM - Romil Ramgaria Barc: Most likely will block Kapil Sibal

4/5/19, 5:18 PM - PDGAS: So maybe we buy this peace and then move court asking validity of TRAI in governing us

4/5/19, 5:18 PM - PDGAS: Ok

4/5/19, 5:18 PM - Romil Ramgaria Barc: Yes. DK was saying, we were planning to do so many things together but now all gone

4/5/19, 5:19 PM - Romil Ramgaria Barc: Sharma has formed a negative view and it's all flowing from there

4/5/19, 5:19 PM - Romil Ramgaria Barc: Why move to court boss. Honestly they have been reasonable with us and heard us. And we have got our things done. We need to continue to play the ball

4/5/19, 5:20 PM - Romil Ramgaria Barc: They have been against certain groups

4/5/19, 5:20 PM - PDG&O: Just to pacify punit

4/5/19, 5:20 PM - PDG&O: We will buy time that way

4/5/19, 5:20 PM - PDG&O: Yes

4/5/19, 5:20 PM - PDG&O: Yes

4/5/19, 5:21 PM - Romil Ramgaria Barc: Should I suggest him this? That we comply and then move to court challenging TRAI authority.

4/5/19, 5:21 PM - PDG&O: Trai will screw shareholding issues anyways in the new regulation recommendations

4/5/19, 5:22 PM - PDG&O: You judge how the discussion goes

4/5/19, 5:22 PM - Romil Ramgaria Barc: Honestly I fell we will loose the case - which will strengthen TRAI further - and they will screw us in consultation

4/5/19, 5:22 PM - PDG&O: Yes it's 50:50 - such technicalities judges don't understand

4/5/19, 5:23 PM - Romil Ramgaria Barc: Just by our action, we have agreed to their TRAI by our conduct in last five years

4/5/19, 5:23 PM - Romil Ramgaria Barc: Which a normal judge will give more credence according to me

4/5/19, 5:23 PM - PDG&O: Yes

4/5/19, 5:23 PM - PDG&O: Why Punit is in this combative mood I wonder

4/5/19, 5:24 PM - Romil Ramgaria Barc: And the registration document is very clear on TRAI directives - we can knit pick but don't think we will have a strong end ground

4/5/19, 5:24 PM - PDG&O: True

4/5/19, 5:24 PM - Romil Ramgaria Barc: Yes - and don't know who he will call in this one hour -

4/5/19, 5:24 PM - Romil Ramgaria Barc: May be NP or Uday

4/5/19, 5:24 PM - PDG&O: Monday we should have some articles on TRAI over reach

4/5/19, 5:24 PM - PDG&O: Maybe SC

4/5/19, 5:25 PM - PDG&O: Maybe he doesn't want his numbers out in public domain for valuation fears

4/5/19, 5:25 PM - PDG&O: Fears

4/5/19, 5:25 PM - Romil Ramgaria Barc: Yeah may be -

4/5/19, 5:26 PM - PDG&O: Maybe his instructions not to budge

4/5/19, 5:26 PM - Romil Ramgaria Barc: Hmm. We will get screwed in the process

4/5/19, 5:27 PM - Romil Ramgaria Barc: Vigilance initially and now legal. It is less analytics and more this value destruction elements - but action never ends in life!!

4/5/19, 5:33 PM - PDG&O: True

4/5/19, 6:05 PM - PDG&O: Tell Punit it will be difficult to convince judge on technicalities

4/5/19, 6:05 PM - Romil Ramgaria Barc: Hmm. Yes

4/5/19, 6:19 PM - PDG&O: You did tell Sunil gupta about holding reply today isn't it?

4/5/19, 6:19 PM - PDG&O: Will you seek till Monday or Tuesday

4/5/19, 6:19 PM - Romil Ramgaria Barc: Time till Monday

4/5/19, 6:19 PM - Romil Ramgaria Barc: I did tell him

5/2/19, 11:39 AM - PDGAS: Sir, can you ask your good friend Partho to reduce the cost of phase 2 of BARC project. It is too high right now. The scale should bring in more efficiency

5/2/19, 11:39 AM - PDGAS: From sujata Amazon

5/2/19, 11:39 AM - PDGAS: From Shashi

5/2/19, 11:40 AM - Romil Ramgaria Barc: We have actually reduced the cost because of scale despite going rural - will give you some numbers

5/2/19, 12:30 PM - Romil Ramgaria Barc: Hi Romil, have just given bio news portal presentation to Ashok Venkataramani (Partho had asked to connect with him)

His team - Mktg head, Neha pant from editorial and research were also present.

Chat With Romil Ramgaria

He liked the portal and sees value - wants more inputs from bio news on regular level from the team.

Raised issues on communication guidelines and that BARC must take strict action who do not follow. He may bring this up in next week's NBA meeting.

5/2/19, 1:11 PM - Romil Ramgaria Barc: Sir - Romil has reduced the costs already quite significantly. Couple of Points: 1) Phase 2 activity has 4x respondents but is being done in half the time for last one. 2) Phase 2 covers two largest geos "UP and Mah, which significantly increases our field travel costs. We will deploy extra resources to cover Mah and BLR before rains slow down our field work. Our per person survey cost is down by 21%. 3) Delhi and Mumbai data delivery continues for the year, which should have ideally ended by September. 4) There is also an additional BMW license worth 15 Lacs being given to Amazon Prime which is for free in this package.

5/2/19, 1:38 PM - PDG@: Sent

5/2/19, 1:39 PM - PDG@: Are we discussing policing of fair usage guidelines tom?

5/2/19, 1:39 PM - PDG@: In techcomm?

5/2/19, 1:54 PM - Romil Ramgaria Barc: No pointers - just for discussion

5/2/19, 1:55 PM - PDG@: yes ok

5/2/19, 1:58 PM - Romil Ramgaria Barc: There are other discussion points also - should we put that in one slide - bi MRJC and NBA?

5/4/19, 7:24 PM - Romil Ramgaria Barc: Yes - will get pushed both tomorrow

5/4/19, 7:34 PM - PDGAS: Saw the mail - on Republic Bharat only one complaint? Seems wrong

5/4/19, 7:35 PM - PDGAS: Also we need no of complaints on a channel - not queries on their own performance

5/4/19, 7:35 PM - PDGAS: So the grid is not necessary

5/4/19, 7:35 PM - PDGAS: More important is on a channel how many complaints from others

5/4/19, 7:45 PM - Romil Ramgaria Barc: So that will only be 9 against India tv - but will get this double checked once more

5/4/19, 7:48 PM - PDGAS: Yes pls double check

5/4/19, 7:49 PM - PDGAS: I feel numbers against India TV and Republic should be more

5/5/19, 10:48 PM - Romil Ramgaria Barc: Yes saw one of his tweet - but neutrally speaking it was a good and right discussion na?

5/5/19, 10:52 PM - Romil Ramgaria Barc: Just read Shashi sir's tweet - actually then paritosh's logic was useless - if kish has been used then he can't say this -

5/5/19, 10:53 PM - PDG&: I think from a pure journalistic pov - they should have called one MRUC rep to defend

5/5/19, 10:54 PM - PDG&: I also saw the ppt - it said Kish grid not used

5/5/19, 10:54 PM - Romil Ramgaria Barc: Yes that's true - biased and using platform to defend their earlier stance

5/5/19, 10:54 PM - PDG&: Yes

5/5/19, 10:55 PM - Romil Ramgaria Barc: But the headline was for upscale interviews - which Shashi sir clarified it wasn't used in 2 cities only and that too only for upscale homes

5/5/19, 10:55 PM - PDG&: Yes

5/6/19, 10:02 AM - PDG&: When do we see the corrected version

5/6/19, 10:03 AM - Romil Ramgaria Barc: They double checked - numbers were fine - these are official complaints by broadcasters against India tv -

5/6/19, 10:03 AM - Romil Ramgaria Barc: Most are against English news

5/6/19, 10:04 AM - PDG&: So let's see the revised grid

5/6/19, 10:04 AM - PDG&: One without who is complaining

5/6/19, 10:06 AM - Romil Ramgaria Barc: Ok

5/6/19, 10:06 AM - PDG&: Let's give a slide - saying there were numerous verbal complaints on many channels which are not recorded here

5/6/19, 10:07 AM - Romil Ramgaria Barc: So you want in one slide both which can be sent on WhatsApp

5/6/19, 10:07 AM - PDG&: Yes

5/6/19, 10:07 AM - PDG&: And mail

5/6/19, 3:05 PM - PDG&: Go with motion

5/6/19, 3:05 PM - PDG&: The general mood is we should do together

5/6/19, 3:06 PM - Romil Ramgaria Barc: Yes agree - and I personally think better from a long term perspective - though control is important for us.

5/6/19, 3:06 PM - PDG&: Think if we can ask MRUC to propose how we fuse the data

5/6/19, 3:06 PM - Romil Ramgaria Barc: PT and Derrick both there in the meeting

5/6/19, 3:06 PM - PDG&: You sent the spv mail to Gauravjeet?

5/6/19, 3:06 PM - Romil Ramgaria Barc: No - will search and send that today

5/6/19, 3:32 PM - Romil Ramgaria Barc: Because work begins before na - yes we will ask for 50% advance and balance payment quarterly in advance
5/6/19, 3:33 PM - PDG&O: I think start date they will insist on matching with reporting
5/6/19, 3:33 PM - PDG&O: So let's ask for 50% advance on confirmation
5/6/19, 3:35 PM - Romil Ramgaria Barc: Let's see
5/6/19, 3:35 PM - Romil Ramgaria Barc: We will raise this for the time being -
5/6/19, 3:35 PM - PDG&O: Ok
5/6/19, 5:18 PM - PDG&O: Mail also pls
5/6/19, 7:10 PM - PDG&O: tech comm minutes?
5/6/19, 7:25 PM - Romil Ramgaria Barc: <Media omitted>
5/6/19, 7:39 PM - PDG&O: republic?
5/6/19, 7:44 PM - Romil Ramgaria Barc: Yes in response to BMO
5/6/19, 7:44 PM - Romil Ramgaria Barc: BMI India tv article
5/6/19, 7:45 PM - PDG&O: Hmmm
5/6/19, 7:45 PM - Romil Ramgaria Barc: They also want us to give a quote saying
"yes we have received similar queries in the past from other channels etc".
5/6/19, 7:46 PM - PDG&O: Bmi should ask us then
5/6/19, 7:46 PM - PDG&O: Or we should avoid
5/6/19, 7:46 PM - Romil Ramgaria Barc: BMI will
5/6/19, 7:46 PM - Romil Ramgaria Barc: They are washing dirty linen in public
5/6/19, 7:46 PM - PDG&O: Yes
5/6/19, 7:46 PM - PDG&O: Maybe we should avoid?
5/6/19, 7:48 PM - Romil Ramgaria Barc: We can probably give a neutral quote -
"we receive similar complaints across news channel and suitably respond basis xyz".
5/6/19, 7:49 PM - PDG&O: ok
5/6/19, 7:59 PM - Romil Ramgaria Barc: Spoke to Vikas - he was pushing for the quote - have told him our quote may dilute his stand further and hence better to avoid
5/6/19, 7:59 PM - Romil Ramgaria Barc: He is ok
5/6/19, 9:33 PM - Romil Ramgaria Barc: The Bangladesh meeting went very well - I think they appreciated our transparency and similar conditions that they also face
5/6/19, 9:33 PM - Romil Ramgaria Barc: Will debrief you tomorrow -
5/6/19, 9:50 PM - PDG&O: OY!
5/7/19, 7:54 AM - PDG&O: Yesterday I met Vivek mishra - for tv360
5/7/19, 7:55 AM - PDG&O: Looks like he has nicely looked at an exhaustive list of possible tech and vendors and was proposing 10 POCs
5/7/19, 7:55 AM - PDG&O: This will then be a 3 year project
5/7/19, 7:55 AM - PDG&O: I have told him to narrow down and look for quick wins while working simultaneously on others

5/7/19, 7:56 AM - PDG&A: In my view we should talk to zapr and silver push right away and you should lead that

5/7/19, 7:56 AM - Romil Ramgaria Barc: I called up Sandipan 3 weeks back - he was to call back to meet - haven't heard from him -

5/7/19, 7:56 AM - PDG&A: Apsfl we should push and also router meters - thru belkin and maybe iit trainees

5/7/19, 7:57 AM - Romil Ramgaria Barc: Apparently silverpush has an exclusively tie up with google now - but can figure that

5/7/19, 7:57 AM - PDG&A: Let's push these and also orient team how to handle projects - focus and get quick wins

5/7/19, 7:57 AM - Romil Ramgaria Barc: APFSL moving slow due to elections - if KCR comes in AP it will further slow down

5/7/19, 7:58 AM - Romil Ramgaria Barc: Router meters - we have approached GFK kantar and MM also - MM has proposed a 50/50 investment and joint ownership of the product -

5/7/19, 7:58 AM - PDG&A: On premium panel too I would have expected much more progress - calls like household numbers and not individual numbers should have been taken earlier

5/7/19, 7:58 AM - Romil Ramgaria Barc: However the product may not fulfill our full use case apparently - of knowing program level etc

5/7/19, 7:58 AM - PDG&A: We should have Vivek Mishra's deputy

5/7/19, 7:59 AM - PDG&A: Yes Heard that and hence Belkin and own software development

5/7/19, 7:59 AM - Romil Ramgaria Barc: He is working on many projects - a Girl is joining us soon - but I think we need to add 1-2 more people just to look at the POC's also

5/7/19, 7:59 AM - PDG&A: Maybe

5/7/19, 7:59 AM - PDG&A: Yes and he needs to be directed well

5/7/19, 8:00 AM - PDG&A: He is all over the place and thanks to Jamie a bit negative

5/7/19, 8:00 AM - Romil Ramgaria Barc: Yes I know -

5/7/19, 8:00 AM - PDG&A: He is a good guy with good thinking

5/7/19, 8:00 AM - Romil Ramgaria Barc: Will have to meet him more regularly to reorient

5/7/19, 8:00 AM - PDG&A: We have to just make him positive and focussed

5/7/19, 8:00 AM - PDG&A: Yes

5/7/19, 8:00 AM - Romil Ramgaria Barc: Yes

5/7/19, 8:01 AM - Romil Ramgaria Barc: You have advised him changed to today's presentation?

5/7/19, 8:01 AM - PDG&A: Yes

5/7/19, 8:01 AM - Romil Ramgaria Barc: We will only present digital since anyways we are meeting them individually on other stuff

5/7/19, 8:02 AM - PDG&A: To start with larger thought of measuring content brands to international scenarios to our solution

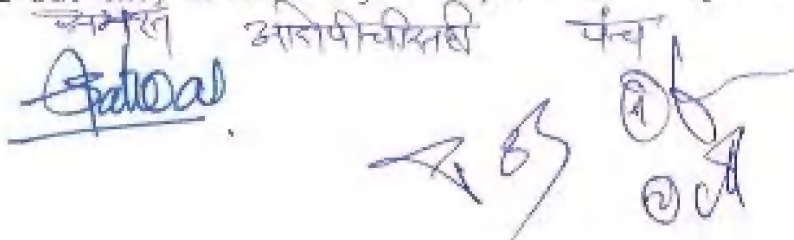

5/7/19, 8:02 AM - PDG&A: Yes

5/7/19, 8:02 AM - Romil Ramgaria Barc: They will ask do we have ISA concurrence on this to deflect

5/7/19, 8:02 AM - Romil Ramgaria Barc: And what's the point of doing it without google and FB

5/7/19, 8:03 AM - PDG&A: Our answer could be once we start measuring like this - it will be too attractive for them to ignore this metric of "safe" really "viewable" metric

5/7/19, 8:04 AM - Romil Ramgaria Barc: They might say but in UK it's been more than a year but they haven't joined yet and no signs also -

 5/7/19, 8:04 AM - Romil Ramgaria Barc: Yes
 5/7/19, 8:05 AM - Romil Ramgaria Barc: But these things take time to evolve and to get used to it -

 5/7/19, 8:14 AM - Romil Ramgaria Barc: Yes absolutely
 5/7/19, 9:01 AM - Romil Ramgaria Barc: & Use of rat
 & not adhering to fair usage guidelines
 & not verifying data with barc (this has changed)
 & articles with slant towards one broadcaster
 & not sourcing data from barc directly
 & comparing barc data with tam data
 5/7/19, 9:01 AM - Romil Ramgaria Barc: These were the issues with Gaurav langhate initially -
 5/7/19, 9:01 AM - Romil Ramgaria Barc: May not bring it up fully -
 5/7/19, 9:01 AM - Romil Ramgaria Barc: Will eavesdrop HT issue
 5/7/19, 9:02 AM - Romil Ramgaria Barc: Also will brief him on the JIC so that we can give him exclusive if he guarantees print
 5/7/19, 9:25 AM - PDG&O: Ck
 5/7/19, 9:25 AM - PDG&O: He may say he can't guarantee - as in past - I filed story, editor didn't carry - kind of stories
 5/7/19, 9:30 AM - Romil Ramgaria Barc: Yes - let's see how the conversations go and then will decide to brief him or joe
 5/7/19, 9:30 AM - Romil Ramgaria Barc: Not
 5/7/19, 1:34 PM - PDG&O: Told BMI not to write anymore
 5/7/19, 1:35 PM - PDG&O: On this - you have any suggestions on how Shashi should handle this ??
 5/7/19, 1:41 PM - Romil Ramgaria Barc: He is going to play soft and be neutral - the indirect messaging from him these guys may not fully understand. If they leak this, we should take a stand of not doing the audit
 5/7/19, 1:42 PM - PDG&O: yes thats my fear
 5/7/19, 1:42 PM - PDG&O: can we suggest any other tack to him?
 5/7/19, 1:42 PM - PDG&O: he is open for suggestions and also thinks this threat of leaking is real
 5/7/19, 1:42 PM - PDG&O: i gave him the NTO example
 5/7/19, 1:43 PM - Romil Ramgaria Barc: Threat has come from whom?
 5/7/19, 1:43 PM - Romil Ramgaria Barc: NBA only
 5/7/19, 1:43 PM - PDG&O: someone - just to buy equity with journalist can leak
 5/7/19, 1:43 PM - Romil Ramgaria Barc: Hmm - can only be india tv

 5/8/19, 1:02 PM - PDG&A: Use social media
 5/8/19, 2:08 PM - PDG&A: Thinking positively does it make sense we create a
 three member team to look at our outlier protocol and design rather than get
 into an audit and history but future looking

 5/9/19, 7:55 PM - PDGAS: The ppt looks too bland apart from one or two slides
 5/9/19, 7:56 PM - PDGAS: There is hardly any wow in it

5/15/19, 8:01 PM - PDGAS: Yes

5/15/19, 8:01 PM - PDGAS: On a week

5/15/19, 8:01 PM - Romil Ramgaria Barc: Did not understand TV15?

5/15/19, 8:01 PM - PDGAS: Top left of the image

5/15/19, 8:01 PM - PDGAS: In the tweet

5/15/19, 8:44 PM - Romil Ramgaria Barc: This is urban 2+

5/15/19, 8:46 PM - Romil Ramgaria Barc: Yes post NTO around that

5/15/19, 8:47 PM - PDGAS: 15 BN?

5/15/19, 8:47 PM - PDGAS: How can it be

5/15/19, 8:47 PM - Romil Ramgaria Barc: That's only urban

5/15/19, 8:47 PM - Romil Ramgaria Barc: 28-30 is incl rural

5/15/19, 8:48 PM - PDGAS: Ok but we never used to give this earlier in genre charts isn't it?

5/15/19, 8:54 PM - Romil Ramgaria Barc: Yes. The top numbers remains consistent across all genre tables.

5/15/19, 8:55 PM - Romil Ramgaria Barc: Rather than it appearing in every chart

5/15/19, 8:55 PM - Romil Ramgaria Barc: Change will be effective next week

5/16/19, 12:56 PM - Romil Ramgaria Barc: I do understand that there may be a sensitivity on responding to Q2 (what has been barc's investment in the body?) but an indicator (even an off-the-record one) on the investments being made by BARC will help one get an understanding of the extent of investments (and hence the importance being given to the exercise).

5/16/19, 12:57 PM - Romil Ramgaria Barc: He is also saying that there are at least two independent (but doing some good work) digital video-makers who have asked me whether their views will be taken into consideration because they aren't members of BARC or any of BARC's stakeholders (IBF, ISA, AAAI). Hence he wants to know if GAMMA - at least in India - will incorporate these independents in the formulation of policies?

5/16/19, 12:57 PM - Romil Ramgaria Barc: It's a good halo being created by

5/16/19, 12:57 PM - PDGAS: by, by..

5/16/19, 1:00 PM - Romil Ramgaria Barc: It's an endeavor that has been in the works since more than 12 months before finally taking shape. All founding members are committed to make it a success and for this reason have chosen a professional in Brad to lead this initiative.

5/16/19, 1:00 PM - Romil Ramgaria Barc: Something like this?

5/16/19, 1:02 PM - PDGAS: Yes

5/16/19, 1:02 PM - PDGAS: And it's evolving etc

5/16/19, 4:06 PM - Romil Ramgaria Barc: Have asked for some changes in Filmfare presentation. Will send this and even fakth Marathi numbers by pay and free to SV

5/18/19, 10:30 AM - PDG&A: If someone asks we will see
5/18/19, 10:31 AM - PDG&A: It won't give them any revenue benefit
5/18/19, 10:31 AM - PDG&A: Only in long running series like say big boss or IPL it gives revenue opportunity
5/18/19, 10:31 AM - PDG&A: Counting day is sold in advance anyways
5/18/19, 10:32 AM - PDG&A: Asks
5/18/19, 10:40 AM - Romil Ramgaria Barc: No one will ask - only from marketing standpoint. But don't want to pitch since they would want to know market share which will be difficult given other channel situations

5/18/19, 10:42 AM - PDG&A: Why will giving market share be difficult? Didn't get the point

6/15/19, 3:49 PM - PDG&@: How is that
6/15/19, 3:49 PM - Romil Ramgaria Barc: While currently we deflected to BI and IBF mail etc
6/15/19, 3:50 PM - Romil Ramgaria Barc: Overall TV reach pre and post NTO for us is same na at 600mn - daily reach
6/15/19, 3:50 PM - Romil Ramgaria Barc: Interplay of free and pay is there
6/15/19, 3:50 PM - Romil Ramgaria Barc: But overall also it should drop ideally
6/15/19, 3:50 PM - PDG&@: You are saying algo not working?
6/15/19, 3:50 PM - PDG&@: How come
6/15/19, 3:50 PM - Romil Ramgaria Barc: Since itâ€™s 15% there is a problem
6/15/19, 3:50 PM - PDG&@: So reach should drop?
6/15/19, 3:50 PM - Romil Ramgaria Barc: It should have been higher during this period
6/15/19, 3:50 PM - Romil Ramgaria Barc: Yes it should drop
6/15/19, 3:51 PM - Romil Ramgaria Barc: Itâ€™s like the TN cyclone situation
6/15/19, 3:51 PM - PDG&@: What's the problem
6/15/19, 3:51 PM - Romil Ramgaria Barc: While we modified it for such events like it happened in Grissa etc - however total TV because of NTO we didnâ€™t
6/15/19, 3:51 PM - PDG&@: Who made this - scienaptic?
6/15/19, 3:52 PM - Romil Ramgaria Barc: Sceinaptic made basis what we want
6/15/19, 3:52 PM - Romil Ramgaria Barc: There is a fundamental logic issue
6/15/19, 3:52 PM - PDG&@: Maybe we didn't test it out properly
6/15/19, 3:52 PM - Romil Ramgaria Barc: And NTO is reflecting very well in sample but because of this not reflecting in output
6/15/19, 3:53 PM - PDG&@: How can we investigate this and set this right
6/15/19, 3:53 PM - Romil Ramgaria Barc: Have already put Derrick on the job - also tech
6/15/19, 3:53 PM - PDG&@: Ok
6/15/19, 3:53 PM - Romil Ramgaria Barc: We will have to do this over the next 6-8 weeks
6/15/19, 3:53 PM - PDG&@: Give them timelones

6/17/19, 12:13 PM - Romil Ramgaria Barc: <Media omitted>
6/17/19, 2:23 PM - PDG&@: why is elbert and aaditya not there? this meeting is not in their calendar?
6/17/19, 2:28 PM - Romil Ramgaria Barc: Aaditya is in a meeting with Gayatri on PP. Elbert is on leave. Need to check if the calendersation happened after checking -
6/17/19, 2:28 PM - Romil Ramgaria Barc: But currently no point doing without them
6/17/19, 2:34 PM - PDG&@: yes its no point
6/17/19, 2:35 PM - PDG&@: but if one has sent the calendar invite they must make it a point to change things to meet - unless on leave
6/17/19, 2:35 PM - PDG&@: i thought elbert just came back from marriage leave 8Ym,
6/17/19, 5:10 PM - PDG&@: Thought - should we put out a poll out on what does the industry think - should barc moderate Landing pages data or let it be

 6/17/19, 7:48 PM - Romil Ramgaria Barc: We can do a one on one survey with the clients - but the risk will be that Many will ask for the basis, how will you treat reach outliers due to genuine increase Etc etc
 6/17/19, 7:49 PM - Romil Ramgaria Barc: The house is divided just because of the mails only from Network18 and times
 6/17/19, 7:49 PM - Romil Ramgaria Barc: Do you want me for the atul meeting or am skipping is ok?
 6/17/19, 7:51 PM - PDG&@: Skip it

 6/17/19, 9:51 PM - Romil Ramgaria Barc: Yes. Will start the teaser campaign on Friday and will get some buzz going around premium

 6/18/19, 9:08 AM - Romil Ramgaria Barc: Yes
 6/18/19, 9:09 AM - Romil Ramgaria Barc: Also we have to start saying in conversations that not all reach growth is treated as outliers - if there is genuine distribution change like this then it goes fully - even for small genres
 6/18/19, 9:10 AM - Romil Ramgaria Barc: And hence though process can detect reach growth but it needs to be checked for distribution improvement or landing
 6/18/19, 9:10 AM - PDG&@: Yes

6/26/19, 8:56 AM - Romil Ramgaria Barc: That's roughly 600cr annual revenue -

6/26/19, 10:17 AM - Romil Ramgaria Barc: story is ok but headline and sub-headline is quite negative for us

6/26/19, 10:17 AM - Romil Ramgaria Barc: he told you about this?

6/26/19, 10:22 AM - PDGAS: No

6/26/19, 10:22 AM - PDGAS: Suggest him to change headline

6/26/19, 10:22 AM - PDGAS: He will

6/26/19, 10:22 AM - PDGAS: Him

6/26/19, 10:35 AM - PDGAS: The technical committee people he spoke to here are surely not core Techcomm

6/26/19, 10:35 AM - PDGAS: Pls make him understand the diff

6/26/19, 10:35 AM - PDGAS: All rules cannot be exposed

6/26/19, 3:24 PM - PDGAS: <Media omitted>

6/26/19, 5:38 PM - PDGAS: Complete rubbish. Everyone followed it. We are being shafted. News 18 has no story no editorial they jump.

6/26/19, 5:47 PM - PDGAS: India tv is never affected. You know what they do. Their outliers aren't outliers. Tv 18 has no content but they are big guys so can't be touched. Aajtak can't be touched because shit will hit the ceiling if they do. Republic obviously are small players. I guess that's the view.

6/26/19, 5:47 PM - PDGAS: The entire Hindi audience shook because of Bihar. To say the channel that led it will fall is out of the question. If landing outliers are maintained then on what content basis is tv18 going up.

6/26/19, 5:54 PM - PDGAS: Don't punish REPUBLIC

6/26/19, 5:54 PM - PDGAS: There is no content on tv 18

6/26/19, 5:54 PM - PDGAS: No content in India TV

6/26/19, 5:54 PM - PDGAS: Don't reward them and punish us

6/26/19, 5:54 PM - PDGAS: This week aajtak expects us to be no 1

6/26/19, 7:38 PM - Romil Ramgaria Barc: <Media omitted>

6/26/19, 7:38 PM - Romil Ramgaria Barc: Sending this to Arnab?

6/26/19, 7:43 PM - PDGAS: You have to explain a bit

6/26/19, 7:43 PM - PDGAS: In words

6/26/19, 9:04 PM - PDGAS: Note: - Comparison period is Wk. 17th19 to Wk. 20th19 Vs. Wk. 23rd19 to Wk.24th19 (Wk. 21 & Wk. 22nd19 was counting impacted weeks)

In last two BARC Weeks (Wk. 23 & Wk. 24th19), News18 India has climbed to #2 position in Hindi News Genre.

In last two weeks, News18 India's viewership has dropped by only 12%, while other leading channels have dropped by average 25%.

The REACH & TSV of News18 India has dropped lesser as compared to leading competition channels. This shows that the News18 India has got disproportionate viewership in specific markets as compared to other channels in genre.

Though the Republic Bharat has running commercial duration only 12 mins/hr which is lowest in genre, but TSV of other channels are higher. (E.g. Zee News commercial inventory is 15.5 mins/hr & Republic Bharat is 12.7 mins/Hr but TSV on Zee News is 15.4 mins and Republic Bharat is 14.16 mins)

Following are markets where News18 India has maintained same viewership in Wk. 23rd to Wk. 24th compared to Wk. 17th to Wk. 20th while competition channels have dropped remarkably. The Market share of News18 India has increased with the help of landing page activity in following mentioned markets.

6/26/19, 9:04 PM - PDGAS: <Media omitted>

6/26/19, 10:06 PM - Romil Ramgaria Barc: Yes vikas forwarded

6/27/19, 10:01 AM - PDGAS: I ran a very detailed run last night. Tv18 landing impact is extremely obvious. Time bands and landing markets. Can show this to you and romil. Please run the outlier for them as well effectively. It's not fair to give them this leeway in Hindi. They have don't no programming to jump up unnaturally.

6/27/19, 10:05 AM - PDGAS: No sir not effectively. 1. There is no content rationale behind their jump 2. This has been accompanied by their landing in their networks. 3. Makes all my efforts fruitless and utterly pointless now on.

6/27/19, 10:05 AM - PDGAS: If this kind of rationalisation of landing benefits tv 18 then what am I fighting for anyway

6/27/19, 10:05 AM - PDGAS: I'm not here to help tv 18

6/27/19, 10:05 AM - PDGAS: Tv18 is a non entity Hindi channel. Landing has taken it to the top. If the govt cracks on landing you will still keep it at the top ?

6/27/19, 10:05 AM - PDGAS: Then this is pointless

6/27/19, 10:28 AM - Romil Ramgaria Barc: News18 is a largely Punjab issue.

Sending you the data

6/27/19, 3:36 PM - PDGAS: can you ask News team to give me a few points on ABP News bad performance

6/27/19, 3:36 PM - PDGAS: whys

6/27/19, 3:36 PM - PDGAS: will meet Avinash in the eve

6/27/19, 5:30 PM - Romil Ramgaria Barc: ABP News has dropped similar to Genre compared to previous week however the drop is higher compared to P4WA due to higher increase during election results. ABP's FCT has been the highest in the last two weeks. Higher SOD to cricket which has a lower yield. Story coverage to Encephalitis in Bihar was also given lesser focus. Other important stories such as Triple Talag bill, Doctors strike in WB were also given lesser wtg.

6/27/19, 5:30 PM - Romil Ramgaria Barc: 1. In wk 21 (election week) ABP had grown at higher rate than others; Consequently it declined more in following weeks.

2. ABP's ATS has been low compared to other top channels

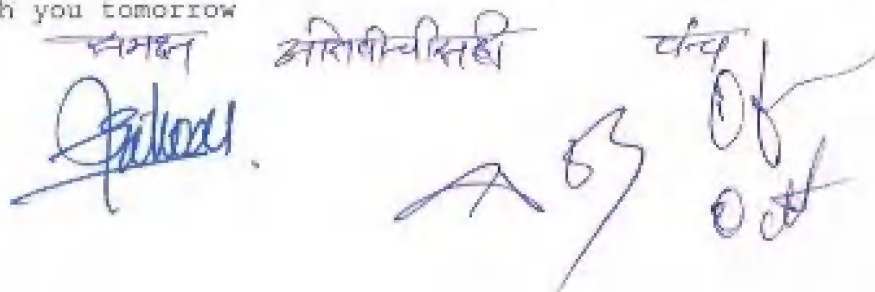

3. In HSM Rural, ABP performs well. In HSM Urban, the channel is not so strong.

4. In HSM Urban, they have low exclusive viewers (compared to other top channels)

5. Recently their major focus have been on sports; while ICC cricket world cup on news, has not really worked so well till wk 24. (only aaj tak and ABP have spent money on cricket celebrities and have special 30 minute programming).

6/27/19, 7:18 PM - Romil Ramgaria Barc: Niraj story has been quite against and some lines in the story can be ignored..

6/27/19, 7:23 PM - Romil Ramgaria Barc: Rajini will get the nielsen agreement signed with you tomorrow

 6/28/19, 4:37 PM - Romil Ramgaria Barc: Yes ok
 6/28/19, 4:38 PM - Romil Ramgaria Barc: I think in the stock quote we can mention that many stakeholders are against the influence because of this
 6/28/19, 4:38 PM - PDG&A: and has been demanding this
 6/28/19, 4:38 PM - Romil Ramgaria Barc: Yes
 6/28/19, 5:05 PM - PDG&A: This could include Sudhanshu's comments in board that Landing page related outliers should be cut down
 6/28/19, 5:06 PM - PDG&A: Also told Rajini to talk to you and build a case on why outlier rules can't be discussed with board and Techcomm - since broadcasters are sitting there and can use the logic to manipulate
 6/28/19, 5:08 PM - Romil Ramgaria Barc: But on our mail later he was against it
 6/28/19, 5:08 PM - PDG&A: Yes he was

 6/28/19, 5:20 PM - Romil Ramgaria Barc: Yes -
 6/28/19, 5:20 PM - PDG&A: We should use the industry sources say board and Techcomm should not know outlier rules
 6/28/19, 5:21 PM - PDG&A: And why

7/16/19, 9:34 PM - Romil Ramgaria Barc: This is regarding Zee TV's distribution update on Fastway in Punjab-Urban.
About one month ago, particularly on 6th June, Zee was added on Fastway on promotional basis for one month. Due to this, Zee improved in Punjab post W23.

One month is completed in W27 but Zee is still available on Fastway & there is no major reach drop in W28. Will keep a check on Fastway Punjab for upcoming weeks.
7/16/19, 10:01 PM - PDG&O: Pls check if the promotion has been extended
7/16/19, 10:02 PM - PDG&O: Quite possibly so
7/17/19, 9:01 AM - PDG&O: Am thinking of including the corporate governance point raised by Ashish and Sudhanshu - for two different things - in minutes

7/25/19, 2:58 PM - Romil Ramgaria Barc: Also zee isn't subscribing the data yet
7/25/19, 2:58 PM - PDG&: Good this will put pressure
7/25/19, 2:58 PM - PDG&: Tell zee others have subscribed
7/25/19, 2:58 PM - PDG&: Including agencies
7/25/19, 4:11 PM - Romil Ramgaria Barc: <Media omitted>
7/25/19, 4:13 PM - PDG&: ðŸ™ˆ"
7/25/19, 4:23 PM - PDG&: Kangana is a massive rating cruncher.
7/25/19, 4:23 PM - PDG&: And we got her first when India was burning on her controversy
7/25/19, 4:23 PM - PDG&: Huge contradiction. Kangana interview we got first which every channel followed later. Kangana has always delivered high time spent and this time the interview was in the middle of a raging controversy. The interview done by sucherita was very newsy and tracked by media and followed by Aajtak. I don't understand when Aajtak does the same interview later they get the numbers.
7/25/19, 4:23 PM - PDG&: We ran at 3.00 pm , 8.00 pm & 11.00 pm & debate at 6.00 on Kangna ke khilaf kaun lobby.
We got average 2.5 %
7/25/19, 4:23 PM - PDG&: 3.00 - 5%
3.30. 4%
8.00. 3%
8.30. 3%
11.00. 3%
11.30. 2%
7/25/19, 4:23 PM - PDG&: Not didn't rate. Got zero ratings. Now we were ahead of everyone and there was an industry fight over this interview. Very very strange that this happened.
7/25/19, 4:24 PM - PDG&: This will come up in your discussion
7/25/19, 7:51 PM - PDG&: Shashi, CNBC in mega cities has gross TVT of 5 versus 60 of ET Now! Our share is 4.6% to ET Now's 52.9%. And we believe that the impact of landing pages is being eliminated by BARC's manual intervention? This is crazy... Sorry to be bothering you every week. Regards
7/25/19, 7:51 PM - PDG&: True?
7/25/19, 7:52 PM - Romil Ramgaria Barc: Let me check
7/25/19, 8:33 PM - PDG&: <https://www.mxmindia.com/2019/07/50-non-delhi-news-channels-incl-republic-form-news-broadcasters-federation/>
7/25/19, 8:34 PM - Romil Ramgaria Barc: First of all none of the business channels are on landing and hence no treatment at our end. CNBC anyways used to get lower viewership from Megacities. This time it has crashed n so has ET now.
7/25/19, 8:34 PM - Romil Ramgaria Barc: <Media omitted>
7/25/19, 8:35 PM - PDG&: Weird
7/25/19, 8:36 PM - Romil Ramgaria Barc: Ya. Genuine drop
7/25/19, 8:36 PM - Romil Ramgaria Barc: That message was from rahul to Shashi?
7/25/19, 8:36 PM - Romil Ramgaria Barc: Or avinash?
7/25/19, 8:37 PM - PDG&: Rahul apparently
7/25/19, 8:37 PM - PDG&: He says first time he messaged
7/25/19, 8:37 PM - Romil Ramgaria Barc: Hmm
7/25/19, 8:49 PM - PDG&: Have we approached India TV with PrimaVu?
7/25/19, 10:30 PM - Romil Ramgaria Barc: Meeting on Tuesday with abp and India tv

 7/30/19, 5:36 PM - Romil Ramgaria Barc: Objective of Survey:

Conduct door-to-door inspection for cable/DTH subscribers and recording their feedback on various parameters of the provisions of the new regulatory framework of broadcasting and cable services on real-time basis.

Bidder should propose the solution that will empower TRAI to ensure that various parameters as laid down by TRAI are met by various service providers by means of this inspection.

Violations of the provisions of regulations/tariff order by service providers should be highlighted.

7/30/19, 5:36 PM - Romil Ramgaria Barc: Guiding Notes:

All DPOs (DTH/MSO/IPTV/HITS) including medium and small MSOs have to be covered proportionately in all the 29 states (and Delhi/NCR) of India across all DAS areas (DAS-I/II/III/IV)

Inspection would be a representative one and should cover the various inspection points based on the various provisions of the regulations & tariff order as prescribed in the EOI and TRAI may also do re-verification on sample basis.

Sample households (representing different income groups) should be chosen from the sample size in such a way that all the Distributors are covered proportionately in all cities picked up from various DAS areas within a state. The sample size would be informed when the work is awarded.
7/30/19, 5:36 PM - Romil Ramgaria Barc: Scope of work:

A questionnaire has to be prepared by the empanelled firm based on the various inspection points provided by TRAI.

Devise a physical/electronic form for inspection of the consumers on the various provisions of the regulations and Tariff Order.

Visit consumer households, checking some of the parameters on TV Screen itself.

Record consumers feedback in the physical/online form devised.

Cover households of different DPOs (5-10 households per DPO)

Support of different languages in the devised form according to the languages spoken in different states of the country.

Report generation based on data collected explicitly highlighting contraventions of various provisions of regulations/tariff order by the DPOs.

Report to be generated on the following criteria:

- State-wise
- Digital Addressable Systems (DAS) area wise as notified by Ministry of Information and Broadcasting (MIB)
- DPO wise

7/31/19, 6:53 PM - Romil Ramgaria Barc: 1) Clause 4.2: It prescribes prior permission for appointment of Directors and all key personnels (CEO/CFO/COO/CTO/CSO etc). Ideally no prior permission from MIB should be required except for Directors, CEO and COO. The removal of any Director, CEO, COO cannot be done unless approved by MIB unless they have voluntarily resigned.

2) Current Board composition of 10 members is as follows:

a. IBF: 60%

- b. AAAI: 20%
- c. ISA: 20%

Ideal recommended shareholding structure to maintain neutrality and have equal weightage from all Industry constituents should be as follows:

- a. IBF: 2 members
- b. AAAI: 2 members
- c. ISA: 2 members
- d. Govt Nominee: 1 member
- e. Independent Board Members: 3 members

No board member should hold the position for more than 2 years and can be further extended by 1 year only after prior permission from MIB

Chairman of the Board should be an Independent Board Member and should hold the position for a maximum tenure of 2 years

- 3) Technical Committee: The Core Technical committee should comprise of the following members:
 - a. AAAI: 1 member
 - b. ISA: 1 member
 - c. IBF: 1 member
 - d. Independent Industry Expert: 1 member

The Chairman of the technical committee should be either from AAAI/ISA/IBF and should have a maximum tenure of 2 years. If IBF member is the Chairman and then the next term should be offered to AAAI or ISA member. Hence all three bodies should have Chairmanship for equal time in a period of 6 years.

The member of the should hold the position for more than 2 years and can be further extended by 2 year only after prior permission from MIB

- 4) Responsibilities of Board: Board will only look into governance and strategic issues at BARC and shall not be involved in operational aspects of business.

- 5) Clause 1.6: Prescribes a minimum net worth of Rs 20cr however currently BARC has negative net worth since BARC is fully debt funded and have accumulated losses till date

7/31/19, 7:28 PM - PDG@: In meeting

7/31/19, 9:09 PM - PDG@: From the call with Punit and team this evening fyi

7/31/19, 9:09 PM - PDG@: Call takeaways: Strategic partner did not work out

- 1) Mgmt said "upto" as mgmt has now to engage with lenders to give back pledged shares. The timeline for this could be in Aug-19. This is a pure equity transaction with no control. There will be no board seats for Oppenheimer; 2) The deal did-not work with a strategic investor as the timeline would have been post Sept-19; 3) Mgmt may look to sell a bit more stake to other investors; the pricing for those shares could be at least Rs 400; 4) Together with the sale in Non-media assets (like solar/road and transmission), promoters believe they

समय अतिथि लक्ष्य फंक्शन
Gibson 203

Chat With Romil Ramgaria

should be able to repay the entire debt by Sept-19. Mgmt has non-binding agreements. On the road-asset, a leading investor is looking at this; 5) The tax leakage in this transaction will be very miniscule and a large part of this transaction should come into the hands of the promoters; 6) Promoter stake sale post transaction could be well below 25% but mgmt believes that promoters would be motivated to continue to work like before; 7) A lot has changed since it was decided in Nov-18 to get a strategic partner. The priority from a business perspective for tech expertise is still relevant. Mgmt may look at strategic alliances in the future for this (not necessarily a strategic partner).

Post the deal, some near-term liquidity concerns reduce but in the extremely competitive OTT (over-the-top) market, we see risks of Zee to losing market share to players like Hotstar, Amazon Prime, Netflix etc over the longer term.

8/5/19, 12:16 PM - Romil Ramgaria Barc: Indirectly if he can get someone to advocate single measurement, speaking about it - how neutral agency is important etc will help. In the Delhi circles

8/5/19, 12:19 PM - Romil Ramgaria Barc: Sorry, will do it today.

8/5/19, 9:35 PM - Romil Ramgaria Barc: In the SOP doc, we have also included nil viewing add backs (under weighting). However on stochastic we have not put too many details though we have covered it as a process

8/5/19, 9:35 PM - Romil Ramgaria Barc: I feel these two are weak links for us - apart from control group definition in MR

8/5/19, 9:35 PM - Romil Ramgaria Barc: addressing control group and stochastic with Derrick

8/5/19, 9:36 PM - PDG&O: How can we get over on these

8/5/19, 9:36 PM - PDG&O: Ok

8/5/19, 9:36 PM - PDG&O: Even nil viewing - let him give logic based on coincidental

8/5/19, 9:36 PM - Romil Ramgaria Barc: Nil viewing addback is a bitter pill we have to swallow with time

8/5/19, 9:36 PM - PDG&O: He was doing that isn't it?

8/5/19, 9:37 PM - PDG&O: You have started adjusting?

8/5/19, 9:37 PM - Romil Ramgaria Barc: He has already done it - recommendation is to move significantly higher than current 15% which will make reach fall by almost 10% at all India level

8/5/19, 9:38 PM - Romil Ramgaria Barc: Not yet - waiting for impact assessment of moving from 15 to 25 and then will start increasing by 0.5 every week

8/5/19, 9:38 PM - Romil Ramgaria Barc: This is pending with MA

8/5/19, 9:38 PM - Romil Ramgaria Barc: Will get this out this week

8/5/19, 9:39 PM - PDG&O: What's his recommendation

8/5/19, 9:39 PM - Romil Ramgaria Barc: To move from 15 to close to 45-50 - he has figured a number

8/5/19, 9:40 PM - Romil Ramgaria Barc: Don't remember the value however reach falls to 89%

8/5/19, 9:40 PM - PDG&O: Let's sit on the logic

8/6/19, 12:57 PM - Romil Ramgaria Barc: We should think of outsourcing some elements so that HR cost like item looks fine

8/6/19, 12:57 PM - Romil Ramgaria Barc: We need to offload some costs to MDL

8/8/19, 6:19 PM - PDG&: Election year
8/8/19, 10:04 PM - Romil Ramgaria Barc: Today also harit was quoting sony issue to Vikas
8/8/19, 10:04 PM - Romil Ramgaria Barc: Also absolutely against Barc and very vehement
8/8/19, 10:04 PM - Romil Ramgaria Barc: Saying all English and HD wrongly reported - I don't see any drop in these numbers in my platform - etc etc
8/8/19, 10:05 PM - PDG&: Where was this
8/8/19, 10:05 PM - PDG&: He is driving an agenda
8/8/19, 10:05 PM - PDG&: Also star agenda
8/8/19, 10:06 PM - PDG&: Can he share those - vikas should ask
8/8/19, 10:08 PM - Romil Ramgaria Barc: When Vikas met today at his office to better placement for Hindi news channel
8/8/19, 10:08 PM - Romil Ramgaria Barc: He would never
8/8/19, 10:09 PM - PDG&: Yes tell vikas and hence hollow claims
8/8/19, 10:09 PM - Romil Ramgaria Barc: Yeah told him and explained him Sony also
8/8/19, 10:09 PM - Romil Ramgaria Barc: But harit is at it
8/8/19, 10:09 PM - Romil Ramgaria Barc: Even this week we will wrapped up for News18
8/8/19, 10:09 PM - Romil Ramgaria Barc: They are off for landing everywhere
8/8/19, 10:10 PM - Romil Ramgaria Barc: However since we already control the ratings they might not see a fall -
8/8/19, 10:10 PM - Romil Ramgaria Barc: Specially reAch -
8/8/19, 10:10 PM - Romil Ramgaria Barc: Let's see
8/8/19, 10:10 PM - Romil Ramgaria Barc: Also touching GEC's for reach outliers might be an issue
8/8/19, 10:11 PM - PDG&: Yes that's the logic
8/8/19, 10:11 PM - Romil Ramgaria Barc: Am wary of that impacting the GEC's
8/8/19, 10:12 PM - PDG&: Yes let that be since it's not much
8/8/19, 10:13 PM - PDG&: Or should we refer it to Techcomm saying impact in tamil is looking high
8/8/19, 10:13 PM - PDG&: So what to do
8/8/19, 10:13 PM - Romil Ramgaria Barc: They will ask us only / what about your reach outliers?
8/8/19, 10:15 PM - PDG&: Can't we look at a logic plus minus something we won't only if it exceeds then we will - and hence now it's happening in tamil GECs and hence asking - given all the discussions
8/8/19, 10:15 PM - Romil Ramgaria Barc: Let me figure
8/8/19, 10:15 PM - PDG&: Since tamil is new we could refer and put people in a fix
8/8/19, 10:16 PM - PDG&: And in this mainline star zee etc will face heat this being sun
8/8/19, 10:16 PM - Romil Ramgaria Barc: Missed voice call
8/8/19, 10:16 PM - Romil Ramgaria Barc: Yes ok
8/8/19, 10:17 PM - Romil Ramgaria Barc: Will check
8/9/19, 11:07 AM - PDG&: Give them a Sunday deadline

Reporter Kuldeep's house is in the water since last 3 days in Sangli and he is not been able to get in touch with his family yet.

Nevertheless, he has been reporting continuously for 3 days. But when anchor asked if his family is safe, Kuldeep broke down in live program.

8/9/19, 12:38 PM - PDG&A: Despite this kind of coverage ABP Majha is number 2 this week. Can't believe the numbers

8/9/19, 12:38 PM - PDG&A: Now Rama has started sending me

8/9/19, 12:38 PM - PDG&A: 8Y"

8/9/19, 12:38 PM - Romil Ramgaria Barc: rama sent me also the same thing

8/9/19, 12:38 PM - PDG&A: So same modus operandi as others

8/9/19, 12:39 PM - PDG&A: Let's send the mail quickly to Techcomm

8/9/19, 12:39 PM - PDG&A: Today is Friday

8/9/19, 12:39 PM - PDG&A: I suggest make it objective - over xx we consider substantial and hence news is done etc etc

8/9/19, 12:40 PM - PDG&A: Now it's so much percent with Tamil

8/9/19, 12:40 PM - Romil Ramgaria Barc: yes - suma and elbert putting it together - will send you a draft by 3 or so

8/9/19, 12:41 PM - PDG&A: Earlier the better

8/9/19, 5:01 PM - Romil Ramgaria Barc: india TV has subscribed and paid 100% for PV

8/9/19, 5:02 PM - PDG&A: 8Y"

8/9/19, 8:36 PM - Romil Ramgaria Barc: <Media omitted>

8/9/19, 8:36 PM - PDG&A: <Media omitted>

8/9/19, 8:36 PM - PDG&A: Yes

8/9/19, 9:33 PM - PDG&A: Pls ask Elbert to draft reply to gauravjeet

8/9/19, 9:34 PM - PDG&A: Should go tonight

8/10/19, 10:46 AM - PDG&A: The treatment of these reach outliers are basis the growth rate of the Top channels in the Genre (excluding the channels that are flagged as reach outliers) for Hindi News. In the case of English News the growth is capped basis the previous 4 weeks average. In case the growth of the channel is across markets or if multiple channels in the Genre also grow then the treatment is not applied as the reach growth can be attributed to breaking news/special events.

8/10/19, 10:47 AM - PDG&A: Honestly this can be coded

8/10/19, 11:28 AM - Romil Ramgaria Barc: Yes agree - MR has done that

8/10/19, 11:54 AM - PDG&A: Spoke to Rohit and Gauravjeet

8/10/19, 11:54 AM - PDG&A: Rohit was of the view that numbers should be moderated down but gauravjeet was of the view that in light of board discussion we should not recommend that

8/10/19, 11:55 AM - PDG&A: Rohit finally agreed

8/10/19, 11:55 AM - PDG&A: So Gauravjeet will write a mail now to say Techcomm can't decide since board has a view - pls refer to Board

8/10/19, 11:55 AM - PDG&A: Sun HD is 3.5x of usual right?

8/10/19, 11:57 AM - Romil Ramgaria Barc: 3x 8Y"

8/10/19, 12:01 PM - PDG&A: K

8/10/19, 12:20 PM - Romil Ramgaria Barc: So what do we do this week,

8/10/19, 12:21 PM - PDG&A: Let Gauravjeet reply - we forward that to board and give them deadline and alternative similarly

8/10/19, 12:35 PM - Romil Ramgaria Barc: Ok

8/10/19, 1:45 PM - Romil Ramgaria Barc: You might want to talk to nakul also once before we send this mail

8/10/19, 1:51 PM - PDG&A: Will tell

8/10/19, 1:51 PM - Romil Ramgaria Barc: Should we send the mail

8/10/19, 1:52 PM - Romil Ramgaria Barc: My sense is everyone will say - we shall wait for the OC report

8/10/19, 1:52 PM - Romil Ramgaria Barc: And then let's take a call

8/10/19, 1:52 PM - Romil Ramgaria Barc: But OC is not forming any view on this

8/10/19, 1:53 PM - PDG&A: I think send

8/10/19, 1:53 PM - Romil Ramgaria Barc: Ok

8/10/19, 4:23 PM - PDG&A: Spike to nakul

8/10/19, 4:23 PM - PDG&A: Will talk to you

8/10/19, 7:19 PM - Romil Ramgaria Barc: Missed voice call

8/10/19, 7:26 PM - PDG&A: He also commented that we don't have records of why we cut how much

8/10/19, 7:28 PM - PDG&A: We should have a narrative of how we faced market - learnt and evolved and built processes in parallel

8/10/19, 7:29 PM - PDG&A: How MR2 then MR3 happened

8/10/19, 7:29 PM - PDG&A: And now we are testing MR4 which will have all records

8/11/19, 12:36 PM - Romil Ramgaria Barc: Reach increase for News 18 Kannada is 47% and all markets have grown in similar levels

8/11/19, 12:36 PM - Romil Ramgaria Barc: Reach increase for News 18 Kannada is 47% and all markets have grown in similar levels

8/11/19, 12:36 PM - Romil Ramgaria Barc: News 18 TN the increase is around 68% but Kerala the increase is 167% on Friday

8/11/19, 12:36 PM - Romil Ramgaria Barc: They have taken multiple landing pages. We are rationalising this

8/11/19, 12:37 PM - PDG&A: Yes

8/11/19, 12:37 PM - PDG&A: Also since cnn news 18 has given up multiple Landing - see if their reach is down

8/11/19, 12:38 PM - PDG&A: Apparently some prasad guy is guiding these calls and he is saying give Landing to colors

8/11/19, 12:39 PM - Romil Ramgaria Barc: Hmmm - yes they have given up News18 Hindi, cnnnews in favour of regional news, regional GEC and colors

8/11/19, 12:40 PM - PDG&A: So they must be seeing the arbitrage

8/11/19, 12:40 PM - PDG&A: English news won't give them much money by being no 2 or 1

8/11/19, 12:41 PM - PDG&A: Colors will give disproportionately more

8/11/19, 12:41 PM - Romil Ramgaria Barc: Yes

8/11/19, 12:41 PM - Romil Ramgaria Barc: But we will control the news ones?

8/11/19, 12:41 PM - PDG&A: Yes

8/11/19, 12:41 PM - PDG&A: Till board decides otherwise

8/11/19, 12:41 PM - Romil Ramgaria Barc: Though our SOP it's only Hindi and English news for reach outliers

8/11/19, 12:42 PM - Romil Ramgaria Barc: But will do for this also - else it will become a joke

8/11/19, 12:42 PM - PDG&A: Yes principle should be same

8/11/19, 12:42 PM - PDG&A: If anything spikes abnormally we should

8/11/19, 12:48 PM - Romil Ramgaria Barc: But not GEC's so far / ideally we should control sun HD Laos

8/11/19, 12:48 PM - Romil Ramgaria Barc: Also

8/11/19, 12:49 PM - PDG&A: Yes let's see what board says

8/11/19, 12:49 PM - PDG&A: Principle should be same in my view

 8/15/19, 10:12 AM - Romil Ramgaria Barc: I think holds true if it is q1 20.

1. For Zee Domestic

advertising revenue grew by 4.2% YoY to Rs. 11,322 million. Domestic subscription revenue grew by 46.7% YoY to Rs. 6,240 million.

2. As per Network 18 q1 investor report - New Tariff Order (NTO) implementation pains have smoothened as the value-chain adjusts to the new regime, and our subscription income has received a boost.

3. For network 18, subscription revenue growth in Q1 is 48% yoy whereas Ad revenues have dropped -4%. At an overall level (ad + subs) growth is 10%.

Hence, we can say growth in subscription revenue has compensated drop in ad revenue

8/26/19, 6:59 PM - PDG&C: Apprehensive about yes bank route now

8/26/19, 7:00 PM - PDG&C: Karan could spill to ashish

8/26/19, 7:06 PM - Romil Ramgaria Barc: Hmmm ok

8/27/19, 5:27 AM - Romil Ramgaria Barc: Avinash also mentioned if Aaj Tak is going some tapering along with india tv ॐ I said NO

8/27/19, 5:28 AM - Romil Ramgaria Barc: Not that we have come across anything. Then how come the gap is become so steep between them and others

8/27/19, 6:52 AM - PDG&C: Hmmm

8/27/19, 12:41 PM - PDG&C: This girl i met from star sports for dinesh s team

8/27/19, 12:41 PM - PDG&C: I think she has potential - should be in broadcaster or growth team rather than agencies - where she may get bored

8/27/19, 12:42 PM - Romil Ramgaria Barc: Let her start there and then we can move her - right now we need there since Prashant is leaving and Anjali is ineffective

8/27/19, 12:42 PM - PDG&C: She was interacting with brands already

8/27/19, 12:42 PM - PDG&C: Kedar - take there

8/27/19, 12:42 PM - PDG&C: Madison guy

8/27/19, 12:42 PM - Romil Ramgaria Barc: Hmm ok

8/27/19, 2:15 PM - PDG&C: Lots of gaps between what OC wants and Prashant/suma are towards - directionally - you may need to step in asap

8/27/19, 2:43 PM - Romil Ramgaria Barc: Ok

8/27/19, 5:01 PM - PDG&C: Pls ask Prashant/suma to circulate the slides by tonight and then four of us can get into a call tom

8/27/19, 5:01 PM - PDG&C: The 3/4 points i asked today

8/27/19, 5:01 PM - PDG&C: The other ppt should be made only when we receive content from PT over mail

8/27/19, 6:20 PM - Romil Ramgaria Barc: Doing this LEAP thing on mail won't help - is my view - this is more important for optics - actually nothing will come out - that would be better f2f and show it's transparent etc

8/27/19, 6:23 PM - PDG&C: Ok let's talk

8/28/19, 3:44 PM - PDG&C: As a strategy we should not offer them only digital - it should be TV plus digital

8/28/19, 3:45 PM - Romil Ramgaria Barc: They want our help on fusion

8/28/19, 3:45 PM - Romil Ramgaria Barc: No measurement etc - largely MSCI and software help

8/28/19, 3:46 PM - PDG&C: Oh ok

8/28/19, 3:51 PM - Romil Ramgaria Barc: <Media omitted>

8/28/19, 3:55 PM - PDG&C: Put it out

 9/4/19, 8:09 PM - PDG&A: What's the issue on that?
 9/4/19, 8:28 PM - Romil Ramgaria Barc: As per PT we needed 3.9L sample. Nielsen reworked it to 3.4L - hence that alignment is left which should get closed by tomorrow
 9/4/19, 8:47 PM - PDG&A: Ok
 9/5/19, 12:31 PM - PDG&A: Any progress on that Kartik meeting?

Jose Manuel is traveling and he asked me to contact you due an urgent issue: today we received a letter from WPP Portugal referring that they are selling the 40% of Marktest Group to Kantar Netherlands. We have the right of first refusal and we think that if BARC could has interest on Marktest to do more synergies with us, since it could be focused in the spirit of Joint Venture that we were being speaking, we could buy the stake and sell to BARC. Please let me your thoughts on this. Best Regards, P&@

 9/26/19, 7:45 PM - Romil Ramgaria Barc: Just one request sir.. post your email to all clients.. you and partho da will have to support me in the sense that pls disuade the clients to directly reach to you, more so when we are proactively trying to reach out to them. Here I am not taking about Kalli, Uday and Rajant ji and the likes.. we are documenting everything and tomorrow they cannot blame us for being reactive.. but till the time you entertain these guys they will never reach out to us.. may lobe slowly but you have to tell them that we have got a competitive team to work with you guys and only if things doesn't change they may reach, call, write or even compliant against us..
 9/26/19, 7:45 PM - Romil Ramgaria Barc: I am not bothered about Malhotra.. he is an insecure person.. it shows him in poor light.. but for putting certain things in order we have to make a concerted effort..

 9/28/19, 9:25 PM - Romil Ramgaria Barc: Ok
 9/30/19, 10:51 AM - PDG&C: ask Niraj to do a breaking news on this - call it exclusive
 9/30/19, 11:04 AM - Romil Ramgaria Barc: 1) OC gave a thumbs up to the existing process and mentioned the same should continue 2) the outlier process is impartial and not prejudiced towards any particular channel 3) the entire process is fair, credible and comparable. 4) there is nothing manual and the process is fully rule and algorithm based 5) process is based on sound fundamentals 6) OC is working to find a better rule for landing page treatment and till the time current rule to continue 7) it also observed that details of statistical forums for landing or tampering should not be discussed with tech comm and board since both are users and customers of data. 8) it also suggested a permanent OC sign off data to give more confidence to stakeholders.
 9/30/19, 11:05 AM - PDG&C: statistical formulae
 9/30/19, 11:06 AM - PDG&C: rest ok

10/5/19, 10:06 AM - PDGÂ©: But if they pledge at anytime - they should report to exchanges na
10/5/19, 10:06 AM - PDGÂ©: So did they not disclose earlier?
10/5/19, 10:07 AM - Romil Ramgaria Barc: This was strictly not a pledge but just a collateral - as per a new disclosure requirement even they are considered as pledge - hence coming to light now -
10/5/19, 10:07 AM - PDGÂ©: Ok
10/5/19, 10:07 AM - PDGÂ©: So no new money flowing in?
10/5/19, 10:08 AM - Romil Ramgaria Barc: Yes unlikely - I am surprised how PG was calm on Thursday

â€¢ Current 22% stake â€¢ expect the promoter stake not to go down further and lenders to stick to the agreement

â€¢ *No repayment is due in the next 3months, but expect to resolve by then*

â€¢ Pledging was indirect encumbrance that was created; they could be potentially invoked and sold when needed

â€¢ *VTB can sell the ZEEL shares directly if required, 1 year is remaining for the loan maturity*

â€¢ Standstill agreement has not changed

â€¢ Covenants with VTB â€¢ has any covenant been breached as of now? Will check and come back, in constant dialogue with VTB

â€¢ The *disclosure made by VTB was pertaining to a SEBI circular released on 7th Aug 2019*

â€¢ Debt levels disclosed in Jan donâ€™t stand today; some has been repaid and some have matured

â€¢ Monetisation of the non-media assets â€¢ Still working on the sale, have already paid half the debt so far; confident that we should be able to achieve the timelines put in sight

â€¢ *Open to strategic investors still â€¢ whoever would be looking to participate*

â€¢ Other assets are also there except the ZEEL shares; have options to exercise to repay the debt

â€¢ Securities that local lenders have comprised not just of ZEEL shares but also of other group entities

â€¢ How much of promoter debt is due by March? Donâ€™t have the details, maturity starts from end of Q4FY20 to FY21, but committed to resolve much before the maturity dates

â€¢ Expect some resolution to happen in the next 3 months from the various group asset sale

â€¢ Have a certain timeline that the mgmt is working currently to resolve the debt issue; still willing to work for ZEE if the process allows in case the stake goes down materially

10/8/19, 5:31 PM - Romil Ramgaria Barc: After Ram Siya Ke Luv Kush getting banned in Punjab, Bigg Boss might get into trouble.

The Confederation of All India Traders (CAIT) has sent a letter to the Information and Broadcasting Minister Prakash Javadekar urging him to impose a ban on the 13th season of the reality TV show Bigg Boss on grounds of vulgarity.

A traders' body has slammed the show over the concept of 'Bed Friend Forever.'
10/8/19, 5:34 PM - PDG&@: Sudhanshu ka time thik nahi chal raha hai
10/8/19, 5:34 PM - Romil Ramgaria Barc: Ya
10/8/19, 5:35 PM - PDG&@: Luv kush is banned in Punjab? Fastway not carrying?
10/8/19, 5:35 PM - Romil Ramgaria Barc: It was - will check current weeks
10/9/19, 8:30 AM - Romil Ramgaria Barc: After facing so much of criticism on the internet, channel has corrected the things just now in today's episode.. They have dropped out the concept of 'bed friend forever'

[in this concept, they had paired up contestants (male-female) in launch episode. There was a rule that, these contestants must share the same bed]
10/9/19, 8:31 AM - PDG&@: Hmm
10/9/19, 8:31 AM - Romil Ramgaria Barc: Before ban on the show, it used to rate 1.5-2 in Punjab Urban.
Post ban on the show, number has dropped to 0.3-0.5 tivr.

This range is consistent post ban in w36, indicates there's still ban on the show.
10/9/19, 8:31 AM - Romil Ramgaria Barc: Post w36, numbers are coming only from Pay DTH
10/9/19, 8:31 AM - Romil Ramgaria Barc: Digital cable ratings are zero
10/9/19, 8:31 AM - Romil Ramgaria Barc: But switch off on digital cable are happening also for npt
10/9/19, 8:31 AM - Romil Ramgaria Barc: Their regular repeat is at 1400 hours in the afternoon
10/9/19, 8:31 AM - Romil Ramgaria Barc: Ratings are zero on digital cable for this repeat airing as well
10/9/19, 8:57 AM - PDG&@: We should update our colors ppt - also with the things we wanted added
10/9/19, 8:57 AM - PDG&@: When can we see that again

 11/28/19, 12:41 PM - PDG@C: Ambani Said in Talks to Sell News Assets to India's Times Group
 2019-11-28 06:27:05.25 GMT

By Baiju Kalesh, Anto Antony and P R Sanjai
 (Bloomberg) -- Billionaire Mukesh Ambani is in talks to sell his news media assets to India's Times Group, as Asia's richest man plans to unload a business that's been losing money, people familiar with the matter said.
 Bennett Coleman & Co., the publisher of the Times of India, is looking to hire advisers for due diligence on the news properties of Ambani's Network18 Media & Investments Ltd., the people said, asking not to be named as the discussions are private. Ambani is considering various options, ranging from an outright exit to a stake sale, one of the people said.
 Talks are at an early stage and may not result in a deal, the people said, adding more suitors may emerge. A representative for Bennett Coleman didn't immediately respond to a request for comments, while a spokesman for Reliance Industries Ltd. said the parent of Network18 evaluates opportunities on an ongoing basis and declined to comment further.

The tycoon's plan to dispose of his news assets comes as he pursues talks to sell a stake in Network18's entertainment division that encompasses various movie, music and comedy channels to Sony Corp. Bloomberg News reported last week that the Japanese giant is currently examining the books of the Indian media company and is considering several potential deal structures. Network18 reported a group loss of 1.78 billion rupees (\$25 million) in the year ended March, while its net debt stood at 28 billion rupees, according to the company.
 Sony Said to Be in Talks to Buy Stake in Ambani's TV Network (2)

Ambani's oil-to-petrochemicals conglomerate is in the midst of streamlining its operations and pivoting more toward relatively new ventures such as retail and technology for revenue. Last month, Reliance Industries unveiled a digital-services holding company that would eventually provide services from e-commerce to entertainment on a telecommunications network built over the last few years with about \$50 billion in investment.

Network18, acquired by Reliance Industries in 2014, owns and operates 56 local channels spanning news and entertainment. News properties include MoneyControl, News18, CNBCTV18.com, CricketNext and Firstpost. Its subsidiary TV18 Broadcast Ltd. houses news channels.

Unlisted Bennett Coleman, also known as the Times Group, owns television channels, including Times Now and ET Now. Besides the Times of India, it also publishes the Economic Times, a pink financial daily.

1/13/20, 9:54 AM - Romil Ramgaria Barc: If you are around today or tomorrow will come across
1/13/20, 10:02 AM - PDGAC: Yes am around - what time? During day it can be at MCA or in the evening at home
1/13/20, 10:02 AM - Romil Ramgaria Barc: Around 630/7?
1/13/20, 10:02 AM - PDGAC: Ok come home then
1/13/20, 10:02 AM - Romil Ramgaria Barc: Ok
1/13/20, 12:23 PM - Romil Ramgaria Barc: *Broadcasters's case against TRAI tariff order listed for tomorrow*

With just two days remaining for a deadline to file amended TV channel tariffs, a case filed by India's big broadcasters in the Bombay High Court has been listed for hearing tomorrow in front of Justice SC Dharmadhikari.

Broadcasters, including Star India, Zee Entertainment, Sony Networks and others, have come together under the banner of Indian Broadcasting Foundation to oppose TRAI's decision to bring down TV channel prices.

In order to prevent a repeat of 2017 situation, in which cases were filed in several courts across India, TRAI has filed caveats in all the major high courts against issuing a stay without hearing what it has to say in the matter.

1/13/20, 12:24 PM - PDGAC: Trai getting wiser?
1/13/20, 12:24 PM - Romil Ramgaria Barc: Yup
1/13/20, 12:25 PM - PDGAC: Is this the same justice who has handled any such case - nothing was in Bombay i suppose
1/13/20, 12:25 PM - Romil Ramgaria Barc: No. But he is perceived to be a neutral judge and who follows the rule of law
1/13/20, 12:25 PM - Romil Ramgaria Barc: So don't think if they will get a stay
1/13/20, 12:26 PM - Romil Ramgaria Barc: He is supposed to be good and bright and understands stuff
1/13/20, 12:26 PM - PDGAC: K
1/13/20, 12:28 PM - Romil Ramgaria Barc: But he is generally a negative judge so relief may not be easy
1/13/20, 12:28 PM - PDGAC: Oh
1/13/20, 12:29 PM - Romil Ramgaria Barc: Good for TRAI - anyways this is absolutely in their jurisdiction what they have done
1/13/20, 12:30 PM - PDGAC: Yes but this so much operational interference is bad for industry
1/13/20, 12:30 PM - Romil Ramgaria Barc: Yeah - that's true from ops standpoint
1/13/20, 12:31 PM - Romil Ramgaria Barc: But they called for it but not siding and playing with them
1/13/20, 12:31 PM - Romil Ramgaria Barc: Which telecom is doing now
1/13/20, 12:31 PM - Romil Ramgaria Barc: After being mature
1/13/20, 12:31 PM - Romil Ramgaria Barc: Which am sure media will also do 3-4 years down the line
1/13/20, 12:34 PM - PDGAC: Yes but the same TRAI has killed telecom industry in the process
1/13/20, 12:36 PM - Romil Ramgaria Barc: Yes - if it kills Vodafone then will be bad. Else I think three player market is good even from competition standpoint
1/13/20, 12:36 PM - PDGAC: Voda is mostly dead - no investment anymore
1/13/20, 12:37 PM - Romil Ramgaria Barc: Yeah. But tariff increase can help - second one will also come

1/22/20, 6:18 PM - Romil Ramgaria Barc: Hmm
1/22/20, 6:18 PM - PDG&@: Kevin coming would have pulled down the stature of the board further
1/22/20, 6:20 PM - Romil Ramgaria Barc: Yes absolutely
1/22/20, 6:20 PM - Romil Ramgaria Barc: And would have made PG etc to think about exiting
1/22/20, 6:20 PM - Romil Ramgaria Barc: But everyone will curse it to keep it under pressure knowing very well the importance of it

1/23/20, 5:10 PM - PDG&@: So just lie low and move out

1/23/20, 5:13 PM - Romil Ramgaria Barc: Through vidooly
1/23/20, 5:13 PM - PDG&@: To be integrated?

 1/24/20, 9:15 AM - PDG&O: Has india tv started jumping?
 1/24/20, 10:18 AM - Romil Ramgaria Barc: Not really
 1/24/20, 10:20 AM - PDG&O: Surprising
 1/24/20, 10:20 AM - PDG&O: Maybe waiting for some time - they have plans to increase reach numbers
 1/24/20, 10:21 AM - Romil Ramgaria Barc: oY~S
 1/24/20, 10:21 AM - PDG&O: When is the new algorithm expected to hit
 1/24/20, 10:21 AM - Romil Ramgaria Barc: March or so - but that is more landing page lead
 1/24/20, 10:22 AM - Romil Ramgaria Barc: Don&O't think India TV will spend on LP
 1/24/20, 10:22 AM - PDG&O: No their forte is tampering
 1/24/20, 10:22 AM - PDG&O: Once you go that route very difficult to come back
 1/24/20, 10:22 AM - Romil Ramgaria Barc: Yes true
 1/24/20, 10:22 AM - PDG&O: Since the operators will say spend money or else we will pull you down
 1/24/20, 10:28 AM - Romil Ramgaria Barc: Yes - it&O's a trap
 1/27/20, 1:22 PM - Romil Ramgaria Barc: sunil wants MA to be with me only -
 1/27/20, 1:22 PM - PDG&O: oY~S
 1/27/20, 1:22 PM - Romil Ramgaria Barc: am asking it to be moved out - tables turn oY~S
 1/27/20, 1:22 PM - PDG&O: oY~S oY~S
 1/27/20, 1:22 PM - PDG&O: Yes would have been better for you - without ma
 1/27/20, 1:23 PM - PDG&O: But sunil would have realised now that Market side and production has to be aligned
 1/27/20, 1:23 PM - PDG&O: What happens to nakuls objections on this
 1/27/20, 1:23 PM - PDG&O: oY~S
 1/27/20, 1:24 PM - Romil Ramgaria Barc: i have a feeling that nakul is now confident that it is fully process lead - last week he was the one defending MA process with sunil on ATS controls
 1/27/20, 1:24 PM - Romil Ramgaria Barc: sunil wanted all of it to let go
 1/27/20, 1:24 PM - Romil Ramgaria Barc: nakul defended that process is fine and it should continue oY~S
 1/27/20, 1:24 PM - PDG&O: This is pro Star
 1/27/20, 1:24 PM - PDG&O: Now this is pro Zee
 1/27/20, 1:25 PM - PDG&O: So there lies the origins of these views
 1/27/20, 1:25 PM - Romil Ramgaria Barc: but nakul won't align to zee
 1/27/20, 1:25 PM - Romil Ramgaria Barc: so far he is been quite neutral
 1/27/20, 1:25 PM - PDG&O: Zee changing stand because Star and don't does landing
 1/27/20, 1:25 PM - PDG&O: He is - gratitude for 25 lacs a month oY~S

 1/27/20, 1:26 PM - PDG&O: Reversal of Funits stand
 1/27/20, 1:27 PM - PDG&O: Based on situation oY~S
 1/27/20, 1:27 PM - Romil Ramgaria Barc: absolutely -
 1/27/20, 1:28 PM - Romil Ramgaria Barc: also trying hard to change things but finding difficult - i am supporting him fully - but he realises that too much change will break the process flow

 1/27/20, 1:29 PM - Romil Ramgaria Barc: praddy, paritosh etc
 1/27/20, 1:29 PM - PDGAS: That could be good
 1/27/20, 1:29 PM - PDGAS: Useless
 1/27/20, 1:29 PM - Romil Ramgaria Barc: have told him - cannot hire paritosh directly - will be conflict with discom
 1/27/20, 1:29 PM - PDGAS: Yes
 1/27/20, 1:30 PM - Romil Ramgaria Barc: but figuring out a via route
 1/27/20, 1:30 PM - PDGAS: Also ABP?
 1/27/20, 1:30 PM - PDGAS: Isn't he still advising them?
 1/27/20, 1:30 PM - Romil Ramgaria Barc: the problem is to get these guys to work and add value
 1/27/20, 1:30 PM - Romil Ramgaria Barc: which will not be easy
 1/27/20, 1:30 PM - Romil Ramgaria Barc: he is advising ABP
 1/27/20, 1:30 PM - PDGAS: They will only give gyan
 1/27/20, 1:30 PM - PDGAS: Then he can't be inside barc
 1/27/20, 1:31 PM - PDGAS: Even Discom can be challenged
 1/27/20, 1:31 PM - PDGAS: Now that ABP is also in tampering game
 1/27/20, 1:31 PM - PDGAS: No reaction from ABP and india tv on notice?
 1/27/20, 1:32 PM - Romil Ramgaria Barc: ABP is super stresses
 1/27/20, 1:32 PM - Romil Ramgaria Barc: India TV haven't gone out yet
 1/27/20, 1:32 PM - Romil Ramgaria Barc: data basis finding it difficult -
 1/27/20, 1:33 PM - Romil Ramgaria Barc: since in data we only see R1 which has been since some time
 1/27/20, 1:33 PM - Romil Ramgaria Barc: finding out some other logic to send them
 1/27/20, 1:33 PM - PDGAS: Hmmm
 1/27/20, 1:33 PM - PDGAS: But videos there?
 1/27/20, 1:33 PM - Romil Ramgaria Barc: We are not using videos any
 1/27/20, 1:33 PM - Romil Ramgaria Barc: Only data based in discom
 1/27/20, 1:33 PM - PDGAS: Yes that's what
 1/27/20, 1:34 PM - PDGAS: If data is not showing strongly then you cant
 1/27/20, 1:34 PM - PDGAS: ABP is backed by strong data?
 1/27/20, 1:54 PM - PDGAS: Biggest change he can bring about and what he could be remembered for is - digital
 1/27/20, 1:54 PM - PDGAS: Marginal changes in partnership could be good but won't leave a mark
 1/27/20, 1:54 PM - Romil Ramgaria Barc: yes
 1/27/20, 1:54 PM - Romil Ramgaria Barc: yes agree
 1/27/20, 1:55 PM - Romil Ramgaria Barc: yes absolutely
 1/27/20, 1:55 PM - Romil Ramgaria Barc: its his birthday today
 1/27/20, 1:55 PM - PDGAS: Think about it - Paritosh should abstain and no documents on the case should go to him typically
 1/27/20, 1:55 PM - PDGAS: Yes wished Last night
 1/27/20, 1:56 PM - PDGAS: Prady and Paritosh won't be good additions to partnerships
 1/27/20, 1:56 PM - Romil Ramgaria Barc: paritosh actually abstained on his own -
 1/27/20, 1:56 PM - PDGAS: Neither understands sales and Paritosh is too theoretical - will piss off people

3/31/20, 6:46 PM - Romil Ramgaria Barc: Hmm - I felt it off very well. Was speaking to the team and also to for who attended - but yes 1/2 answers could have been better responded

3/31/20, 6:47 PM - PDGAS: You should handle some of these till he understands things well

3/31/20, 6:48 PM - PDGAS: This is the genrewise growth slide

3/31/20, 6:49 PM - PDGAS: Also some issue 6% vs 8%

3/31/20, 6:49 PM - Romil Ramgaria Barc: Numbers were right / not explanation

3/31/20, 6:49 PM - PDGAS: Apparently he mentioned you too saying should be corrected

3/31/20, 6:52 PM - PDGAS: Which is important

3/31/20, 6:52 PM - PDGAS: But give some boost to external

3/31/20, 6:53 PM - PDGAS: Also some comments on Sunil recommending a genre

4/2/20, 4:50 PM - PDGÂ©: For those of you using Zoom or for those of you who that have kids that are using Zoom to communicate with their schools, this is a serious issue. (Anonymous users 'bombing' Zoom meetings with pornographic or other offensive content.)

As the article states:

"On Zoom, there is a default setting that allows any meeting participant to share their screen without permission from an event's host. Anyone who has a link to a public meeting can join. Links to public Zooms are traded in Facebook Groups and Discord chats, and are easily discoverable on Twitter and public event pages.

"We have been deeply upset to hear about the incidents involving this type of attack. For those hosting large, public group meetings, we strongly encourage hosts to change their settings so that only they can share their screen. For those hosting private meetings, password protections are on by default and we recommend that users keep those protections on to prevent uninvited users from joining," said a spokesperson for Zoom Video Communications in a statement.

The post included tips for users seeking to "keep the party crashers" out of their videoconferences, including limiting screen-sharing to certain participants and making events invitation-only.

 4/11/20, 1:54 PM - PDG&A: Or is it State wise now
 4/11/20, 1:55 PM - Romil Ramgaria Barc: I think he will - states want him to announce - let's see
 4/11/20, 1:55 PM - Romil Ramgaria Barc: MAH will be till 15th may is my sense
 4/11/20, 1:56 PM - Romil Ramgaria Barc: And restricted movement for another month
 4/11/20, 1:56 PM - PDG&A: Hmmm

 4/13/20, 1:30 PM - PDG&A: Yes I also think so but money upfront is always better
 4/13/20, 1:31 PM - PDG&A: So maybe some inteligent way - say in May the 25% happens and June the prepayment happens so that all that load comes on November payment
 4/13/20, 1:32 PM - PDG&A: But we are in April so faster we work these out - we will be on time for payments
 4/13/20, 1:32 PM - PDG&A: Or else it gets delayed

SUMMARY OF RECOMMENDATIONS

- 3.1 Structural reforms are required in BARC to mitigate the potential risk of conflict of interest, improve credibility, and bring transparency, and instill confidence of all stakeholders in the TRP measurement system.
- 3.2 The composition of BARC India should be changed as part of the proposed structural reforms. The Board should have at least fifty percent independent members, which should include one member as a measurement technology expert, one statistician of national repute from among the top institution(s) of the country and two representatives from the Government/Regulator.
- 3.3 Restructured Board of BARC India should provide for equal representation of the three constituent Industry Associations, namely; AAAI, ISA and IBF and with equal voting rights irrespective of their proportion of equity holding. Tenure of the members of the board shall be for two years.
- 3.4 Active participation of representatives of the Advertisers and the advertising agency will bring more accuracy, transparency, credibility, and neutrality in the system, due to their inherent need of advertisers to reach viewers accurately.
- 3.5 The constituent Industry Associations shall be entitled to nominate their representatives to the board membership subject to the condition that a cooling period of 4 years shall be applicable between two consecutive tenures, for any such nominee member.
- 3.6 Tenure of the Chairman of the Board should not be more than 35 two years. Chairmanship of the Board shall be rotated among the constituent industry associations in every two years.
- 3.7 Number of members in the technical committee should be increased to 5 with addition of two external technical experts.
- 3.8 An Oversight Committee should be formed to guide BARC India in the areas of research, design and analysis, constantly improving the rating system. The Oversight Committee shall be broad based with representation from the National Council of Applied Economic Research, IIM, IIT, media research expert and demography expert, nominee from the Ministry of Information & Broadcasting, and TRAI. The Committee should also be responsible for nomination/appointment of independent members of the Board as well as to give policy direction to BARC India, if it is so required.
- 3.9 To create credible and accurate collection of data, multiple data collection agencies need to be encouraged. Competition and multiple agencies for data

collection and processing would bring in new technologies, new research methodologies, new methods in analysis, new and better ways to ensure better data quality.

3.10 BARC should be at an arm's length from its own subsidiary, Meterology Data Pvt Ltd., which is the sole data collecting agency for BARC, as of now; so that the entire process of measurement is carried out independently to ensure inherent checks in data inconsistency, i.e., there should be a clear demarcation of the roles between the data collection agency and the data processing/publishing agency.

3.11 Efforts may be made to withhold the identity of the channel's name, and number, while collecting and processing the data from the field to bring more transparency in the complete process.

36

3.12 BARC should also separate its functions in two units (a) one unit should be responsible for prescribing methodology of ratings/validation of data, publishing the data and audit mechanism and (b) the other unit for processing the data, watermarking or any other such technical work including management of data collection agencies.

3.13 Once multiple agencies come forward for rating, BARC should limit its role to publishing the ratings, and framing methodology and audit mechanism for the rating agencies, so that the number of agencies can develop multiple rating system leveraging new technologies.

3.14 The rating agency should be mandated to increase the sample size from the existing 44,000 to 60,000 by the end of 2020, and 1,00,000 by the end of 2022 using the existing technology.

3.15 BARC shall immediately conduct a study in collaboration with the Indian Statistical Institute or any other institute of repute, to estimate the appropriate sample size, and to get the correct representation of the viewership including regional and niche channels. Sample size once increased; it will make the data tampering an arduous exercise. On the basis of the study conducted, BARC should reach the target of reaching the sample size in a time-bound manner.

3.16 There should be some financial disincentives prescribed as penal provisions including the cancellation of registration, if the specified target is not met by BARC.

3.17 MIB should amend the DTH License and MSO registration so as to mandate STBs capable of transferring viewership data and adoption of RPD technology. This transfer of data can be done by establishing a return path/connection from STB to the

37

remote servers of the Audience Measurement agency.

3.18 Anonymized viewership data should be transferred electronically to the Audience Measurement agency for statistical analysis and Television Rating purpose. No data from any STB should be transferred to Rating agency without explicit consent from the subscribers.

3.19 DPOs should be allowed to mutually negotiate the terms and conditions for sharing the data with Measurement Rating agency within the overall framework prescribed by TRAI from time to time. Such framework shall be prescribed by TRAI once these recommendations are accepted by MIB.

3.20 BARC should keep all relevant data such as original data (meter-level data) arising out of the household panel, the data deleted/ignored/not considered for ratings and the resultant processed data for TRP rating at least

for one year in the same format and pattern as in the final ratings, declared to the subscribers including Broadcasters, advertising agencies, and advertisers.

3.21 BARC should review/frame its outlier policy based on scientific study and market survey conducted from time to time. BARC should automate data processing in such a manner that no manual intervention is required before the final TRP rating is released. Any type of manual intervention in the meter-level /raw data arising out of household panel must be avoided. Manual intervention, if any, in abnormal circumstances should be reported and informed to the auditors also.

3.22 Adequate framework for grievance redressal may be made having nodal officers and Appellate body so that the grievance(s) of stakeholders can be effectively addressed in a time-bound manner. BARC should also develop a portal wherein any

38

stakeholder can raise the grievance(s) with regards to ratings published by the agency.

3.23 BARC should get annual audit conducted by an independent agency to ensure conformance with TRP rating methodology, sample size, and grievance redressal methodology and publish the audit report on their website after the Board's approval within three months, after the end of the financial year. An audit manual should be made to ensure accuracy of the process adopted for ratings, household-panel selection, functioning, and data collection for overall rating systems.

3.24 An internal audit committee may be constituted headed by a member of AAAI or ISA to audit processes, sample size, rating methodology and effective redressal of grievances in a time-bound manner. Quarterly report of internal audit committee must be approved by the Board of BARC within 30 days from the end of quarter and shall be placed on the website of BARC.

 4/29/20, 9:02 AM - PDGAS: This ok?

-- Parho Dasgupta, management consultant and former CEO of BARC India said that he finds some suggestions "every impractical".

"As per the current guidelines companies can establish a rating agency provided they are in compliance with some norms. Problem is the business economics do not support multiple agencies. So, if for so many years multiple agencies didn't happen then why will it happen now," Dasgupta said. "Also, if policies have to change so drastically every 4-5 years, who will invest in such a capex heavy business."

5/6/20, 9:31 AM - PDG&@: ðŸ˜Š

5/6/20, 9:31 AM - PDG&@: Long chats with her

5/6/20, 9:53 AM - Romil Ramgaria Barc: yes evident from the article

5/6/20, 10:15 AM - PDG&@: ðŸ˜Š

5/6/20, 10:15 AM - PDG&@: I didn't want to be quoted

5/6/20, 10:15 AM - PDG&@: But she insisted on my global point - since she thought it adds to the issue

5/6/20, 10:28 AM - PDG&@: You are paying people to write - I don't mind being unpaid evangelistðŸ˜Š„ðŸ˜Š„ behind the curtains for BARC

5/6/20, 10:29 AM - Romil Ramgaria Barc: ha ha - we are actually not paying anyone till now -

5/6/20, 10:29 AM - PDG&@: You are paying a retainer to Paritosh na?

5/6/20, 10:29 AM - PDG&@: Also now AshwaniðŸ˜Š„

5/8/20, 8:41 AM - PDG&@: What all he writes in public space

5/8/20, 8:56 AM - Romil Ramgaria Barc: Hmm - but he has taken this positioning and mindset now

5/8/20, 9:03 AM - PDG&@: Looks like - troll kinds

5/10/20, 12:22 PM - Romil Ramgaria Barc: I request two clarifications from those who have or are considering investing overseas

1. What is better - investing in overseas funds / FOFs or get hold of a portfolio manager with global reach (like Citi) who will construct a portfolio of 5 -10 scrips. Every Indian citizen can invest overseas USD 250000 per year / so a family of 4 can invest upto USD 1 million (approx Rs 7.5 crs). What kind of return in rupee terms can be expected

2. At this point of time, when the broader market in India, (mid caps & small caps) is hammered, should one put money in Indian equities or overseas stocks.

5/10/20, 12:22 PM - Romil Ramgaria Barc: The answer to this is one word - timing - 1. Two months ago or closer to end March, I would invest in Nasdaq/100 when it plunged to an all time low of 7000. Now it has crossed 2020 highs and sitting at 9000, about 30% higher than all time lows for 2020

2. However in contrast the BSE index holds greater promise going forward. So I would opt for option 2 above, given that there is no broad based rally that has occurred yet.

3. To compare the 2 options above we will need to look at a sector specific index like IT and even with that we will need to be stock specific to look at cloud based software stocks on either country to establish a like to like comparison. In short, be an active investor and if possible engage in stock selection yourself rather than relying on fund managers, whether it be NASDAQ or BSE.

4. Costs of investing overseas are unknown to the Indian investor like forex conversion costs, currency appreciation (Inr vs USD, due for correction), fund mgmt fees, etc. which will eat into potential returns.

5. In summary, invest directly in individual stocks which are sector and theme based and avoid indices which are passive investments, for better returns...my 2 cents worth!

5/10/20, 12:37 PM - PDGAS: During my research I realised point 4 and 5 are really relevant

5/10/20, 12:38 PM - PDGAS: There is a clear need of a product which helps transfer funds to LRS and then link to an independent brokerage account like say icicidirect

5/10/20, 12:38 PM - PDGAS: Which operates in Nasdaq

5/10/20, 12:38 PM - Romil Ramgaria Barc: Yes - because of Unknowns and lack of clarity, people stay away

5/10/20, 12:38 PM - PDGAS: This integrated service is just not available and bankers are clueless about how to navigate this

5/10/20, 12:39 PM - PDGAS: One can help open LRS account but doesn't have any clue of the next step

5/10/20, 12:39 PM - PDGAS: There are portfolio managers who can do this but then doesn't have very good track record and are not willing to be transparent

5/10/20, 12:40 PM - PDGAS: Hence last month I went for Motilal S&P fund - it's too broad-based and investing in Indian rupee but gains in exchange conversion apart from index gains

5/10/20, 12:41 PM - PDGAS: Around May 23-24 the index was low only

5/10/20, 12:41 PM - Romil Ramgaria Barc: Hmm. What was nasdaq at that time? Must have been around 8.2k?

5/10/20, 12:41 PM - PDGAS: S&P was around 2600 if I am not mistaken

5/10/20, 12:42 PM - PDGAS: I plan to hold on to it at least 2-3 years

5/10/20, 12:42 PM - Romil Ramgaria Barc: Ok great

5/10/20, 12:42 PM - Romil Ramgaria Barc: Everything trump is doing is for economy only - he is ok if 1L people die but economy cannot suffer

5/10/20, 12:42 PM - PDGAS: There is a clear need gap here

5/10/20, 12:42 PM - Romil Ramgaria Barc: Yeah

5/10/20, 12:43 PM - Romil Ramgaria Barc: Have you got a mail from Prashant or siva on your settlement?

5/10/20, 12:43 PM - PDGAS: Yes and intrinsically I believe in the Americans and Jews in America who have time and again shown they are too good in business

5/10/20, 12:43 PM - PDGAS: Nope

5/10/20, 12:43 PM - Romil Ramgaria Barc: Yes true

5/10/20, 12:44 PM - PDGAS: What's the outcome of your discussions?

5/10/20, 12:44 PM - Romil Ramgaria Barc: Will check - they were supposed to send by Friday

5/10/20, 12:44 PM - Romil Ramgaria Barc: Had told Prashant to figure a middle ground - and close loop with Rahul - will check

5/10/20, 12:45 PM - PDG&@: No agreement says loan needs to be preclosed now and when cash flows are stretched - audit would question that if pointed out

5/10/20, 12:45 PM - PDG&@: Secondly Nakula agreement mentions social benefits to continue 18 months post leaving

5/10/20, 12:46 PM - PDG&@: Now whether that should be interpreted for this is an open question

5/10/20, 12:46 PM - Romil Ramgaria Barc: The interpretation there is towards medical etc

5/10/20, 12:46 PM - Romil Ramgaria Barc: Car not a social benefit

5/10/20, 12:46 PM - PDG&@: But point is no agreement says that loan to be preclosed in May 2020

5/10/20, 12:47 PM - PDG&@: It either should have been pre closed in November 2019 or next 2020 when the cash flows annul

5/10/20, 12:47 PM - Romil Ramgaria Barc: Yes - but the view is it should have been preclosed while doing f&f

5/10/20, 12:47 PM - Romil Ramgaria Barc: Yeah - since itâ€™s a realisation now and hence the issue ðŸ˜Š

5/10/20, 12:48 PM - PDG&@: So it was not done so - everyone was party' to the discussions then and I was communicated clearly on mail the cash flow schedule

5/10/20, 12:48 PM - PDG&@: One cannot change that now

5/10/20, 12:49 PM - PDG&@: Knowing these guys - both siva and Rahul they won't be able to foreclose in May the account - giving Yes bnk reasons

5/10/20, 12:50 PM - Romil Ramgaria Barc: Yes - knowing how slow they are -

5/10/20, 12:50 PM - PDG&@: Hence it will be like I won't get the money and yet company will go on paying bank

5/10/20, 12:50 PM - Romil Ramgaria Barc: Siva has yet not got view on GST implications etc

5/10/20, 12:50 PM - PDG&@: See

5/10/20, 12:50 PM - Romil Ramgaria Barc: No - that you should put the foot down

5/10/20, 12:50 PM - PDG&@: Yes but in that up and down a month will go

5/10/20, 12:51 PM - Romil Ramgaria Barc: No - have asked them put on mail to you - if doesnâ€™t get resolved by mon/tue you should write a formal mail

5/10/20, 12:52 PM - PDG&@: Ok pls advise what to write

5/10/20, 12:52 PM - PDG&@: Maybe I will pick up Siva's November mail?

5/10/20, 12:52 PM - Romil Ramgaria Barc: Yes - will let you know

5/10/20, 12:54 PM - Romil Ramgaria Barc: Yes - May be - and reminding of 22nd may payouts as you have commitments to fulfill basis the agreed dates

5/10/20, 12:54 PM - PDG&@: Ok

5/10/20, 1:36 PM - PDG&@: Is someone buying zee again?

5/10/20, 1:52 PM - Romil Ramgaria Barc: Not sure. Will check

5/11/20, 11:23 AM - PDG&@: India Today is no 2 both in 2+ and 22+ MAB?

5/11/20, 11:23 AM - PDG&@: Times now routed?

5/11/20, 11:23 AM - PDG&@: Two weeks now isn't it?

5/11/20, 11:26 AM - Romil Ramgaria Barc: yes since two weeks

5/11/20, 11:28 AM - PDG&@: Times jumping or all cool nowadays

5/11/20, 11:28 AM - Romil Ramgaria Barc: jumping

5/11/20, 11:28 AM - PDG&@: HmmmðŸ˜Š

5/11/20, 11:29 AM - PDG&@: Have realised MK is useless

5/11/20, 11:29 AM - PDG&@: Can just splurge money

5/15/20, 2:19 PM - PDGAS: Very well
 5/15/20, 2:23 PM - Romil Ramgaria Barc: payout issue sorted - mostly a communication coming to you
 5/15/20, 2:23 PM - Romil Ramgaria Barc: you will receive in may less the tentative recovery portion of Nov - so basically should get around 60-65
 5/15/20, 2:24 PM - Romil Ramgaria Barc: also siva checked on the GST implication - apparently there won't be any implication like that on transfer of car - so that should also be ok
 5/15/20, 2:24 PM - PDGAS: Thank god
 5/15/20, 2:25 PM - PDGAS: So Nov is nil right?
 5/15/20, 2:25 PM - Romil Ramgaria Barc: Yes - few lacs either you will receive or you will have to pay
 5/15/20, 2:25 PM - PDGAS: Ok
 5/15/20, 2:25 PM - Romil Ramgaria Barc: Basis final amounts
 5/15/20, 2:26 PM - Romil Ramgaria Barc: Plus the car transfer
 5/15/20, 2:26 PM - PDGAS: Yes
 5/15/20, 2:27 PM - PDGAS: But - just asking - if I am paying for the car now shouldn't I get the transfer now? What is the correct interpretation
 5/16/20, 10:45 AM - Romil Ramgaria Barc: Sorry forgot to respond. Can be argued both ways. I think it's ok
 5/16/20, 10:46 AM - PDGAS: Ok
 5/16/20, 10:46 AM - PDGAS: But no mail yet
 5/16/20, 10:48 AM - Romil Ramgaria Barc: May come early next week - will check
 5/17/20, 2:47 PM - PDGAS: Siva was messaging me some calculations
 5/17/20, 2:47 PM - PDGAS: I notice everytime figures change - November 19, then April 20 then now May 20
 5/17/20, 2:48 PM - PDGAS: Showed my displeasure to him
 5/17/20, 2:58 PM - Romil Ramgaria Barc: Is it? He told me the figures have remained same at gross level - he messaged me that some net 61 going out to you now - and some 20-21 being withheld towards foreclosure and recovery
 5/17/20, 2:58 PM - PDGAS: Every time it's different
 5/17/20, 2:59 PM - PDGAS: This foreclosure and recovery again is new
 5/17/20, 2:59 PM - PDGAS: And some TCS
 5/17/20, 2:59 PM - PDGAS: Recovery was supposed to be in November alongwith transfer of asset
 5/17/20, 3:00 PM - Romil Ramgaria Barc: Because they want to take one more firm opinion on sales tax. Yes bank still not given foreclosure charges. They are holding back 5L towards all this - which to me is ok boss -
 5/17/20, 3:00 PM - Romil Ramgaria Barc: Atleast mentally you won't have a liability to pay in nov
 5/17/20, 3:00 PM - Romil Ramgaria Barc: Unlikely if there is no sales tax burden -
 5/17/20, 3:02 PM - Romil Ramgaria Barc: Also if you look at the other way - emi payment is an outflow of every month but not recovering that every month - hence should be ok na
 5/17/20, 3:02 PM - PDGAS: That's their inefficiency na? Technically I lose interest on that if I have to be sticky - see I may be ok with all this but the fact that numbers change in every iteration bugs me - maybe something is wrong
 5/17/20, 3:02 PM - PDGAS: Yes but you never know if another calculation will come then
 5/17/20, 3:02 PM - Romil Ramgaria Barc: Gross level it hasn't changed - it remains same - but I will double check -
 5/17/20, 3:03 PM - PDGAS: TCS was not there in earlier two calculations

5/17/20, 3:03 PM - Romil Ramgaria Barc: But if foreclosure happens now, means there will be recovery of 20L from you now and balance payment will happen in nov

5/17/20, 3:03 PM - Romil Ramgaria Barc: Since the difference between foreclosing now and nov is 1-2L you are better off making money in hand

5/17/20, 3:04 PM - PDGAS: That's why I may agree to the 20lac being deducted

5/17/20, 3:04 PM - Romil Ramgaria Barc: As interest income on that will be same

5/17/20, 3:04 PM - PDGAS: But I start not trusting numbers when it changes everytime

5/17/20, 3:04 PM - PDGAS: I remember November calculations had a figure of about 76l in May

5/17/20, 3:05 PM - PDGAS: Then April calculations came as 81l odd

5/17/20, 3:05 PM - Romil Ramgaria Barc: Let me double check this from the old file he had shared -

5/17/20, 3:05 PM - PDGAS: Now it's 61 lacs

5/17/20, 3:05 PM - Romil Ramgaria Barc: This is what I had seen - and hence 20L deduction and 61L payment was making sense

5/17/20, 3:05 PM - PDGAS: You see the flipflop?

5/17/20, 3:06 PM - PDGAS: Yes once you said so I got comfort but not comfortable with Siva's thing

5/17/20, 3:06 PM - PDGAS: Hope he is not making any other mistakes

5/17/20, 3:06 PM - Romil Ramgaria Barc: Let me double check once more

5/17/20, 3:07 PM - PDGAS: Once in February he said company owes me more then after 15 days told it's a mistake

5/17/20, 3:07 PM - PDGAS: This was something on relieving date in system

5/17/20, 3:07 PM - PDGAS: All these do not give you comfort

5/17/20, 3:15 PM - Romil Ramgaria Barc: Yes - siva has been in a big mess. Also on a very sticky wicket - hence is nervous also

5/17/20, 3:15 PM - Romil Ramgaria Barc: Prashant and Rahul both checked these calculations - i also just reconfirmed

5/17/20, 3:16 PM - PDGAS: Ok will go with you

5/17/20, 3:16 PM - Romil Ramgaria Barc: There is a TCS amount of some 1L which is part of 15L deduction - and 5L is on account of foreclosure and other transfer charges -

5/17/20, 3:16 PM - PDGAS: Which will be finally done on actuals I hope

5/17/20, 3:16 PM - Romil Ramgaria Barc: My sense is, if there is no sales tax implication (which currently looks the case) - you should get around 2-3L plus the car in nov - most likely

5/17/20, 3:17 PM - Romil Ramgaria Barc: Yes absolutely

5/17/20, 3:17 PM - PDGAS: Hmmm

5/17/20, 3:17 PM - PDGAS: Separately - call me when you can in the eve - will tell you about some loose talk where your name is coming up - in distribution trade

5/17/20, 3:18 PM - Romil Ramgaria Barc: Yes ok - must be because of TV9 growth -

5/17/20, 3:19 PM - Romil Ramgaria Barc: I also heard the same - but will call you if there is something else

5/17/20, 3:19 PM - PDGAS: No someone else

5/17/20, 3:19 PM - Romil Ramgaria Barc: Ok

5/17/20, 8:10 PM - Romil Ramgaria Barc: Good time?

-Republic Bharat's performance has improved across day parts; Arnab's 7pm slot now operates at 1st/2nd rank; Highest focus on 'Crime/Law & Order' (Palghar killing); Increase in heavy viewers.
 - TV9's growth is led by freedish improvement, lowest FCT and highest concentration on COVID (India and World)

Many at top BCCL management said that Bose has been pilloried over the scandals involving his two men TOI executive Diwakar Asthana and his deputy Rajeev Deshpande who directly report to him. Bose is likely to continue in his given role but the company is firm on releasing expensive deadwood like Asthana and Deshpande to infuse fresh energy.

Apart from them, the incumbent managing editor Rohit Saran has been retained despite his persistence over personal reasons to quit but will be in a consulting role to help the synergies between print and digital editions of flagship brands and help the company find ways to monetise them.

A set of 361 items containing recorded tapes of Asthana with screenshots of social media app exchanges were earlier supplied to top executives of the group individually as well first family members.

The context of conversations has ranged between favouring NSA moves over extraditions and Kashmir plans post article 370 while specific instances were made in his successful front page coverages to ensure he overshadowed Union home minister Amit Shah. In lieu, Asthana its believed also sought help for 11 sleuths and officials working in foreign postings.

The conversations, its believed, also range with news plants by Asthana seeking change of guards in several units of BJP including Delhi, West Bengal and Himachal Pradesh and discontentment over selection of J P Nadda by Shah as saffron outfit's new choice.

One of the conversation, it is also believed that Asthana sought interference over an NPA account of a Ghaziabad-based packaging firm facing liquidity crisis and being given a tender at an IT unit under a top ministry.

Its unclear if BCCL management and the family is looking to terminate contracts for both Asthana and Deshpande right away over their ages and scandals but specific messages were relayed by the esteemed office of Prime Minister between February 16 and May 7 on Asthana's unwanted involvement in the party's functioning and change of portfolios of ministries of trade and commerce, civil aviation, urban development, steel and external affairs.

The executives also confirmed that June will be see a third salary cut to align its skewed Rs 390-crore monthly expenditure spread disproportionate assets and workforce.

The group has also finalised its decision to terminate all extensions of its consultants, both above \$5 and those with salaries above Rs 1 crore, while believing thats imprudent to squander wealth on news collection while focussing on nurturing inexpensive talent.

Top BCCL executives have confirmed that the despite company's robust fiscal health amid global crisis that has shut several businesses across the world, it will resume its powerful pull-out of the Delhi Times (DT) even though the circulation in Maharashtra of its broadsheet and entertainment supplement is yet to begin.

You order, we don't deliver!

Seeking your support as always....

 7/25/20, 11:40 AM - PDG&@: Am I missing something?
 7/25/20, 11:44 AM - PDG&@: oh this - The drop in advertising revenue was largely offset by a 41% jump in domestic subscription revenues, driven by implementation of the new tariff order last year and growth in ZEE's subscription revenues, the company said.
 7/25/20, 11:44 AM - PDG&@: but what a headline

7/28/20, 4:46 PM - PDG&@: Any real document you have seen?
 7/28/20, 4:47 PM - Romil Ramgaria Barc: not really - online a loss making business for them - however now funded by Tencent - Chinese money ढँ-€
 7/28/20, 4:47 PM - Romil Ramgaria Barc: they will make 300-500cr losses this year also in my view
 7/28/20, 4:47 PM - PDG&@: But that may be a small sum - not seen figures anywhere
 7/28/20, 4:47 PM - Romil Ramgaria Barc: but that's the trick for valuation - more the losses more the value
 7/28/20, 4:47 PM - PDG&@: Yes
 7/28/20, 4:48 PM - PDG&@: I suspect their revenues
 7/28/20, 4:48 PM - PDG&@: Mostly online revenues were half print ones
 7/28/20, 4:49 PM - PDG&@: At one time they would print an ad on print with a small strip below saying supported by Indiatimes
 7/28/20, 4:49 PM - PDG&@: Online would get 90% of invoicing and print 10
 7/28/20, 4:49 PM - PDG&@: Then it vecanam 50-50
 7/28/20, 4:49 PM - Romil Ramgaria Barc: hmm - to shore up revenues and get investor
 7/28/20, 4:49 PM - PDG&@: Don't know how it is now
 7/28/20, 4:50 PM - PDG&@: So revenues may be fictitious
 7/28/20, 4:50 PM - Romil Ramgaria Barc: yeah - but crazy
 7/28/20, 4:50 PM - Romil Ramgaria Barc: apparently times broadcast for profitable in fy19 and fy20
 7/28/20, 4:50 PM - Romil Ramgaria Barc: this year they are into existential crisis
 7/28/20, 4:50 PM - PDG&@: Again I doubt - you know costs and revenues
 7/28/20, 4:51 PM - PDG&@: Some accounting jugglery
 7/28/20, 4:51 PM - PDG&@: You saw the TGBCL numberdaar per returns
 7/28/20, 4:51 PM - PDG&@: It was profit
 7/28/20, 4:51 PM - Romil Ramgaria Barc: yeah can be - but the only surprise to me was distribution - they are net positive there-
 7/28/20, 4:51 PM - PDG&@: But that can't be size of company
 7/28/20, 4:51 PM - PDG&@: Losses they are putting in bccl
 7/28/20, 4:51 PM - PDG&@: To save tax
 7/28/20, 4:51 PM - PDG&@: No all will be losses
 7/28/20, 4:52 PM - Romil Ramgaria Barc: which I didn't expect - I was always of the view that they are nett carriage paying company
 7/28/20, 4:52 PM - PDG&@: Yes they are net carriage
 7/28/20, 4:52 PM - PDG&@: Carriage Plus landing minus subscription has to be negative
 7/28/20, 4:52 PM - Romil Ramgaria Barc: but I am told they are net positive since last 2 years
 7/28/20, 4:52 PM - PDG&@: Again accounting
 7/28/20, 4:53 PM - PDG&@: Some in TGBCL some in bccl
 7/28/20, 4:53 PM - Romil Ramgaria Barc: yeah don't know - but than why will MK survive for so long
 7/28/20, 4:54 PM - PDG&@: Point
 7/28/20, 4:54 PM - PDG&@: But some like MK, TK, have this amazing ability to manage shareholders inspite of bad performance
 7/28/20, 4:54 PM - Romil Ramgaria Barc: yeah true
 7/28/20, 4:55 PM - Romil Ramgaria Barc: the letter "K" has some power ढँ-€ even for Ekta

 8/19/20, 11:53 AM - PDGAS: Meanwhile, analysts at Kotak Institutional Equities have 'Reduce' rating on the stock with a fair value price of Rs 185. The brokerage believes re-rating on the stock can be triggered only when the company appoints representative of key institutional shareholders to the Board, when it cancels Sugarbox project in view of weak macro and Jio's plan to launch 5G sooner than later, brings transparency around movie buying, and offers a firm FCF guidance. Separately, a key event to watch out for is shareholder approval for re-appointment of Punit Goenka as MD & CEO at the AGM next month, it said.

8/25/20, 8:29 PM - PDGÂ©: Spreading of the narrative is important
8/25/20, 8:29 PM - PDGÂ©: Otherwise SI will spin it badky
8/25/20, 8:29 PM - PDGÂ©: If you tell shashi he will talk around
8/25/20, 8:29 PM - PDGÂ©: That's assured

9/10/20, 1:27 PM - PDG&C: See the difference

9/10/20, 1:33 PM - Romil Ramgaria Barc: Crazy! Absolute domination

9/10/20, 1:41 PM - PDG&C: Yes

9/10/20, 1:42 PM - PDG&C: But editorial wise Arnab picked up the story and just ran with it

9/10/20, 1:42 PM - PDG&C: All else never realised and couldn't catch up

9/10/20, 1:42 PM - PDG&C: We agree to the story or not is a different issue

9/10/20, 1:42 PM - Romil Ramgaria Barc: Yes he took the narrative away and others kept catching up

9/10/20, 1:43 PM - PDG&C: And this rhea interview by Rajdeep boomeranged

9/10/20, 1:43 PM - Romil Ramgaria Barc: Even today - when all other Hindi news channels were running the display of defense, Bharat was on rhea

9/10/20, 1:44 PM - PDG&C: Yes that narrative has caught on so much it's difficult to plant another Unless one has strong evidence

9/10/20, 1:47 PM - Romil Ramgaria Barc: They haven't reverted back. Probably this kalli board thing will derail the discussion

9/10/20, 1:47 PM - PDG&C: Should not

9/10/20, 1:47 PM - Romil Ramgaria Barc: If Nielsen doesn't agree, they cannot do anything in digital

9/10/20, 1:48 PM - PDG&C: I think - not sure - sunil proposed doing digital with Nielsen - board as usual said - it depends etc - try but non committal

 10/8/20, 5:21 PM - PDG&O: It was more na
 10/8/20, 5:22 PM - Romil Ramgaria Barc: Around 2-2.5 only as per what I remember
 10/8/20, 5:22 PM - PDG&O: At 44 k level it should be higher
 10/8/20, 5:23 PM - Romil Ramgaria Barc: 33 to 44 - hardly any installation in mega cities
 10/8/20, 5:23 PM - Romil Ramgaria Barc: mumbai should be around 2.5 max
 10/8/20, 5:24 PM - PDG&O: Hmm ok
 10/8/20, 7:33 PM - Romil Ramgaria Barc: Governance

- 1) No rotation among board members. The entity is controlled by top broadcasters with no say from small broadcasters, advertisers and agencies
- 2) Tech comm chairman continues to be the same from Day 1
- 3) TRAI had mandated not to give raw level data to any broadcaster, despite that raw level data has been given to a large broadcaster indirectly &E" clear violation
- 4) For large broadcasters the fees have come down from 1% to 0.8% over the period, however small broadcasters fees have increased from 6L to 18L now &E" clear motive to financially burden small broadcasters more. The fees for small broadcasters almost comes to 3% to 10% of their annual revenues and is completely unaffordable. It should be same % for all broadcasters.
- 5) There is a rule that tech comm decision can only be over turned by board with 75% voting &E" This is farce &E" only on paper and not being followed &E" Digital measurement green signal, landing page decision etc were completely driven by large broadcasters only

Process Issues

- 1) Arbitrary data cuts happening in channels &E" there is a discom which was formed for this purpose. However data cuts happen irrespective of discom process. This is completely illogical, arbitray and lacks process
- 2) TV9 was found tampering in one state &E" logically control should be put on the channel after discom adjudication. However case itself was not presented to discom &E" there is a clear bias in process
- 3) There are channels which are controlled but not presented to the discom &E" no process and bias in presenting the cases
- 4) TV viewing is arbitrarily inflated &E" meters that are ok but have not watched TV are not considered for reporting and hence inflating the TV viewing artificially
- 5) No Universe estimation has happened since 2.5 years &E" this has been due to push by large broadcasters to continue to over-report TV homes
- 6) Meters should not be in the system which are older than 4 years as per MIB guidelines however many homes continue to exist
- 7) Churn policy was arbitrarily changed and put on the website and no approval from tech comm was taken

 10/15/20, 9:57 PM - PDG&@: The News Broadcasters Federation (NBF), India's largest industry association TV news channels representing interests of news broadcasters from across the length and breadth of the country, strongly objects to BARC's statement to pause audience estimates (ratings) of News Channels.
 (1) BARC did not consult the News Broadcasters Federation, before such a crucial decision, which impacts news broadcasting industry, the single-largest genre within television sector. BARC would not have taken any such crucial decision if it had involved any genre, without consulting GECs member channels.

(2) BARC meters do not single-out the news genre in its audience measurement system. If BARC sincerely wants to review and augment its system, it should pause ratings for all genres including General Entertainment Channels (GEC), Sports, Infotainment, Movies, Music, Kids, Youth and Lifestyle.

(3) Information has come out recently about a channel which has been found guilty of TRP manipulation and has been fined by BARC Disciplinary Committee. NSF is shocked that a member of the same channel has been included on the board of BARC. It's not just conflict of interest and no reasonable decision making process can happen with a person named in ratings manipulations. What has happened itself is shocking. Now the matter is in public domain, this individual on the Board of BARC should voluntarily remove the said executive from the Board of Directors for a period of at least one year.

“The decision is unilateral, one-sided and undemocratic, impacting and targeting one single genre within the broadcasting ecosystem,” said R. Jai Krishna, General-Secretary, and News Broadcasters Federation. “The decision will severely impact news broadcasters, who have seen a surge in ratings despite the challenges of a lower-than-expected economic growth that has impacted their revenues already, in addition to the financial impact created by the lockdown to prevent spread of Covid-19.”

5/1/20, 12:09 PM - PDGAS: Wanted to know something

5/1/20, 12:10 PM - PDGAS: Is there any distribution agency called Crystal or Krystal? Who undertake distribution for channels? Any idea how are they?

5/1/20, 1:07 PM - Rushabh Rajesh Mehta: Hello Sir...m fine. I shall find out about this agency and get back to you

5/1/20, 1:08 PM - PDGAS: Ok

5/1/20, 1:52 PM - Rushabh Rajesh Mehta: Hello Sir, there is an agency called as Crystal Media. The owner is Mr. Ashish Chaudhary. He is an ex-employee of News 24 distribution. He has a smaller setup in currey road and undertakes distribution for small channels catering mainly to news channels. His expertise is mainly into channel placement & carriage negotiations. Little weaker on subscription contracts since he mainly manages FTA channels. The feedback is that he is quite money minded, likely to get work done on distribution but will ask for his share on most deals with operators.

5/1/20, 1:57 PM - PDGAS: Is he a crook?

5/1/20, 1:57 PM - PDGAS: Is he also in the tampering circuit?

5/1/20, 1:59 PM - Rushabh Rajesh Mehta: Sir, he charges cut from carriage money paid to operators on behalf of his broadcasting clients...not sure on tampering piece

5/1/20, 2:00 PM - PDGAS: Ok thanks

5/1/20, 2:00 PM - Rushabh Rajesh Mehta: ॐ-ॐॐ-ॐ-ॐ

Hope you are doing well. Wanted to ask a favor, if you could put in a word about me with your friend Pankaj Raj (Search Value) regarding job opportunities in Hyderabad. I'll write to him and take it forward accordingly.

8/17/20, 6:50 PM - PDGÂ©: Sure venkat
 8/17/20, 6:50 PM - PDGÂ©: Will do right away
 8/17/20, 6:51 PM - Venkat Ch Barc: Thank you Sir.
 8/17/20, 6:51 PM - PDGÂ©: Should I talk to Anup?
 8/17/20, 6:51 PM - PDGÂ©: Colors
 8/17/20, 6:51 PM - PDGÂ©: Do you think there is an opportunity there?
 8/17/20, 6:54 PM - Venkat Ch Barc: Have been talking to him sir. He reached out to me after he heard the news. Nothing as of now there. They are also confused about this deal between Viacom n Sony and if there would be any restructuring
 8/17/20, 6:54 PM - PDGÂ©: Hmmm true
 8/17/20, 6:59 PM - PDGÂ©: Are there more exits after you Rushabh and Romil?
 8/17/20, 6:59 PM - PDGÂ©: Someone told me
 8/17/20, 6:59 PM - PDGÂ©: Not confirmed
 8/17/20, 6:59 PM - Venkat Ch Barc: Yes sir...Pekham on Monday. Same reason
 8/17/20, 7:00 PM - PDGÂ©: Shit
 8/17/20, 7:00 PM - PDGÂ©: Nobody given any reason right?
 8/17/20, 7:00 PM - PDGÂ©: This man!!
 8/17/20, 7:00 PM - Venkat Ch Barc: And last week they have asked Aparna (South team), Arshia (From Dinesh's) and one girl from Partnerships team to resign.
 8/17/20, 7:01 PM - PDGÂ©: 8Y=""
 8/17/20, 7:01 PM - Venkat Ch Barc: When I pressed for the reason, they told me it is someone to do with data in 2016 n 2017 where we had taken calls which was not in best in interest of BARC.
 8/17/20, 7:02 PM - Venkat Ch Barc: I don't even remember what was done in 16 n 17
 8/17/20, 7:02 PM - Venkat Ch Barc: This was more from right sizing perspective...heard that there r a few more in line
 8/17/20, 7:02 PM - PDGÂ©: Hmm
 8/17/20, 7:03 PM - PDGÂ©: Aparna was among the brightest
 8/17/20, 7:04 PM - Venkat Ch Barc: Absolutely...she was one of the sharp minds and sound knowledge. She was part of this North Star program also....no words actually on their decision. When I spoke to her she had literally broken down and was on tears
 8/17/20, 7:06 PM - PDGÂ©: Naturally
 8/23/20, 7:24 PM - PDGÂ©: https://youtu.be/7fsB_4ZJB_U
 8/23/20, 7:25 PM - PDGÂ©: What's the gist
 8/23/20, 7:33 PM - Venkat Ch Barc: Yeah i saw this video in the morning...my mother had showed it...
 8/23/20, 7:34 PM - PDGÂ©: Is it the same that was used by nba for tv9 Bharatvarsh allegations?
 8/23/20, 7:34 PM - PDGÂ©: Or something new
 8/23/20, 7:34 PM - PDGÂ©: Shows uploaded 7 years back
 8/23/20, 7:34 PM - PDGÂ©: Hours
 8/23/20, 7:36 PM - Venkat Ch Barc: He explains about BARC, then said that TV9 is tampering with houses for ad money, we have got a few videos and in recent times TV9 Bahartvarsh jumped to no 2 n 3 rank. All these are fake ratings, pls unsubscribe to TV9 on TV and YouTube. This channel group is owned by real estate guy My home Rameshwar rao. To get the ratings up he presented 2 villas to 2 BARC people in a deal with them. BARC management got to know this and these 2 ppl lost their jobs. This is how TV9 operates
 8/23/20, 7:36 PM - Venkat Ch Barc: It's uploaded today

8/23/20, 7:37 PM - PDG&: Hmm

8/23/20, 7:37 PM - Venkat Ch Barc: This is one more website where they took Romil and my name

8/23/20, 7:37 PM - Venkat Ch Barc: Romil's

8/23/20, 7:37 PM - PDG&: Shit

8/23/20, 7:37 PM - Venkat Ch Barc: Topic: Channels taking illegal routes to increase ratings

This is the first para

For other languages & starting with Telugu .. A channel network that has expanded to Hindi has been using wrong route for better ratings. The Broadcast Audience Research Consulate, a company that calculates channel ratings, in order to increase their ratings this channel appeared to have sought help of BARC people. This led to the resignation of Romil Rangaria and Sujit Samrat, two key figures in Barc with immediate effect.

8/23/20, 7:37 PM - Venkat Ch Barc: In the past& if& barc houses.. where however .. boxes are placed .. giving money to those in the respective houses .. to keep the channel for a long time. But..they thought all this was a headache but..it seems that they have made a deal directly with the Barc officials.

8/23/20, 7:38 PM - PDG&: Done by TV5 guy's you think?

8/23/20, 7:39 PM - Venkat Ch Barc: I think it was done by Ravi Prakash (he was the ex CEO of TV9, he was thrown by the new management). Since then he has been attacking TV9 in local Telugu Media

8/23/20, 7:40 PM - PDG&: Yes met him once in office

8/23/20, 7:40 PM - PDG&: Possible

8/23/20, 7:41 PM - Venkat Ch Barc: He called me a few times after he got removed to complain about TV9, I didn't pay much heed to his complaints and said how can anyone tamper during lockdown and since I moved to Product, told him to get in touch with South partnerships.

8/23/20, 7:41 PM - Venkat Ch Barc: Yes... u had met him in office once

8/23/20, 7:42 PM - Venkat Ch Barc: My mother was shocked seeing both the above ...the article n video !

8/23/20, 7:45 PM - PDG&: Naturally

8/23/20, 7:45 PM - PDG&: How dirty these guys could be

8/23/20, 7:45 PM - Venkat Ch Barc: Yeah

8/23/20, 7:45 PM - Venkat Ch Barc: Yeah sir...cruel world

8/23/20, 7:46 PM - PDG&: You should try and approach Madhavan directly

8/23/20, 7:46 PM - PDG&: For a job in South team

8/23/20, 7:46 PM - PDG&: Or Kevin

8/23/20, 7:46 PM - PDG&: Both had a good opinion on you

8/23/20, 7:47 PM - PDG&: Another prospect is Sun TV

8/23/20, 7:48 PM - Venkat Ch Barc: Yeah...spoke to Kevin sir last week, he said currently there is a hiring freeze since Disney's theme park and all are shut...but he said he will come back the moment something can be worked out...but I think chances r bleak

8/23/20, 7:48 PM - Venkat Ch Barc: Yes, will speak to Mahesh

8/23/20, 7:48 PM - PDG&: Yes they are laying off

8/23/20, 7:49 PM - Venkat Ch Barc: Sir, is it possible to put in a word with Madhavan, it would be of great help. He holds you in very high respect

8/23/20, 7:49 PM - PDG&: Part of Disney takeover downsizing - nothing to do with covid

 2/5/19, 3:04 AM - Vikas Aldem: The weekend of 26 January saw Harvest TV's a new English news channel go live on air in India. Its honeymoon period was short-lived. Just two days later, a few hours into the first business day after the channel's launch, Harvest TV briefly disappeared from airwaves. It was blacked out on both the platforms it was available on - Airtel's direct-to-home (DTH) service and cable platform Den Networks.

The channel reappeared a few minutes later, but on a different, downgraded frequency, said Deepak Choudhry, president of Veecon Media and Broadcasting, Harvest's promoters. And ever since, things have been on a downward spiral.

Harvest TV's launch was pegged as an important one in the world of television news media. A political news channel rumoured to be backed by some politicians from the Indian National Congress (INC), it launched just ahead of the upcoming general elections. It also marks the television comebacks of veteran journalists like Barkha Dutt and Karan Thapar. But after only a week of its existence, Harvest TV finds itself knee-deep in controversy. It has already received multiple legal notices and government complaints. There is a name issue, a logo problem, an unclear shareholding pattern, and an alleged association with Indian National Congress (INC) leader Kapil Sibal.

As of 30 January, the company had been served with three notices from the information and broadcasting (I&B) ministry asking it to explain these issues, as well as another legal notice for unauthorised use of a trademark. According to Choudhry, the blackout was the result of the I&B ministry impressing on the channel's teleport operator Planetcast Media to revert to Harvest TV's original lower frequency since the channel did not have permission for the upgraded one. Planetcast did not respond to The Ken's emailed query.

Harvest TV, or HTN News as it is called on digital media, comes from Delhi-based Veecon Media and Broadcasting Private Limited. Incorporated in 2009, Veecon had total revenue of Rs 3.8 crore (~\$533,000) in FY18 and runs just one other television channel - a Hindu devotional channel called Kaatyayani TV. Odds are you haven't heard of Veecon Media. They've barely been a blip on the Indian media radar. Harvest TV was meant to be their moment in the sun. But things haven't panned out as planned.

Rs 660 billion

The size of the Indian television industry as of 2017, according to a Ficci-EY report.

Everything that Veecon Media has done so far seems rushed. The timing of its launch is hardly a surprise. Launching ahead of the 2019 general elections will give it traction and could serve to bolster the general election campaign of the political party it is rumoured to have ties to. There couldn't be a better time to hit the ground running. But in their eagerness to launch, the channel and its promoters seem to have circumvented various regulatory norms. Shortcuts that could prove to be Harvest's undoing.

Given Harvest's alleged political affiliation, its promoters would surely have known that the channel would come under fire from authorities if anything was out of line. Despite this, they chose to game the system. This raises the question—is Harvest a genuine long-term media play or a short-term political one?

Permit politics

Ask any executive in the business and they'll tell you that the hardest part about launching a news channel in India is the long and tiresome permission process. You need permissions and clearances from at least five different departments and ministries, and to top it all, there is no legal timeframe that governs the process.

So, based on the whims and fancies of the departments involved (not to mention the political party in power), the process could take anywhere from weeks to years. Rajeev Chandrasekhar-backed Republic TV, for instance, managed to get all its permissions sorted within a few weeks. Bloomberg Quint, on the other hand, has been waiting for a licence since 2017.

Starting afresh isn't the only struggle. Permissions are also required to change the name or logo of a channel or if there is a change in the shareholding or ownership pattern of a company. In all of 2018, the I&B gave 18 permissions, of which six were news permissions (four to Zee Media Corporation Ltd. and two to Bennett Coleman and Company Limited (BCCL)).

879

Number of permitted private satellite channels in India, as of 17 December 2018

Bottom line: getting permission to run a satellite TV channel is hard. And it only gets harder when you have ties to the ruling government's primary political rivals—the INC. Rumours of an INC-backed news channel have been around since at least early 2018, but it didn't see the light of day, likely because permissions are controlled by the party in power. It should be noted that while Rajeev Chandrasekhar was an independent Member of Parliament at the time of Republic's launch, he already had overt ties to the ruling BJP government and has subsequently become a member of the BJP.

With obtaining a TV news channel licence being this difficult, the easier way to start a channel is to simply find someone who already has a licence. Enter Veecon Media.

As per RoC filings of the company sourced from business research platform Tofler, Veecon's shareholding has nothing to do with the INC. Despite this, the word on the street is that it has definite ties to senior INC MP Sibal. While it is unclear how Veecon and Kapil Sibal found each other, this channel is certainly Sibal's baby. There could be a difference between funding and directorship, said a senior editor at a rival channel, who asked not to be named. A

A Veecon spokesperson denied Sibal's or, for that matter, any Congress leader's involvement in Harvest TV. The spokesperson even went so far as to declare that Veecon supported the BJP, albeit with friends on both sides.

This, despite Sibal himself claiming that he was trying to set-up and finance Harvest TV during an appearance at the Jaipur Literature Festival.

When asked, Choudhry of Veecon Media said that Sibal's involvement in Veecon is limited to its marketing and distribution partnership with Analog Media Private Limited. Sibal's wife, Promila, is the majority shareholder in Analog, holding a 99.9% stake. According to data sourced from Tofler, the company, which was formed in October 2017, had revenues of just Rs 192 (\$2.70) and recorded a loss of Rs 2.64 lakh (\$3,700) in the year ending 31 March 2018. Messages and calls to Kapil Sibal went unanswered.

All eyes on Veecon

The reason for the Sibal's interest in Veecon is obvious "Veecon is the proud owner of a TV news licence. But what of Veecon itself?

The directors of the company are listed as Jaswant Kumar Srivastava and Lalit Kumar Srivastava. According to the Veecon Media spokesperson, the two primarily run a security systems business, tried and failed in a music venture, and have held two TV channel permits from the I&B ministry since 2009.

But despite having these permits, Veecon's television business hasn't been anything to write home about. Veecon's Kaatyayani TV has just one offering "live broadcasts of the proceedings at Aadya Katyayani Chhatarpur Temple in Delhi. While the "About Us" section on the channel's website claims it has a viewership of 60 million, it downgrades that claim to 30 million in a subsequent paragraph. Choudhry of Veecon clarified that the 60 million number is accurate, however, The Ken was unable to independently verify this.

Veecon Media's other channel started life in 2009 as Shri News "a Hindi news channel based in Uttar Pradesh. However, says the Veecon Media spokesperson, the channel was moved to South India and rechristened Harvest TV in 2016 after it lost a lot of money. According to data sourced from Tofler, Veecon Media and Broadcasting recorded a loss of Rs 37 lakh (\$51,800) in FY18, down from Rs 1.3 crore (~\$182,000) in FY17.

The only other time Veecon ever truly surfaced in the media before Harvest TV was when, seemingly out of nowhere, Veecon Media and Television (a sister company of Veecon Media and Broadcasting) swooped in to buy Anil Ambani-led Reliance Communications' DTH business in November 2017. After initially flying solo on the deal, Veecon Media and Television would later partner with Pantel Technologies. But despite media reports claiming a deal was imminent, it never actually came to fruition. A Veecon Media spokesperson confirmed that the company had pulled out of the deal, leaving Pantel the sole-owner of the DTH business. Messages and calls to Pantel chairman and managing director Vijender Singh went unanswered. Incidentally, Pantel's Vijender Singh is also an additional director in Veecon Media and Television.

One former employee summed up the company's various media plans. "The company has tried to do a lot with media and entertainment, but couldn't find a hook," he said.

Number of people working at Harvest TV, as per the Veecon spokesperson.

Will Harvest TV finally be Veecon's elusive 'hook'? Unlikely. Instead, ghosts from Veecon's past seem intent on knee-capping the fledgeling channel.

Same-same but different

Ever since Harvest TV's launch on 26 January, a small, Kerala-based Christian devotional TV network has been on edge. The network's name? Harvest Television Network Private Limited, more commonly known as Harvest TV. Operational since 2013, the network owns nine Harvest trademarks and four TV channels. Its name, though, is no coincidence.

In 2016, Veecon and Harvest Television Network allegedly entered into a memorandum of understanding (MoU). According to the MoU, says Siji Bibi George, director at Harvest Television Network, Harvest would lend its logo and name to the TV licence of Veecon through a no-objection certificate (NOC). George says that Veecon later terminated the MoU. The reason given by Veecon, says George, was that it had 'different business plans'. George also shared a copy of this termination notice dated 23 September 2017 with The Ken, however, we were unable to independently verify its authenticity. Veecon's Choudhry denied any such MoU was real. However, the Veecon spokesperson acknowledged its existence, going so far as to say that Veecon cancelled the MoU when it realised that 'Harvest TV Network converts Hindus to Christians'.

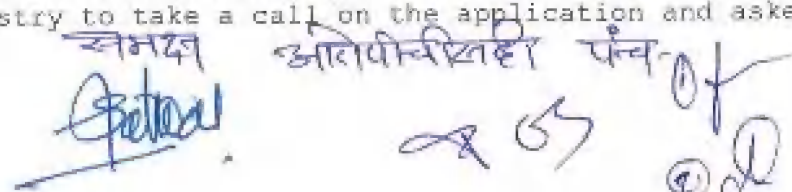

Mirrored

If you are an Airtel DTH subscriber, you'll be able to see two channels that go by the name Harvest TV - one news and one Christian devotional - on channel numbers 386 and 872

George was surprised to see a news channel launched with Harvest's name and logo. 'We don't have any relationship with Veecon anymore, but the company has continued to use our trademark despite our repeated requests to not do so,' George added. In response, Harvest Television Network sent a legal notice to Veecon Media to discontinue the use of the former's branding. Harvest Television Network has even sent a complaint to the I&B ministry, which was followed up by the ministry in one of the notices it issued to Veecon.

It's not that Veecon is not ready to rebrand. The company is waiting on the I&B ministry to approve its name change application. After Veecon terminated its MoU with Harvest, it moved the I&B ministry to get the channel name changed to 'Tiranga TV'. That application has collected dust for over a year now. 'It's a clerical job (change of name application) which takes 15-30 days, but the government has not approved the application,' said the Veecon spokesperson. As such, the company decided to proceed with the Harvest TV branding. The spokesperson claims that this is kosher since Veecon's NOC from Harvest Television Network makes no mention of a timeline regarding the use of the trademark.

Veecon Media has also moved the Telecom Disputes Settlement and Appellate Tribunal (TDSAT) against the Union of India to push the name change through. Interestingly enough, one of the attorneys for Veecon Media in the TDSAT case is Kapil Sibal's son, Amit Sibal. In a hearing on 30 January, TDSAT directed the I&B ministry to take a call on the application and asked Harvest Television

Network to pursue a trademark lawsuit independently, which the network says it is going to do. In the interim, Veecon will continue using the Harvest Television logo. The I&B ministry refused to comment on the matter as it is sub-judice. The Ken reached out to Barkha Dutt and Karan Thapar for comment; both directed us to full-time executives at Harvest TV. Messages and calls to Seemi Pasha, senior executive editor at Harvest TV, and e-mails to company executives Varun Das and Vishnu Shankar went unanswered.

Crowded out

Given that the I&B ministry has thus far ignored Veecon's application to change the name of its channel, it's unlikely that this will happen in the near future. If at all. If this proves true, Veecon will have no option but to fight and win the trademark battle against Harvest Television Network. But even if Veecon and its channel make it past these struggles, an even more daunting challenge awaits—the unforgiving battle for TV news supremacy.

News is a good business, but it depends on how you run it and how stable your audiences are. English is a small part of overall TV news media but it can command good advertising rates. It all depends on how well you position your channel.

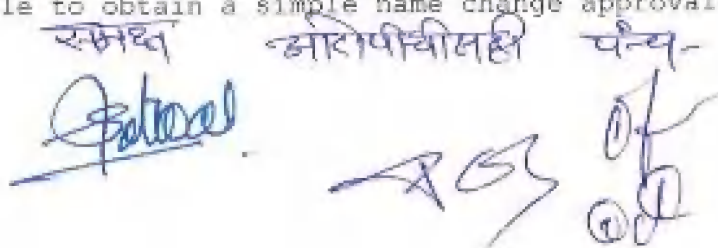

ASHISH PHERWANI, PARTNER AND HEAD, ADVISORY, MEDIA AND ENTERTAINMENT AT CONSULTING FIRM EY

News channels in India struggle to make money. This is particularly true for English news channels, which account for less than 1% of the total news viewership in India. Regional and Hindi news channels manage to survive by leveraging their vast audience bases and keeping costs low.

News television is madly crowded. You don't make meaningful subscription revenue because the news channels are cheap. Advertising is the only real source of revenue. And for that, you need audiences, says Chintamani Rao, independent media consultant and former vice-chairman of Times Global Broadcasting Limited. The exact revenue numbers of news channels are difficult to pinpoint as most media companies group multiple channels under a single entity, and the cost of investment can vary, depending on the scale a channel operates on.

Veecon's original plan was to launch a Hindi news channel (after the current English channel), followed by regional ones. To do so, Veecon would need a lot of investment to hit the ground running, according to the Veecon spokesperson. It's tough to say whether this is a sustainable venture beyond a point unless money is coming from a good chunk of political sources, says the editor quoted earlier. Having said that, there needs to be an intention to exist beyond the elections.

And while Veecon may claim to have the best of intentions, its actions don't necessarily resonate with this assertion. Veecon's choices thus far showcase a company hurrying to meet short-term goals rather than laying a sturdy base for future expansion. While the company claims it has applied for three more channel permissions from the I&B ministry to execute its multilingual ambitions, what it really expects out of this is anybody's guess. Given that the company hasn't been able to obtain a simple name change approval for an existing channel,

getting permissions for new channels will certainly be an arduous task. Bad news for Veecon. If, that is, it really cares about the long-term.

 3/27/19, 10:40 PM - Vikas Aidem: Today, minutes after 6:45pm REPUBLIC BHARAT in a massive SUPER EXCLUSIVE was the FIRST to access and air the footage that India was waiting for with bated breath-- the footage of the A-SAT liftoff into space that broadcast to the world that India has the capability of eliminating the enemy even in outer space. On a day that India became a superpower in space, it gives me immense pride to say that REPUBLIC MEDIA NETWORK was the FIRST to beam to its viewers in homes across India the momentous moment in history-- in both Hindi and English. True to our core of journalism for the people, the pre, during and liftoff footage brought every Indian into that historic moment and made them part of it forever. REPUBLIC MEDIA NETWORK was the only news network to be able to get the footage EXCLUSIVELY and broadcast it less than 8 hours after the lift-off. When the world was looking at India in anticipation and awe of what this great nation had just created indigenously, REPUBLIC MEDIA NETWORK was the FIRST to put out the footage-- from the countdown announcements to the visual delight of the plumes of smoke as the missile lifted and proceeded to its target. Even while others were content in the reportage on just the political squabbling, REPUBLIC MEDIA NETWORK broke through the cacophony and ensured elevation of discourse by bringing its viewers the reality. It gives me pride to say that, once again, when India witnessed a landmark moment when an Indian-made missile had done only what 3 other countries had ever achieved, REPUBLIC MEDIA NETWORK was at the forefront of ensuring that our deep journalism connected each one of the 1.3 billion Indians with the glory that they deserve to feel when they see the footage of India's achievement.

6/7/19, 12:12 PM - Vikas Aidem: 1. I have perused the Judgment of the TDSAT dated 29.05.2019 in Broadcasting Appeal No 2 of 2018 in Bennett Coleman & Co. Ltd & Anr. Vs TRAI and connected matters.

2. The TDSAT has vide its Judgment only discussed the power and authority of TRAI to issue directions dated 03.12.2018 to restrain the broadcasters and distributors of television channels from placing any registered satellite television channel whose TV rating is released by TV rating agency, on the landing Logical Channel Number (LCN) or Landing Channel or Boot-up screen. The TDSAT rendered a considered Judgment that impugned directions are beyond the provisions of the TRAI Act to issue directions and accordingly quashed the Direction/Order dated 03.12.2018 passed by TRAI.

3. The TDSAT, during the course of hearing, had issued Notice to BARC despite which it has not appeared before the TDSAT. However, based on the materials on record, following are the relevant paras which pertain to existing methodology adopted by BARC. A perusal of the same goes to show that there was no reason as per BARC to change its methodology of calculating TRP

रमेश कारोबारी रमेश

Chat With Vikas Aidem

Para 4 @ Pg 4

TRAI has indicated that the concerned agency has ruled out possibility of neutralising the influence of landing LCN on television ratings by suitably changing the method of measurement because it was not possible due to technical limitations.

Para 14 @ Page 14

Lastly, it has been submitted that even if it was proved that distortion in TRP is appreciable and requires some remedial action, all the alternate options should have been sought from specialised agencies including BARC and then an informed decision should have been taken in a transparent manner so as to cause minimum injury to the stakeholders, particularly, the distributors/MSOs. It was also submitted that BARC is an agency representing 60% broadcasters, 20% advertisers and 20% advertising agencies and if BARC has any problems relating to TRP, it should be allowed to take initiative for remedies of the problem is genuine. It has also been submitted that since BARC has not taken any such initiative, it must be presumed that none of the stake holders in BARC are adversely affected to any material extent and on this ground also the impugned directions are arbitrary and unreasonable.

Para 23 @ Page 19

However, we do know that the Authority has applied sufficient energy and diligence in addressing technical problems faced by BARC since BARC did not wish to change its methodology keeping in view the international best practices. No one can have cavil with following best practices. However, we do not know what are the best international practices in respect of landing page or in respect of regulation of LCNs in general.

4. It is pertinent to note that the TDSAT records in para 19 that BARC did not wish to change its methodology keeping in view the international best practices. The TDSAT, apart from recording the aforesaid, had no occasion to comment upon the methodology adopted by BARC or direct BARC to change its methodology of calculating TRP.

5. In view of this, I see no order or direction or reason for BARC to change its methodology while calculating the TRP as it has been claiming to based on best international practices.

6. Please let me know should you need any further clarification or explanation to the above.

6/14/20, 6:06 PM - PDG&O: He is in Karjat from start of lockdown and hence phone's may not always be available

6/14/20, 6:08 PM - Vikas Aidem: Sure .. will do that.. should I brief adi too or have you?

6/14/20, 6:08 PM - Vikas Aidem: We had a call with Mr Subramanian for MOU with MICA and T&C for our Microsite as we become liable and responsible for the fulfillment of the course

6/14/20, 6:08 PM - PDG&O: No but loop him in

6/14/20, 6:08 PM - Vikas Aidem: Ok

6/14/20, 6:09 PM - PDG&O: Good - our man was not getting it

6/14/20, 6:09 PM - PDG&O: Also Sapan if you want to - feel free

6/14/20, 6:10 PM - Vikas Aidem: Yes I realised on the call. BD joined in as well. I requested him to not speak with mica directly as it could jeopardize his equation. The MOU puts out a few scenarios in our favour keeping some room for giving in.

6/14/20, 6:10 PM - Vikas Aidem: Yes will need her help. Will do

6/14/20, 6:11 PM - PDG&O: Yes he should not speak to them

6/14/20, 6:11 PM - PDG&O: Also Subramanian is an auditor I guess - maybe that's why didn't get the legal thing

6/15/20, 2:14 PM - Vikas Aidem: <Media omitted>

6/15/20, 2:14 PM - Vikas Aidem: Adi said he will lead the conversation with Sid

6/15/20, 2:21 PM - PDG&O: Ok

6/15/20, 2:22 PM - PDG&O: I have told Sid we need creatives by June end

6/15/20, 2:24 PM - Vikas Aidem: Noted will inform him

7/24/20, 11:35 AM - PDG&O: When are we starting the PR and media campaign for MICA program? All ends tied up?

7/24/20, 12:01 PM - Vikas Aidem: The microsite should be done by mon

7/24/20, 12:01 PM - Vikas Aidem: We can activate after that

7/24/20, 12:01 PM - Vikas Aidem: Was in goa last couple of weeks

7/24/20, 12:04 PM - PDG&O: Lucky guy

7/24/20, 12:04 PM - PDG&O: I had a booking from 25th - had to cancel

7/24/20, 12:04 PM - PDG&O: Things are open there? You flew or drove?

7/24/20, 12:05 PM - PDG&O: Let's push and kickstart this - been some time - let me know if you need any help

7/24/20, 12:23 PM - Vikas Aidem: I drove. Was quite smooth. Hate flying to goa. Had to organise epass and goa arrival form. And covid test. A bit of planning but well worth it. Got a nice independent house.

8/16/20, 10:36 PM - PDGÂ@: Is the press release ok? The quote has some grammatical issues

8/16/20, 10:51 PM - Vikas Aidem: Yes just some grammatical construct issues.. else good to go

8/16/20, 10:51 PM - Vikas Aidem: I guess tue release

8/16/20, 10:51 PM - PDGÂ@: Will you ok sonia?

8/16/20, 11:14 PM - Vikas Aidem: In the group? Also depends on mica approval. Should happen in the first half

8/16/20, 11:23 PM - PDGÂ@: Ok

8/18/20, 7:54 PM - PDGÂ@: I read the program details and with all due respect would like to share my disappointment and feedback on the program details.

The catchy headline was not supported with enough content on the Program. There is no detail on what to expect from the program, what would be subjects/ topics covered, which platforms would be used for training and demonstration. It looked like we were using fancy buzzwords to support very theoretical approach. We have enough such material on Google search.

On faculty, I think audience would be more interested in knowing area of specialization/ subjects they will teach, rather than the designation.

Lastly, the weblink in the article you retweeted is faulty. It redirects to a wrong landing page.

8/18/20, 7:54 PM - PDGAC: Someone DMed me

8/18/20, 8:00 PM - PDGAC: Just checked - we gave the wrong url - should have been <https://theadvertisingclub.net/>

8/18/20, 11:17 PM - Vikas Aidem: I am really sorry about this feedback. More importantly on the url.. it missed us. The feedback is good but overtly critical. We have more details on the topics and I can have that populated along with MICA team. The alternate theory is people interested would want to know more on the content and write into us

8/18/20, 11:17 PM - Vikas Aidem: Will call tomo morning and discuss

8/18/20, 11:17 PM - Vikas Aidem: We can fix it if u feel its needed

8/18/20, 11:18 PM - Vikas Aidem: Was not looking at the url. The only change I asked for was to mention webchutney for their creative service to the LDP program

8/18/20, 11:26 PM - PDGAC: Let's do this

8/18/20, 11:26 PM - PDGAC: Yes we all missed this

8/18/20, 11:27 PM - PDGAC: Can Sonia's team get it changed in the web stories

8/18/20, 11:27 PM - PDGAC: We may need to push social media fast with creatives and urls

12/6/18, 9:44 AM - Rushabh Rajesh Mehta: Sir...Sony channels are back on Tata Sky from yesterday

12/6/18, 10:03 AM - PDG&@: Did it ever go? Didn't see any drop in our numbers right?

12/6/18, 10:04 AM - Romil Ramgaria Barc: It must be back fully yesterday - is it Rushabh?

12/6/18, 10:12 AM - Rushabh Rajesh Mehta: Sir...Tata Sky had kept abt 12 channels of Sony networks available only on call...when the issue happened in Sep-Oct period the channels did see a decline...over weeks the subscribers wud hv called on the number provided by Tata sky for reactivating the channel and we saw viewership increasing over time but not to its original operating level...last week again Tata Sky had deactivated the Sony channels and subscribers had to call up and get the channels activated...TataSky had done this on 29 Nov evening so that their subscribers report as on 30 November shows lesser active subs of Sony channels...that benefited Tata Sky bcoz they were paying Sony channels on per subscriber basis after the negotiations failed...from 1st December most of Sony channels were back...from yesterday now the channels are fully available...it means subscribers donâ€™t need to call for activating Sony channels

12/6/18, 10:13 AM - Rushabh Rajesh Mehta: Yes Sir...this is what I got to know...I m trying to figure out the reasons...but I think now with NTO there is not much left for either parties to fight it out

12/6/18, 10:13 AM - Romil Ramgaria Barc: Ok

12/6/18, 10:15 AM - PDG&@: So on 30th November did the Sony numbers fall? Specifically on tata sky? Pls check

12/19/18, 12:46 PM - PDGÂ©: when is that deadline

12/19/18, 1:00 PM - Rushabh Rajesh Mehta: Sir...MSOs and DTH operators need to declare network capacity fee and bouquets prices by 31 December 2018

12/19/18, 1:01 PM - Rushabh Rajesh Mehta: As of now they hv not declared fully...most operators are giving the MRP rates of channels on EPC only...bouquets are not yet fully released

12/19/18, 1:12 PM - PDGÂ©: so how will the consumer know what he has to pay and choose?

12/19/18, 1:12 PM - PDGÂ©: how can 29th december be the date for change then?

12/19/18, 1:18 PM - Rushabh Rajesh Mehta: Sir...the TRAI was counting 180 days for the implementation of NTO from 3 July&€=18...which comes to 30 December &€=18 which is a Sunday...hence 29th December was considered the deadline...

12/27/18, 1:52 PM - Rushabh Rajesh Mehta: Sir...this is an appeal by LCO to subscribers...

The advertisements on pay television channels abt new rules are misleading to subscribers. Earlier abt 400-500 channels were delivered to subscribers for Rs.250-350. As per new government rules, now subscribers will hv to buy separate bouquets from every broadcaster. Price of the famous and important pay channels hv increased from Rs.10 to Rs. 19.

For 100 channels, subscribers will hv to pay compulsory Rs.130. Also additional damage bcoz of GST. Now onwards for Rs.250-350, subscribers will get only abt 25 channels whereas earlier you were getting 400 channels for the same price.

As per new rules, out of amount paid by subscribers, 80% will go to pay channel broadcasters and we (LCO) will get only 10%. This will only help broadcasters and we both i.e., LCO and subscribers will loose. As a result, if the price increases of your television subscription, LCO will not be responsible. We are fighting against the new rules, for this we wud like to seek your cooperation...Thank You

2. *DPOs to formulate their offerings for consumers and aggressively start taking options from consumers. The options chosen by consumers to be effective 01.02.2019*.
3. *The exercise of taking options from consumers should be completed by 20.01.2019. Final stock-taking to be done by TRAI on 21.01.2018 to understand the percentage of subscribers who have given options. [Note: it appears that TRAI may give further time for migration in case there is no substantial progress.*]
4. *TRAI to do weekly meetings with DPOs to monitor uptake of options by consumers. If required, other stakeholders too will be made part of these meetings.*
5. *TRAI expected to issue press release tomorrow clarifying that while the new regime comes into effect on 29.12.2018 however, in terms of migration plan, consumers will be migrated in a phased manner.*

 1/16/19, 7:25 PM - Romil Ramgaria Barc: How have they calculated the number?
 1/16/19, 9:06 PM - Rushabh Rajesh Mehta: Sir in the illustration they are mentioning if out of 100 subs that operator has if 75 subs buy bouquet then it will b beneficial for the operator bcoz of the commission that he gets rather than 23 subs buying a-la-carte and 52 buying a bouquet....in other words they are trying to tell operators to push for Star bouquets
 1/16/19, 9:23 PM - Romil Ramgaria Barc: That I understood. Can you decode the calculation that they have shown
 1/16/19, 11:37 PM - Rushabh Rajesh Mehta: Sir...South Indian operators decided to switch off all channels on 24th of this month, 3 states are confirmed waiting for AP update.
 1/16/19, 11:37 PM - PDG&@: Pls track
 1/16/19, 11:37 PM - Rushabh Rajesh Mehta: Sure Sir
 1/16/19, 11:40 PM - Rushabh Rajesh Mehta: The calculation is as follows

23*19 (a la carte)=437
 52*49 (bouquet)=2548

437+2548 = 2985
 2985*20% (Distribution fee) = 597

2985-597 = 2388

1/18/19, 6:12 PM - Rushabh Rajesh Mehta: Sir...I got an update on a new form of piracy...wherein a few LCOs are collaborating and taking feeds from different MSOs and then feeding channels of each other in a pirated way...as a result tracking piracy becomes very difficult...I shall explain in greater detail to you in person...trying to get more details on this OY'S

1/18/19, 8:50 PM - Romil Rangaria Barc: Chembur colony pathway shut. They had given 15 day to decide pack. Asking consumer to Go to their site and take the channels which is very confusing

1/21/19, 6:51 PM - Rushabh Rajesh Mehta: From TRAI in meeting today - Migration of consumers who have exercised option by February 7, 2018 for all DPOs

1/21/19, 6:52 PM - Rushabh Rajesh Mehta: Trai meeting update I got...trying to get more details

1/21/19, 7:21 PM - PDGÂ@: Wasn't this slated for 1st Feb ?? Is there a change?

1/21/19, 7:29 PM - Rushabh Rajesh Mehta: Sir m seeking more updates on this

1/22/19, 10:59 AM - PDGÂ@: saw this so some channels will get in thru this

1/22/19, 10:59 AM - Rushabh Rajesh Mehta: Will be interesting to watch out Sir

1/22/19, 1:24 PM - Rushabh Rajesh Mehta: Sir...plz find below meeting updates from yesterday's TRAI meeting with DPOs...

1) Tata Sky and Sun Direct did not attend while Dish TV, Videocon and Airtel attended

2) Amongst cable operators, Hathway, Den, Siticable, IN Cable, Fastway, independent operators from Delhi attended the TRAI meeting

3) Mr. SK Gupta appeared very upset with DTH operators, he came down heavily especially on Airtel

4) Mr. Gupta said that MSOs were cooperating on NTO whereas DTH operators were not

5) to which Airtel responded that DTH operates in a prepaid model hence it is difficult to reach out to consumers who are not sharing their preferences...on the other hand, cable operators hv postpaid model so when the LCO goes for collecting monthly subscription, he can ask the subscriber to share his preferences

6) Dish TV claimed 35% subs migrated to NTO, Hathway claimed 35%, Siticable claimed 40% migration, Den claimed 30-35% migration

7) MSOs did mention challenges in getting LCOs on board hence they are focusing on migrating direct subscribers on priority

8) today there is one more meeting with Managing Directors of DPOs

1/22/19, 3:00 PM - Romil Ramgaria Barc: I have serious doubts on these 30-35% numbers - these look like cooked and to push the agenda -

1/22/19, 3:00 PM - Romil Ramgaria Barc: If they do an independent survey they will realize that not more than 8-10% would have been approached -

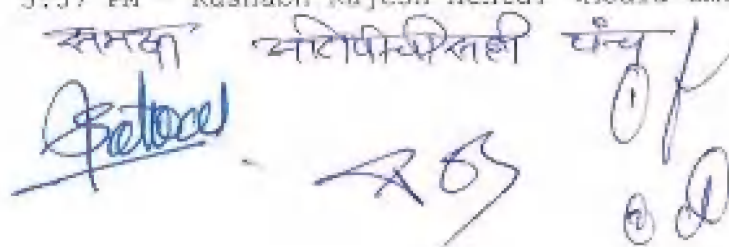

1/22/19, 3:01 PM - PDGÂ@: Yes totally

1/22/19, 3:02 PM - PDGÂ@: Spoke to Rushabh - we need to know what all info TRAI is asking from DPOs at what intervals

1/22/19, 3:02 PM - Rushabh Rajesh Mehta: Exactly Sir...also most MSOs hav only abt 8-10% of their sub base as direct subs...the rest all are thru LCOs

1/22/19, 3:02 PM - PDGÂ@: We can back calibrate then

 1/28/19, 8:58 PM - Rushabh Rajesh Mehta: *Trai Meeting Update_28th January 2019:*

- 1) *For Converted Viewers:* On 01st Feb 2019 implementation would start for all converted viewers as the current process demand 4-7days for conversion due to technical requirements @ DPO level.
- 2) *Non Converted Viewers:* Tickers would be played with immediate effect by all the paid channels to convert left over viewers.
- 3) *Paid Channels:* Post 31st Jan 2019 Trai would ask all paid channels to go off air for next 15days, Final call would be taken post tomorrow DPO's & Broadcasters meeting.
- 4) *FTA Channels:* All FTA channels would be available across the markets till 28th Feb 2019. (No further discussion is allowed to turn off FTA channels on 01st Feb 2019 along with paid Channels, as it's been already discussed & decided at higher level). In case the conversion was not at par till next meeting (Mid Feb) there could be a possibility of turning off the FTA channels as well for non Converted Viewers.
- 5) *BARC:* BARC will keep monitoring, measuring & releasing the data the way it does on weekly basis, no matter Paid channels are available or not.
- 6) *LCN No. :* LCN No. may change post implementation of new regime.
- 7) *Genre:* Broadcasters need to define their channel genre to all the DPO's in order to be a part of Suggestive 100 FTA's & this could be the reason why a regional FTA channel is not in that base plan while other regional channels are.
- 8) *Consumer Choice:* There is no fixed base pack of 100 FTA channels, it's just that every DPO & Trai has suggested a list of 100 FTA channels (24DD -Fixed & 76 other FTA's -Not Fixed) and viewer can make a choice with LCO for his preferred 76 FTA channel unless he/she want to prefer your channel over other regional FTA channel.

9) *RIO - Reference Interconnect offer:* Broadcasters need to submit RIO with all the DPOs to define channel genre etc.

10) *Informative Videos:* TRAI has mailed few informative videos for viewers to every broadcaster to run in their channel for smooth transition, one can play it as per the wish.

Conversion: Till date 41.18% viewers are Converted to the new regime. This has been shared by all DPOs in their last meeting.

Next Meeting: Next Trai, Broadcasters & DPO meeting is schedule for tomorrow @1200hrs for further course of action.

2/11/19, 12:54 PM - Rushabh Rajesh Mehta: BASE PACK CHARGE: TRAI sets up call center for complaints, gives phone no. 0120 6898689 or e-mail at das@trai.gov.in

The Telecom Regulatory Authority of India has issued new directions to cable and DTH operators prohibiting them from forcing any channel other than Doordarshan's on their consumers in the name of "base packs" or "basic service tier", and also set up a call center to deal with such complaints.

The move comes in the wake of hundreds of complaints on social media from consumers that their many DTH and cable operators are simply refusing to allow users to edit or change their base packs.

Instead, consumers have complained, these cable and DTH operators are telling their customers that the "base pack" cannot be changed and that any pack they add will be over and above this.

The Authority has been informed that some service providers are pushing certain packages, not allowing choice within first 100 channels, providing certain FTA channels irrespective of consumer's options etc. The Authority has taken a note of such issues and has directed the distribution platform operators to follow the regulation in letter and spirit.

The consumer choice and paying only for what the consumer wishes to watch, is the power, the new framework gives to subscribers. The subscribers are free to choose Free to Air channels and / or pay channels either on a-la-carte or in the form of bouquet or any combination thereof, even within the first one hundred channels, it said.

TRAI also gave a phone number and email ID for consumers to register their complaints about any such errant behavior by their cable or DTH operator.

“In case any DTH / Cable Operator is insisting on predefined pack or bouquets without providing real choices, subscribers may report the same at TRAI call centre 0120 6898689 or e-mail at das@traigov.in, it added.

Under the rules, the base pack is supposed to be “editable”. In other words, any consumers should be able to log on to the website of the cable or DTH operator and remove any channel from his base pack or add any new channel to it.

Such a swapping of channel will not have any impact on the network charges payable by the consumer to the cable or DTH service.

However, many cable and DTH companies are learnt to have struck deals with certain channel owners to push their channels to consumers in a mandatory fashion, without giving the consumer the choice to turn their channels off.

“Subscribers may note that the new regime empowers them to change their choices whenever they desire. They can add channels for a month or for multiple months whenever a program of their choice is broadcast, thereby providing sufficient flexibility. The subscribers can always request their service provider to modify (add or delete) their selection, even after choosing any package at present. All the subscribers are requested to choose wisely and select those channels that they wish to actually watch,” TRAI added.

2/12/19, 4:48 PM - PDGÂ@: the sub numbers are low because thats the kind of under declared numbers that market is operating on - specially independents and some MSOs

2/12/19, 7:01 PM - Rushabh Rajesh Mehta: Sir...also it wud mean that billing will happen as per the older regime then... this is what DPOs and Broadcasters were wanting to do till March end closing...only Star opposed to this idea then...now it means that deadline of NTO is 31 Marchâ€™19 ðŸˆŠ

2/13/19, 5:07 PM - Rushabh Rajesh Mehta: Sir...I hv been on call all throughout ðŸˆŠ ... the operators are confused on how to do billing till 31 March...this is bcoz Star is demanding billing as per NTO...the operators are saying if broadcasters continue to bill as per older regime they shall continue to provide channels to subscribers...but if they start demanding as per NTO...they will hv no option but to switch off

2/13/19, 5:11 PM - Rushabh Rajesh Mehta: Also I got an update where some operators are worried abt subscribers who hv migrated to new regime... what if

2/20/19, 9:41 AM - Rushabh Rajesh Mehta: Mumbai, Hyderabad Cable TV Users Face Blackout; Cable Firms Seek Police Help In Controlling Situation!

In an interesting development, thousands of Cable TV users in Mumbai are knocking at the doors of their local cable operators, because they are facing a blackout of all channels.

This has happened due to the implementation of new Cable TV Rules, with effect from February 1st.

The situation was so tense this weekend, that the local cable operators had to seek police help to diffuse the situation.

Meanwhile, in Hyderabad too, Cable TV users are facing a harrowing time, as they are not able to access any Pay Channels.

Where is Best Fit Plan mandate, as ruled by TRAI for all Cable TV operators?

Mumbai: Police Assistance Needed For Controlling The Situation
Since last week, thousands of Cable TV users in and around Thane are facing blackout, as the local cable TV operators are not able to provide them transmission.

These angry users went to their local cable operators, and things turned nasty. The local cable operators are helpless, and the customers angry.

Such was the anger, and the local cable operators had to contact police help to diffuse the situation.

One such Cable TV subscriber, Sandip Yadav said, "Despite paying the subscription fees in advance, TV channels have gone off air. The cable operator who said he needed my signatures on some forms for resumption of services has now gone incommunicado."

The local cable operators in Thane has sent a letter to all six police stations under Mira Road and Bhayandar divisions of the Thane (rural) police, and have informed them that the blackout is happening due to Hathaway Digital, which is the multiservice operator (MSO) there.

MSO Still Waiting For Deadline?

In their defense, Hathaway Digital has said that "only" pay channels are stopped, FTA are still running.

Rajeev Mehra from Hathaway said, "It is true that March 31 is the deadline, but the step is aimed at giving momentum to the selection process. Once the subscriber chooses the channels, the services are immediately restored. However, free-to-air channels have not been restricted."

Ameer Vichare, consultant "Subscriber Management System (SMS) and Central Access System (CAS)", has said that the blackout happened as there was a confusion.

TRAI has already ordered all cable operators that in case a consumer has not chosen any new pack, then a "Best Fit Plan" can be created by the operator, and the user should be proactively moved into the plan.

TRAI has repeatedly said that there should be no blackout of any channel during this transition.

Cable TV Users In Hyderabad Too Face Blackout
The same situation is in Hyderabad as well.

Pay channels have been stopped for cable TV users in several areas of the city, and the cable operators are still fumbling with the Best Fit Plan.

Extension of deadline to March 31st has complicated the issue it seems. Now, the consumers who are not able to watch their favorite pay channels are awaiting the next move by their local cable TV operators.

2/23/19, 1:09 PM - Rushabh Rajesh Mehta: Earlier GTPL had only IndiaCast Base bouquet now they hv added Star as well...the rumour are going around that Star has given the pack between Rs.22-26 range...however as per NTO Star can only give a maximum discount of 35% which comes to Rs.32 below which they cannot give the discount...if they are giving more then it wud b a separate deal of marketing which is outside of NTO&O's purview

 2/27/19, 6:42 PM - Rushabh Rajesh Mehta: Hello Sir... I got an update on Zee Tamil in Tamil Nadu...

Arasu has abt 2.8 mn Digital subscribers...out of which when they were trying to convert them to NTO packaging, Arasu was unable to locate abt 0.6 mn subscribers...therefore in the remaining subscribers that they hv is abt 2.2 mn... also Zee Tamil's penetration amongst Arasu digital subscribers stands at abt 75-80% as of now...while that of Sun TV and Star Vijay is less than 70%...the reason given for this is Zee Tamil package is available for Rs.10 while Star Tamil package is available for Rs.25 and Sun Tamil package at Rs.40...

Also many independent operators in Tamil Nadu are preferring Zee Tamil over Sun purely based on price offering

2/27/19, 6:44 PM - PDGAS: pls check last week numbers - does this tally with numbers for Zee tamil and sun as being reported by us?

2/28/19, 11:57 AM - Rushabh Rajesh Mehta: Also Sony has initiated talks with GTPL to put its channels in the first pack after FTA pack where Star and IndiaCast are available

2/28/19, 11:57 AM - PDG&@: Hmum

2/28/19, 11:58 AM - PDG&@: Discounting?

2/28/19, 12:00 PM - Rushabh Rajesh Mehta: Sir with GTPL Star is giving flat discount of 35% on top of it they are spending on marketing / merchandising as well...therefore effective rate is coming between Rs. 22-26 per sub while they are charging Rs.49 from other operators

2/28/19, 12:00 PM - PDG&@: Sony?

2/28/19, 12:00 PM - PDG&@: Zee?

2/28/19, 12:01 PM - PDG&@: Colors is 25 right?

2/28/19, 12:01 PM - Rushabh Rajesh Mehta: Sir the base pack of Colors is Rs.22, Sony is at Rs.31, Zee at Rs. 39 and Star at Rs.49

2/28/19, 12:10 PM - PDG&@: K

2/28/19, 12:17 PM - Rushabh Rajesh Mehta: Sir...if every broadcaster ensures availability of channels in the first pack after FTA pack...the essence of packaging will be lost...indirectly NTO will become null and void 8Y-5

2/28/19, 2:46 PM - PDG&@: This is to bring to your notice that in the following networks *Aaj Tak is NOT* available in Basic FTA pack of -

2/28/19, 10:05 PM - Rushabh Rajesh Mehta: Sir...apologies for late reply...

Abt Siticable in AP, the update was pay channels were already switched off from 13 Feb night onwards and then some operators of Siticable started doing piracy because Independent operators were also doing piracy... therefore at many places major gec and movie channels were available...the subscribers who hv migrated as per NTO do hv access to pay channels

2/28/19, 10:09 PM - Rushabh Rajesh Mehta: Sir...on news channels...I am getting very good feedback abt TV Today channel bouquet...they hv priced at Re.1 per sub per month and they are giving Aaj Tak, India Today and Tez...1 rupee bouquet price tag is working very well...many operators are also talking abt it and are carrying it...1 operator each in Maharashtra and West Bengal mentioned that ABP network could also hv done such strategy instead of converting into FTA...TV Today internal calculation aims of garnering over Rs.100 crores from subscription revenue on an annualised basis

2/28/19, 10:11 PM - Rushabh Rajesh Mehta: Also news channels are paying carriage mostly at the earlier rate only and not as per NTO calculation...at least the major channels are getting deals in place with MSOs...shall try to share more details on it

2/28/19, 10:14 PM - PDGÂ©: So 100 cr sub income - against that what would be their carriage expenses?

2/28/19, 10:46 PM - Rushabh Rajesh Mehta: Sir...their calculation doing the rounds is TV Today network carriage to be around Rs.25-30 crores but they will be fine even if it is around Rs.35-40 crores

2/28/19, 10:47 PM - PDGÂ©: Doubt it will be that low honestly

2/28/19, 10:47 PM - PDGÂ©: But let's check

2/28/19, 10:48 PM - Rushabh Rajesh Mehta: Yes Sir...bcoz they were paying more carriage than subscription across many operators...but they feel this is the opportunity to get it corrected

2/28/19, 10:49 PM - Rushabh Rajesh Mehta: Lets see how it goes ðŸ˜Š

3/1/19, 8:12 AM - Romil Ramgaria Barc: <Media omitted>

3/1/19, 12:13 PM - Rushabh Rajesh Mehta: Hello Sir...I got an update on Den...Star started a conversation with Den in discounted deals before they started with GTPL...however GTPL was able to roll out faster and they got it implemented on Wk8 Wednesday evening...Den got it only in Wk9...they were unable to do it in Wk8 as Star was claiming during yesterday meeting

3/1/19, 12:13 PM - Romil Ramgaria Barc: Hmm

3/1/19, 12:17 PM - PDGÂ©: did data show the GTPL effect?

3/1/19, 12:17 PM - PDGÂ©: check data of week 9 for DEN too

3/1/19, 12:17 PM - PDGÂ©: also how did the meeting go yesterday with star

3/1/19, 12:18 PM - PDGÂ©: anyone filing the report?

3/1/19, 12:19 PM - Rushabh Rajesh Mehta: Sir...GTPL full week impact will come in week 9...bcoz in week 8 only 2 days was there from packaging standpoint

3/1/19, 12:20 PM - PDGÂ©: ok

3/1/19, 12:22 PM - Romil Ramgaria Barc: Good morning Sir!

3/1/19, 12:23 PM - Rushabh Rajesh Mehta: Also we mentioned that Star Plus Landing page went away on IN Cable and NXT Digital (Hits platform of IN Cable)...bcz of which their gain in GTPL will get nullified to an extent... they are hopeful of Den packaging improvement delivering in week 9...since week 9 is a heavy news week we wud see whether Den benefits in week 9 or later

3/1/19, 12:24 PM - Rushabh Rajesh Mehta: Star was also saying abt Dish and Videocon combined having reduced subscriber base over time

3/1/19, 12:24 PM - Romil Ramgaria Barc: Also the other discussion was around dish videocon weigtage which should be lower compared to year back and Tata Sky is going up

3/1/19, 12:24 PM - Romil Ramgaria Barc: We need to check that and also triangulate the numbers with others

3/1/19, 12:24 PM - PDGAS: has Gaurav understood the implications of the statement "deals in place"?

3/1/19, 12:25 PM - PDGAS: they mean - they think this is happening on ground? or our results?

3/1/19, 12:25 PM - Romil Ramgaria Barc: Meeting again next week with them. This will be another rounds like last year - looks like

3/1/19, 12:26 PM - Romil Ramgaria Barc: But distribution team was not agressive as they were last year

3/1/19, 12:26 PM - PDGAS: hummm

3/1/19, 12:27 PM - PDGAS: hope Gaurav is convinced that we reflect ground

3/1/19, 12:27 PM - Romil Ramgaria Barc: He will not agree full yet. But he seemed ok. Same pressure building thing.

3/1/19, 2:04 PM - Romil Ramgaria Barc: This is to bring to your notice that in the following networks *Aaj Tak is NOT* available in Basic FTA pack of -

3/1/19, 5:56 PM - Rushabh Rajesh Mehta: Hello Sir...Anukruti and Shivani hv shared with you two insight papers on Languages impact on TV viewing and First Time Women Voters respectively ... both of them hv done it completely on their own

3/7/19, 7:00 PM - PDG&@: Did news18 shift on Freedish?

3/7/19, 7:00 PM - PDG&@: Or the interchange was between news18 up and Rajasthan

3/7/19, 7:24 PM - Rushabh Rajesh Mehta: Sir...News18 Rajasthan is now available

on the slot where News18 India was available before auction...News18 India got

shifted to a test slot...News18 UP is also shifted to an earlier test slot

3/7/19, 8:37 PM - Romil Ramgaria Barc: It was a swap between Rajasthan and news 18

3/7/19, 9:00 PM - Romil Ramgaria Barc: Rushabh - Bharat viewership has gone up significantly this week. Please check if they have done some changes in distribution on ground

3/7/19, 9:09 PM - Rushabh Rajesh Mehta: Ok Sir

3/10/19, 11:16 AM - PDG&@: Was unavailability of channels reason for lower lift of regional news?

3/10/19, 11:16 AM - PDG&@: Who is working on this

3/10/19, 11:33 AM - Rushabh Rajesh Mehta: Sir...the DPOs are carrying most of the news channels both national and regional news channels...however the final availability at the subscriber household depends on the channel selection done by the subscriber... also many regional news channels are FTA...also NTO transition is around 60%...therefore pay regional news channels might suffer if subscribers hv not migrated to NTO but the FTA regional channels will not have any issue

3/10/19, 12:42 PM - Romil Ramgaria Barc: News18 isn't landing page on Hathway now

3/10/19, 12:54 PM - Rushabh Rajesh Mehta: Sir...this is very interesting...bcz in my home there is no landing page...only Hathway home channel is running ßŸ™ß

3/10/19, 1:00 PM - Romil Ramgaria Barc: ßŸ™ß

3/10/19, 1:09 PM - PDG&@: News18 will be desperate to get its 5th position back if not grow

3/10/19, 4:12 PM - Romil Ramgaria Barc: Can you check the position of Bharat on in digital / hope it's not landing?

3/10/19, 5:43 PM - Rushabh Rajesh Mehta: Sir...on In Cable, Star Plus is back on landing page in week 10

3/10/19, 5:44 PM - Romil Ramgaria Barc: And Bharat position in news genre?

3/10/19, 6:18 PM - Rushabh Rajesh Mehta: Sir...Republic Bharat is available on LCN Number 325 while the Hindi news channels start from LCN number 310...the LCN rank of Republic Bharat is around 14 in the Hindi news genre at IN Cable

Sun Direct - 7 mn,
Independent TV (Big TV) - 0.8 mn

Total Pay DTH Active subs - 53.40 mn

Also I got to know that Dish TV is struggling while reaching out to all their subscribers...as per their internal assessment Dish TV has many active subscribers based outside of India (most of them in Middle East) which they are unable to communicate and hence they are fearing decline in their active sub base in last month since NTO kicked in...I shall try to get more details on it

3/11/19, 6:09 PM - Rushabh Rajesh Mehta: Republic Bharat which was earlier shifted to LCN 301, again gone back to its old position on LCN 307 in WK'10 on Siti Digital. Similarly News18 India gone back to LCN 301 from LCN 299.

3/12/19, 5:06 PM - PDG&@: How much will be Videocon only in this

3/12/19, 5:20 PM - Romil Ramgaria Barc: Should be Half

3/12/19, 5:21 PM - Rushabh Rajesh Mehta: Sir Videocon is abt 9.6 and Dish abt 8

3/12/19, 5:38 PM - PDG&@: K

3/12/19, 10:58 PM - Rushabh Rajesh Mehta: Viacom 18 will soon launch 24A-7 English movie channel colors studio. Trade mark was registered long back. Viacom Inc will provide the library from its channel Nickelodeon and Paramount network. It will include English short films by Indian and international creators. Official announcement to come very soon after MIB approval

3/13/19, 10:21 AM - PDG&@: Pls help jog my memory - in NTO no channel can charge beyond 19 right? This number fixed by TRAI?

3/13/19, 11:16 AM - Rushabh Rajesh Mehta: Sir...the price of Rs.19 is fixed by TRAI...but only for channels which are available in bouquets as well as a-la-Carte...what it also means is if a broadcaster wants to price a channel above Rs.19 then such a channel can only be sold in a-la-carte and cannot be part of any of the broadcaster bouquets

3/13/19, 11:17 AM - Rushabh Rajesh Mehta: <Media omitted>

3/13/19, 12:09 PM - PDG&@: Ok got it

3/13/19, 12:10 PM - PDG&@: So for IPL a sports channel can be priced higher in case not part of any bouquet

3/13/19, 12:11 PM - Romil Ramgaria Barc: Yes theoretically

3/13/19, 12:11 PM - Rushabh Rajesh Mehta: Yes Sir...possible

3/13/19, 2:27 PM - Romil Ramgaria Barc: But Aaj Tak is on freedish na?

3/13/19, 2:30 PM - PDG&@: Yes but why two logos

3/13/19, 2:30 PM - PDG&@: Have they unencrypted

3/13/19, 2:30 PM - PDG&@: This place has dish tv

3/13/19, 2:31 PM - Romil Ramgaria Barc: Looks like again the same transponder thing - that's why the drop on star Bharat also this week -

3/13/19, 2:31 PM - Romil Ramgaria Barc: Dish must be saving on transponder cost and using the freedish feed

3/13/19, 2:31 PM - PDG&@: <Media omitted>

3/13/19, 2:32 PM - PDG&@: <Media omitted>

3/13/19, 2:57 PM - Rushabh Rajesh Mehta: Sir...one point that is there is...earlier DD Freedish subscribers used to receive channels from Dish TV which were co-located channels on DD Freedish STB...in this case it is reverse where Dish TV subscribers are receiving DD Freedish channels on Dish TV STB

3/14/19, 10:56 AM - PDGAS: Zee guys claim Dish/Videocon is 24mn - is that correct? i remember our statement of about 16 mn

3/18/19, 4:18 PM - Rushabh Rajesh Mehta: Zee has also started conversations for getting placement on par with Star & Colors with Den and GTPL

3/18/19, 4:18 PM - Rushabh Rajesh Mehta: More details awaited

3/18/19, 4:36 PM - Rushabh Rajesh Mehta: Sir...Zee Family pack which is for Rs.39 pack has been included in Den Gold pack...whereas earlier it was in Diamond pack

3/18/19, 4:37 PM - Rushabh Rajesh Mehta: Den Gold pack was earlier priced for Rs.260 + tax and now it is costing Rs.280 to 300 across different markets...Den Diamond Pack was available for Rs.355 + tax

3/18/19, 4:46 PM - Rushabh Rajesh Mehta: Also Sir...SR Digital, Madhya Pradesh based operator has got renamed as Anaadi TV...Star has also got a deal wherein Star Value Pack (Rs.49) is available in the first pay pack after FTA base pack

3/18/19, 6:36 PM - Rushabh Rajesh Mehta: ET Now landing page at SR Digital (Anaadi TV) in Madhya Pradesh

3/18/19, 6:50 PM - Romil Ramgaria Barc: Hmm

3/18/19, 7:09 PM - Rushabh Rajesh Mehta: Sir...I am getting two contrasting inputs on GTPL from different people...

1) First input, Zee & Sony bouquets are being offered by GTPL at par with IndiaCast & Star bouquets

2) Second input, that GTPL has made Zee & Sony bouquets freely available to LCCs but no change in their packages officially

Both options are in contrast of each other... Only one of the two option is possible realistically...From data it appears that Zee & Sony channels are being made available this week which was not the case last week...trying to find more details on this...shall keep you posted

3/19/19, 11:11 AM - Rushabh Rajesh Mehta: Sir...hav spoken to Zee executives and executives from other organisations as well...they are saying GTPL has not done any change in its packages benefiting Zee bouquets...in light of this it appears that option 2 is the correct one as mentioned in the earlier message

3/20/19, 7:32 PM - Rushabh Rajesh Mehta: Star Sports 1 Bangla (earlier Star Movies Kids HD)

Star Sports 1 Marathi (earlier Star Movies Kids)

Tehzeeb TV (earlier Pengal)

3/20/19, 7:32 PM - Rushabh Rajesh Mehta: 8Y't 3 licenses renamed by MIB

3/22/19, 8:59 PM - Rushabh Rajesh Mehta: <Media omitted>

3/22/19, 9:00 PM - PDG&@: 8Y'S

3/22/19, 10:46 PM - Rushabh Rajesh Mehta: <Media omitted>

3/23/19, 9:49 AM - PDG&@: This time IPL on Star gold only on weekends

3/23/19, 9:49 AM - PDG&@: Targetting the HSM number

3/23/19, 9:49 AM - Romil Ramgaria Barc: Yes. But last time only few matches were there. This will help increase reach

3/23/19, 9:49 AM - PDG&@: Yes towards the end

3/23/19, 9:50 AM - Romil Ramgaria Barc: Rushab - can you check star channels uptick on DEN?

3/23/19, 9:51 AM - Romil Ramgaria Barc: Also what is happening on GTPL? Has Star Bharat been laid off to a later pack

3/23/19, 10:23 AM - Rushabh Rajesh Mehta: Sir...I just checked with GTPL...Star Bharat is also available in Rs.250 pack along with other channels like Star Plus, Star Sports 1 Hindi...there has been no change

3/23/19, 10:24 AM - Romil Ramgaria Barc: Hmm ok

3/23/19, 10:24 AM - Rushabh Rajesh Mehta: Also Sir...Den packaging is fully implemented with Star bouquet of channels

3/23/19, 10:24 AM - Romil Ramgaria Barc: Is the push in ground for the 240 pack only?

3/23/19, 10:25 AM - Romil Ramgaria Barc: So now colors star and sony will be on equal footing?

3/23/19, 10:26 AM - Rushabh Rajesh Mehta: Also Sir...I got to know that Star has reached out to many operators in smaller towns and asking them carry Star Sports Hindi for free even on cable channel...in other words Star is allowing piracy

3/23/19, 10:27 AM - Rushabh Rajesh Mehta: Sir...Den had created Rs.205 pack with Colors & Sony bouquets only...after their deal with Star, now Den has converted the same pack for Rs.240 by adding Star bouquet

3/23/19, 10:27 AM - Rushabh Rajesh Mehta: Yes Sir

3/23/19, 10:29 AM - Romil Ramgaria Barc: So the sports channels is likely to have no impact? And will be as widely available as last year?

3/23/19, 10:29 AM - Rushabh Rajesh Mehta: So in Den the first pay pack starts at Rs.240 + GST...however this same pack is available for Rs.233 + GST in Gujarat

3/23/19, 10:29 AM - Romil Ramgaria Barc: Hmm ok

3/23/19, 10:29 AM - Rushabh Rajesh Mehta: It appears Sir for now...Star is trying to protect reach

3/23/19, 10:30 AM - Romil Ramgaria Barc: Hmm

3/23/19, 1:13 PM - Romil Ramgaria Barc: tata sky has moved republic into free preview pack...this gives us a clear 30 percent reach lead over Times Now India Today and Cnn news 18. Bharat was already part of free preview pack from launch.

3/23/19, 2:38 PM - PDGAC: That means they paid 8 cr?

3/23/19, 2:38 PM - PDGAC: What is Preview pack

3/24/19, 1:27 PM - Rushabh Rajesh Mehta: Sir...Republic TV is not a part of FTA Promo pack, however, Tata Sky has created new Add-on FTA English News pack of 13 channels at (Rs.0), however these channels won't be automatically available to all subscribers, customer who wish to avail it need to subscribe it without additional cost...

3/24/19, 1:28 PM - Rushabh Rajesh Mehta: <Media omitted>

3/24/19, 1:28 PM - PDGAC: Ok

3/24/19, 2:03 PM - Romil Ramgaria Barc: So it opt in by subscribers?

3/24/19, 2:03 PM - Romil Ramgaria Barc: Also rushabh for tomorrow star meeting - they have a feeling that on ground everything is sorted in UP and delhi for plus and Bharat both. But their reach is not back

3/24/19, 2:04 PM - Romil Ramgaria Barc: Also changes that they have done is not reflecting - hence the discussion will be on those lines

3/24/19, 2:06 PM - PDGAC: Let's prepare our narrative and share here - may not get time to meet and discuss before meeting

3/24/19, 2:07 PM - PDGAC: Some discussion may even come up in Sanjay meeting

3/24/19, 2:09 PM - Romil Ramgaria Barc: We should keep the examples like GTPL Gujarat which showed pick up on Thursday. Even DEN in UP is back to week 6 levels but not yet to pre NTO levels

3/24/19, 4:05 PM - Rushabh Rajesh Mehta: Ok Sir

3/24/19, 4:05 PM - Rushabh Rajesh Mehta: Yes Sir

3/24/19, 4:10 PM - PDGAC: Let's put it in some slides?

3/24/19, 4:11 PM - Rushabh Rajesh Mehta: Ok Sir

3/25/19, 11:28 AM - Rushabh Rajesh Mehta: Hello Sir...at GTPL, TV connection is on only for subscribers who had migrated to NTO packs...the subscribers who had not migrated on their own were being sent to Rs.250 best fit pack...however today morning GTPL has switched off all subscribers who had not migrated on their own but were migrated to Rs.250 best fit pack...

3/25/19, 11:29 AM - Rushabh Rajesh Mehta: Sir this cud b also bcoz today is 28 date of March wherein a GTPL will hv to provide subscriber numbers to TRAI and to broadcasters

3/25/19, 11:35 AM - Rushabh Rajesh Mehta: Sorry 25 March

3/25/19, 8:32 PM - PDGAS: *The NTO order*

1. In NTO channels was supposed to be Genre specific.

2. Broadcasters was supposed to announce specific status of channels, either pay or free & pay channels will not be a part of free bouquet.

3. Broadcasters could not change the price of the channels post 1.1.19 till 31.3.19.

4. Distribution Incentive 20-35%

The fact

1. Hungama channel in Kids Genre showing IPL (sports).

2. Zee has reduced package rate from 45/- to 39/- mid January.

3. Broadcasters are offering more than 35% to promote their channels.

& So on, these are happening in front of TRAI, does anyone need to point out these lapses.

3/25/19, 8:32 PM - PDGAS: Circulating

3/25/19, 11:12 PM - Rushabh Rajesh Mehta: Very true though

3/25/19, 11:14 PM - PDGAS: Has zee reduced?

3/25/19, 11:17 PM - Rushabh Rajesh Mehta: Yes Sir...they had launched their first pack at Rs.45 and then they reduced it for Rs.39...however this was done in Jan'19 where TRAI had also allowed broadcasters to change the pricing before NTO was to be implemented on 1st Feb

 4/9/19, 1:31 PM - Rushabh Rajesh Mehta: Sir...one more update I got from 3 different cable operators ...Tata Sky & Airtel were providing Star Sports channels to all subscribers for free and also Star allowed them without asking money from all their subscribers... therefore even Cable Operators were asking for the same offer from Star bcoz some of them complained that cable subscribers are migrating to DTH bcoz they are getting Sports channels for free...hence both DTH operators were forced to stop this free service

7/3/19, 12:59 PM - Rushabh Rajesh Mehta: Updates from Premium Panel meeting with Star English Business head (Yamini Patodia)

Unlike Zee, Star business head showed some apprehension towards the Premium panel. They asked questions like....

Is the absolute number of viewers increasing for English or it continues to be very small...if it is small how do we sell to advertisers...to which we said that if we want to target really premium homes then they will be abt 3% of the universe and that is what it shows in our universe estimation also...English is increasing as compared to Currency panel...she also asked if we are reaching agencies as well to make it more acceptable and was asking abt the feedback from agencies...we said we are reaching out to all stakeholders...they were asking for viewership data for abt 4 weeks...they will also share their requirement on email with further details

May be, it will also help if we drive PP through the Top...may be, Gaurav or Gayatri. Going via the channel teams might cause hindrance

7/3/19, 1:27 PM - PDG&@: Do we have an estimate of absolute numbers? This could be an ask

7/3/19, 1:32 PM - Rushabh Rajesh Mehta: Sir...she was referring to unique viewers (Coverage &€'000) for niche channels...which we have

7/3/19, 1:32 PM - Rushabh Rajesh Mehta: Albeit at Household level

 7/6/19, 10:53 AM - PDGAS: Ok
 7/9/19, 7:23 PM - Rushabh Rajesh Mehta: Hello Sir...we met Times & Sony today on PrimaVU.

Update from Times PrimaVU meeting.

Vivek Shrivastav was travelling so he cudnt join...Puneet Sah and his research team attended...Times team appeared positive on PrimaVU and also asked abt the costing which we did mention to them. They will get back to us in couple of days.

7/9/19, 7:24 PM - Rushabh Rajesh Mehta: Update from Sony meeting on PrimaVU

We met Saurabh Yagnik on the follow up meeting from the meeting we did last week with Danish Khan SET head...wherein Danish had approved PrimaVU. The meeting with Saurabh lasted for over 1.5 hours wherein he was negative throughout...he was questioning that why are we confusing the market by creating it a separate offering and not integrating with the currency panel...he wanted us to share the PrimaVU universe by cities and by HD penetration, shud we share this data?

Saurabh Yagnik may try to stall it PrimaVU...therefore we are meeting individual channel teams to push for the closure.

Therefore we also met Ajay Bhalwankar (Sony Marathi) Business head and presented PrimaVU...the fact that Sony Marathi has higher coverage than Zee Marathi in PrimaVU made Ajay very happy...he also texted it to NP

7/9/19, 7:25 PM - Romil Ramgaria Barc: Sony Marathi has higher coverage? Is it? Looks odd

7/9/19, 7:25 PM - Rushabh Rajesh Mehta: *Sony Marathi Coverage is higher than Zee Marathi in Mumbai in PrimaVU

7/9/19, 7:26 PM - Romil Ramgaria Barc: Hm ok

7/9/19, 7:26 PM - Rushabh Rajesh Mehta: Yes Sir

7/9/19, 7:26 PM - Rushabh Rajesh Mehta: Sony Marathi has Coverage of 34 while Zee Marathi has 29

7/9/19, 7:27 PM - Romil Ramgaria Barc: Rohit gupta also called me today - asking are we separately charging for this - I told him yes and the pricing

7/9/19, 7:27 PM - Rushabh Rajesh Mehta: Sir the coverage is higher but daily reach is lower for Sony Marathi as compared to Zee Marathi

7/9/19, 7:28 PM - Romil Ramgaria Barc: Hmm ok

7/9/19, 7:28 PM - Rushabh Rajesh Mehta: But coverage being higher was also a good talking point

 7/12/19, 7:19 PM - Rushabh Rajesh Mehta: Updates from PrimaVU meeting today, with Riddhi Shah, head of sales for Colors and her team

They were happy to see Viacom18 channels doing well in niche and music genre. With Choti Sardarni doing better on PrimaVU than currency, they were happy and said finally Colors has got a good property
 They did say that if advertisers start accepting only then PrimaVU will be of use and asked us about the response from advertisers to which we said that our teams are engaging with them and receiving positive feedback from the advertising world as well.

At the end they did mention about taking PrimaVU forward, to which we said that discussion with their commercial head (Amit Derasaria) has begun and requested them if they can push it further.

7/12/19, 7:20 PM - Rushabh Rajesh Mehta: On currency panel they questioned HD representation 2-3 times so we said that we hv requested IBF to share subscriber reports and further said that our panel did reflect all ground changes even when Colors had distribution advantage, to which they finally nodded in agreement.

7/15/19, 5:12 PM - Rushabh Rajesh Mehta: Updates from PrimaVU meeting with Yaminie Patodia, Business Head English Cluster and Rahul Patil (Gayatri Yadav's Team)

They were happy to see Star Movies HD as the no.1 channel. On EEC, they appeared fine in spite of Star World not featuring in top 5 of the genre. They acknowledged that Star World is not doing well off late. They expressed concern with household ATS not improving for English Movies as compared to Currency panel.

They were asking whether the agencies and advertisers were showing any interest. Also asked how will PrimaVU become a trading currency. To which we responded that it's been only about couple of weeks and both agencies and advertisers are showing keen interest in PrimaVU.

They will write back to us asking for some data (Cume Reach, ATS) across all genres. After looking at the 4 weeks trend, they will again call for a meeting and then take a call on PrimaVU subscription

7/16/19, 5:40 PM - Rushabh Rajesh Mehta: Updates from PrimaVU meeting with Colors - Arnab Das and team

They were appreciative of the PrimaVU offering but were concerned with Colors not appearing in the top 5 Hindi GEC list.

They wud want to have access to PrimaVU asap. So we requested Arnab to put in a word in order to speed up our ongoing discussion with commercial team.

We also met Amit Derasaria from Commercial team separately. He wanted to negotiate on the pricing to which we said PrimaVU offering is similar to currency panel and hence we would not be able to do any alterations in the PrimaVU subscription fees.

@Romil sir - Amit mentioned since he was part of your team, he wud want to try negotiating it with you once before he gives a go ahead ðŸˆŒ, to which we said he is free to reach out to you but it is unlikely that pricing wud change. At the same time, he also requested us to share the documents for completing the paperwork on PrimaVU.

We also showed PrimaVU to Deepak Rajdhyaaksha, Business head of Colors Marathi and his team. They were also happy to see Colors Marathi almost being neck-to-neck with Zee Marathi on PrimaVU

Keeping fingers crossed for closing the deal with Viacom18ðŸˆŒ

 7/19/19, 1:10 PM - Rushabh Rajesh Mehta: Updates from PrimaVU meeting with Devika Prabhu, business head of Disney Kids and her team

They liked the PrimaVU offering. They were pleased to see Disney kids doing well and were pleasantly surprised with Disney International HD becoming rank 3 in English Entertainment genre.

We are pitching Disney separately from Star since the entities are separate for this financial year and trying to close PrimaVU deal with them

7/19/19, 2:03 PM - Romil Ramgaria Barc: Ok

7/22/19, 9:22 PM - Rushabh Rajesh Mehta: Hello Sir, Sony had confirmed on email last week that they wud subscribe to PrimaVU. Today I met Commercial Head Mr. Raaj Gupta, so that we can expedite the paperwork process.

Even after 1.5 hours of detailed conversation, he remained adamant asking for some form of bargain either as discount on PrimaVu or some freebies with respect to any other product, for him to sign on the dotted line.

As he is the Commercial Head, he might delay the process, which is already a closed deal in a way.

So was thinking if I can offer him a combo deal of PrimaVU + Bio Music at price point of 6% of BMW subscription for PrimaVU (abt Rs.1.65 crores) and additional Rs.10 lacs for 6 music channels for Bio Music. Earlier for Bio Music we had quoted Rs.20 lacs for 6 channels (but finally they didn't go forward). This combo deal might help us get a sale for both the products...Requesting for your opinion on this.

8/8/19, 1:28 PM - Rushabh Rajesh Mehta: Sir, the show might improve in coming days because on Monday news broke out about revocation of article 370 at 11 am and also Rajya Sabha voting happened in the evening, so post 8 pm all news channels were covering about government winning in Rajya Sabha

8/8/19, 1:39 PM - PDG&@: Do we have sat sun Tuesday data?

8/8/19, 1:39 PM - PDG&@: Pls check what numbers

8/8/19, 2:10 PM - Rushabh Rajesh Mehta: Sir, this is a Taarak Mehta slot which operates around 2.6 tvr,

8/8/19, 2:10 PM - Romil Ramgaria Barc: For them it will be good

8/8/19, 2:11 PM - Rushabh Rajesh Mehta: Next is Zee with Raabta around 2 tvr.

8/8/19, 2:11 PM - Rushabh Rajesh Mehta: Right sir...also for Colors this slot

was not doing well with Udaan going off air sometime back

8/8/19, 2:13 PM - Rushabh Rajesh Mehta: Kulfi Kumar on Star Plus is operating around 1.6 tvr in this slot. So Luv Kush broadly appearing in the same zone for now

8/8/19, 2:13 PM - Rushabh Rajesh Mehta: Also Sir, Colors has landing page across Hathway, so there would be some advantage booz of landing as well

We had requested Derrick to attend today's meeting, in order to address their Universe size concern.

Anuradha is not convinced with the Universe size. She feels the size is too small to benefit any stakeholder. She said she will also spk to Advertiser fraternity about their interest in PrimaVU. She remarked that the universe BARC is quoting is similar to Netflix user base right now and said why will advertisers be interested in targeting such a small universe and that too at Household level.

She said that instead of subscribing PrimaVU TV as a "currency", they will prefer to use it for qualitative research, to conduct questionnaires and know their choices. More than TV behaviour she is interested in knowing Digital behaviour (which we could pitch with our TV+Digital product).

8/21/19, 1:16 PM - Romil Rangaria Barc: KBC launch episode numbers (numbers in bracket are for 15+)

launch episode TVR on Monday - 2.32 (2.45)

Year 2018 - 2.30 (2.45)

Year 2017 - 2.22 (2.37)

8/21/19, 1:24 PM - Rushabh Rajesh Mehta: Sir, this appears to be a good launch na for KBC post NTO implementation

8/21/19, 1:24 PM - Romil Rangaria Barc: Yes absolutely

8/21/19, 2:48 PM - Rushabh Rajesh Mehta: Sir, Superstar Singer was launched on Sony at 2.75 at HSM Urban 15+, while KBC launch is at 2.45 at 15+. Both are after NTO, so Sony might be expecting more from KBC

8/21/19, 2:49 PM - PDGAS: any other launches this week?

8/21/19, 2:49 PM - PDGAS: how is Luv Kush doing?

8/21/19, 2:50 PM - PDGAS: star plus and colors landing any benefit?

8/21/19, 2:53 PM - Rushabh Rajesh Mehta: Sir, Luv Kush is doing around 1.3 to 1.4 at HSM Urban 2+. It has declined as compared to last week. Mainly bcoz they had 2 ad breaks in this week whereas they had one break in last week

8/21/19, 2:54 PM - Rushabh Rajesh Mehta: Star Plus launched Sanjivani at 7:30 pm slot, the launch episode was at 1.8 and other weekdays it delivered about 1.2

8/21/19, 2:55 PM - Rushabh Rajesh Mehta: Also in week 33, there was Independence Day and Raksha Bandhan on Thursday, therefore GEC generally declined while movies went up. The same trend continued this year as well

8/21/19, 2:56 PM - PDGAS: k

8/21/19, 2:58 PM - Rushabh Rajesh Mehta: Also we are expecting queries this week from Colors and Zee. Both the channels have fallen by 15 Ratt this week. Whereas Star Plus is up by 3 points, Sab is up by 1 point and Sony is stable

8/21/19, 2:59 PM - Rushabh Rajesh Mehta: We will send the broadcasters deck on Thursday at 11 am with answers and try to avoid the queries if possible

8/21/19, 3:00 PM - PDGAS: Forward me too

8/21/19, 3:00 PM - Rushabh Rajesh Mehta: Ok Sir

8/22/19, 2:32 PM - PDGAS: <Media omitted>

8/22/19, 2:32 PM - PDGAS: Siti cable Networks - RB has taken Promotion (Barker) From today but Landing page remains Times Now..

8/22/19, 2:32 PM - PDGAS: Isn't this double Landing?

8/22/19, 2:32 PM - PDGAS: Who will get ratings

8/22/19, 2:37 PM - Romil Rangaria Barc: My sense is Both will get since the channel no is the EPG channel no and hence would be watermarked. But let us double check. One more change 8Y-8

8/22/19, 2:37 PM - PDG&@: yes
 8/22/19, 2:38 PM - PDG&@: depending on how many seconds republic is stuck there
 8/22/19, 2:38 PM - PDG&@: hence this becomes more than a minute of landing maybe
 8/22/19, 2:39 PM - Romil Ramgaria Barc: Yes / also letâ€™s check if itâ€™s stuck on Bharat and then stuck on times?
 8/22/19, 2:39 PM - PDG&@: Deal is done for all india but UP and MP has been implemented... so rest will be done by Saturday night
 8/22/19, 3:19 PM - Rushabh Rajesh Mehta: Cable Operators continue with the innovation while regulator and judiciary adds to the confusion ðŸ˜Š
 8/22/19, 3:20 PM - PDG&@: what would be the reasons for colors drop??
 8/22/19, 3:30 PM - Rushabh Rajesh Mehta: Sir, Colors dropped 15 points out of which 3 points drop on weekend led by movie Romeo Akbar Walter. Weekdays declined by 12 points of which NPT has 4 points drop led by Khatra Khatra Khatra.
 Weekdays PT down by 8 points, of which around 4 is from Thursday (Independence Day & Raksha Bandhan). Out of remaining 4 points drop, 1 point decline from 7 pm slot where original Khatra airings replaced by Bahu Begam repeat...1 point drop from Luv Kush. 8 pm slot declined by 0.6 point bcoz last week Monday they had breakless Choti Sardarni & Shakti
 8/22/19, 3:32 PM - PDG&@: So independence bday and raksha bandhan people moved to movies? Or just didn't watch
 8/22/19, 3:34 PM - PDG&@: Also khatra khatra viewers went where
 8/22/19, 3:35 PM - Rushabh Rajesh Mehta: Sir, historically we hv seen that in Independence Day, GECs decline mainly by reach and during Raksha Bandhan decline is mainly led by ATS. This year since both were on same day, the decline is led by both reach and ATS
 8/22/19, 3:36 PM - PDG&@: Also for other GECs?
 8/22/19, 3:37 PM - Rushabh Rajesh Mehta: Also movies saw an increase on Thursday with premiere of Kesari and movies like URI was aired
 8/22/19, 3:38 PM - PDG&@: Khatra khatra?
 8/22/19, 3:40 PM - Rushabh Rajesh Mehta: 7 pay geos down by 24% on Thursday, Star Plus down by 25%, Colors by 29%, Zee TV by 27%, Sony by 20%, Sab by 9%, Star Bharat by 36%, &TV by 23%. Sab also increased last year during Raksha Bandhan
 8/22/19, 3:41 PM - Rushabh Rajesh Mehta: Sir, shall get back to you, since Khatra is aired in NPT all throughout
 8/22/19, 3:42 PM - PDG&@: ok
 8/22/19, 3:44 PM - PDG&@: pls meet Nina in a day or two and take her thru
 8/22/19, 3:44 PM - PDG&@: she is under tremendous pressure
 8/22/19, 3:44 PM - Rushabh Rajesh Mehta: Ok Sir
 8/22/19, 3:47 PM - Rushabh Rajesh Mehta: <Media omitted>
 8/30/19, 11:12 AM - Rushabh Rajesh Mehta: Hello Sir, broadcasters currently uplink 2 separate feeds for each channel, 1 of SD and other of HD. However, Jio has asked Viacom18 and Network18 channels to uplink a third feed for each of their channels specifically for Jio Gigafiber which will go to Hathway, Den and GTPL subscribers opting for Gigafiber service. Picture clarity of SD version of this feed will be very similar to HD feed provided to other operators. The trials have begun and Jio will reach out to other broadcasters later. Will keep you posted on further developments in this regard.
 8/30/19, 11:32 AM - PDG&@: Just check if it will be watermarked
 8/30/19, 11:33 AM - Rushabh Rajesh Mehta: Ok Sir
 8/30/19, 11:33 AM - Romil Ramgaria Barc: Also why the third feed?
 8/30/19, 11:41 AM - Rushabh Rajesh Mehta: Sir, this feed will be watermark feed. Also this third feed will become main feed and the transition is going on. This

same feed will then be given to other operators as well. However, the clarity on Gigafiber will be better.

8/30/19, 11:42 AM - Rushabh Rajesh Mehta: I also asked them to inform us if there is any changes because of that from viewership measurement standpoint

8/30/19, 11:45 AM - PDGAS: So is it that the compression is different?

8/30/19, 11:45 AM - PDGAS: What's different in this feed

8/30/19, 11:47 AM - Rushabh Rajesh Mehta: Sir, I hv asked for this information, will get back to you on this

8/30/19, 12:44 PM - Romil Ramgaria Barc: Checked. This is not uplink. They will be giving separate feed via Fibre to jio - it will be watermarked - to endure better clarity and no transmission loss

8/30/19, 12:56 PM - Rushabh Rajesh Mehta: Oh ok Sir, possibly the research guys were confused and therefore when I asked if there wud be a requirement of a separate watermark, they were not aware

9/6/19, 11:51 AM - Rushabh Rajesh Mehta: <Media omitted>

9/6/19, 11:51 AM - Rushabh Rajesh Mehta: Hello Sir, Colors will be airing 2 original episodes of Choti Sardarni on coming Monday at 6:30 pm and 7:30 pm (itâ€™s original slot) and at 7.00pm they are launching a new show Vidya. The same strategy Star Plus adopted by airing 2 original episodes of Kasauti while launching Sanjeevani

9/6/19, 11:53 AM - Romil Ramgaria Barc: Copy paste - they have lost new thinking

9/6/19, 11:54 AM - Rushabh Rajesh Mehta: Right sir, if it doesnâ€™t work for them, they will tell us again that whatever Star does, they benefit while whatever Colors do, they lose

9/6/19, 11:56 AM - PDGAS: ðŸˆ

9/9/19, 4:46 PM - Rushabh Rajesh Mehta: Hello Sir, for Mastiii and Maiboli, the decline is purely led by distribution. The channels were switched off across operators led to decline, while only Hathway and Den has got them back, others still continue. We hv all the answers, shall share the slides in sometime for your perusal.

9/20/19, 2:34 PM - Romil Ramgaria Barc: Canâ€™t send this to him. However Hathway and den has shown an improvement but drop in all others. May be you can verbally tell him

9/20/19, 2:34 PM - PDGAS: Ok

9/20/19, 2:35 PM - PDGAS: Have They changed position in others?

9/20/19, 2:35 PM - PDGAS: What could be the reason

9/20/19, 4:25 PM - Romil Ramgaria Barc: Siticable major drop is from WB - there has been a LCN displacement on W34

Channel not available in GTPL, Indigital, NXT, Fastway, Radiant(Rajasthan) Sr Digital (MP)

9/20/19, 4:29 PM - PDGAS: not available??

9/20/19, 5:36 PM - Rushabh Rajesh Mehta: Ok Sir. Will meet them and show

9/23/19, 2:55 PM - Rushabh Rajesh Mehta: Hello Sir, we met CEO of Mastiii, Mr. Manav Danda & Mr. Kailash Adhikari today.

We showed them that reach in Hathway and Den has increased manifold. However, they were claiming that how come in Pay platform the reach has not increased at all in HSM in spite of increasing distribution. Also for competition channels, the pay reach has remained stable, so they were saying that between Hathway and Den, Mastiii hv added abt 12 million subs, in spite of that the reach has not increased. They will revert with their detailed findings today.

9/23/19, 2:55 PM - PDGAS: Ok

9/23/19, 2:55 PM - Romil Ramgaria Barc: But didn't we share in all other platforms it has fallen because of their placement or availability issue?

9/23/19, 3:09 PM - Rushabh Rajesh Mehta: Sir, we did share that. But they were saying that all issues happened before wk 27 when we released pay viewership separately. The Siticable Bengal issue was from before. So how come there is no reach increase after adding 12 million subs

10/10/19, 12:02 PM - Rushabh Rajesh Mehta: Hello Sir, about the Leap email from Turner. I had informally spoken to Ajay Damani (research head) about the concerns he raised in the email. He mentioned that Turner management had pressurised him to write this email. In fact, after he wrote the email, Siddharth Jain scolded him that why he wrote in such a soft language. In exact words, Siddharth said that since BARC is only asking us for the feedback, then we shud use the email as a hammer to hit out at BARC, since it is bcoz of BARC that Niche genre has got impacted.

10/10/19, 12:03 PM - Rushabh Rajesh Mehta: I wanted to update you on this, bcoz this is the another angle wherein broadcasters seem to be misusing the Leap initiative

10/16/19, 9:31 PM - Rushabh Rajesh Mehta: Sir, their issues are the regular ones where Colors have not performed well in almost a year now. Based on my conversations, it appears that SV is taking it badly on a comment which is floating around that Colors have been declining since Raj Nayak left

10/16/19, 9:36 PM - Rushabh Rajesh Mehta: Sir, I just replied...

on operator level package comparison slide, we will talk through about local marketing especially about GTPL for Gujarat and Fastway for Punjab, where Star Plus has an advantage on account of landing. We shall say that local level marketing like Banner ads on EPG of GTPL and Fastway might help

There has been a 3 Mn decline in channel reach (70 Mn to 67 Mn) led by Delhi and Mumbai. There has been no change in distribution; so we are unsure about the reason for this decline. Impact of competition (if any) should have resulted in a decline in engagement and not reach

Decline in wk 40 (Navratri) Æ We would like to understand the reason for the highest decline for SP as compared to other channels

This year SP showed a decline from 189 (wk 39) Å 174 GRPs (wk 40) Å 165 GRPs (wk 41). The decline has continued for 2 weeks; while, other channels have not shown this level of decline across the 2 weeks

Even in 2018 (removing the impact of Dance+ launch week), Star Plus would have been 196 GRPs (from 202 GRPs) which was only a 3% drop as compared to the 8% this time. 2017 also saw a fall of 6% (from 181 to 171) which is lower than this year's fall

This decline does not match the Tata Sky trend:

Wk 41 showed a 4X fall as compared to SP (SP: 148 Å 143 GRPs, Sony: 180 Å 160 GRPs)

However on BARC, Sony remained consistent (195 GRPs Å 194 GRPs) while Star Plus fell from 174 Å 165 GRPs.
